Rules Committee,

Our US Constitution says, "one person, one vote! " It has been a HUGE MISTAKE to mess with that!

The Electoral College is a disaster!

In my opinion, it is a violation of our Constitution, to gerrymander votes by states, under the guise of their populations are not equal!

Hillary Clinton WON the popular vote! Yet a CORRUPT BUSINESS MAN with NO CLUE how to govern, a PENCHANT FOR LYING and CLUELESS about hot to GOVERN is now showing us his supreme skills in HOW TO DESTROY OUR GOVERNMENT'S RESPONSIBILITIES TO IT'S PEOPLE!!

Restore our political RIGHT to VOTE with the WINNER actually WINNING by the WILL OF THE PEOPLE, not CORRUPT CANDIDATES WHO HAVE TWISTED THIS TO THEIR ADVANTAGE!
