**Measure Description:**

SB 5545-1 replaces the original measure and ratifies fees approved by the Oregon Liquor Control Commission since the 2016 session.

**Government Unit(s) Affected:**

Oregon Liquor Control Commission (OLCC)

**Analysis:**

The -1 amendment replaces the original measure and approves new annual licensing fee amounts for marijuana producers, as follows:

- Micro Tier I grower license .... \$1,000
- Micro Tier II grower license ....\$2,000
- License fee for Marijuana Micro Wholesalers....\$1,000
- Package or label Change ...\$25

The fees are expected to generate \$1,086,350 in 2017-19. This amount could increase if small medical marijuana growers opt to become OLCC licensees.
