**To:** Ways and Means Full Committee  
**From:** Natural Resources Subcommittee  
**Re:** SB 847 Relating to state trust lands

---

**Senator Frederick:** "SB 847 establishes a process by which the Department of State Lands and the Legislative Assembly may identify tracts of trust lands that have limited performance potential as assets of the Common School Fund due to management or regulatory impediments, and allows the Department of State Lands to submit proposals to the Legislative Assembly for the transfer of those lands to another state agency, federal agency, or tribe.

The Natural Resources Subcommittee recommends SB 847 be amended by the –1 amendment and be reported out do pass, as amended."
