

Hello.

██████████ I am fortunate to own a nice home in SW Portland. I realize that many Oregonians are not as fortunate as I am and struggle to find affordable housing. Many hard working people that are doing things "the right way" cannot find any decent homes or apartments to live in due to the very high costs of housing in our area.

I fully support #MIDremedy (HB 2006) and I ask you to do the same. I want Oregon to be a place where there is less division between classes and affordable housing is available to all.

Thanks for your support!
