

Washington County, Oregon
WOOD STOVE EXCHANGE
Let's clear the air.

Where Applicants Live

As of December 31, 2016

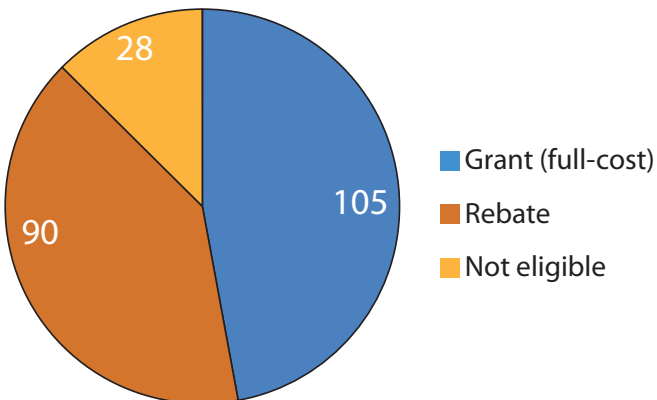

The Washington County Wood Stove Exchange is a collaboration between the Department of Health and Human Services and the Office of Community Development. The program, which was launched on August 24, 2016, replaces old and uncertified wood stoves with new and cleaner heat sources, including certified wood and pellet stoves, gas stoves and electric heat pumps. More information is available at www.WoodStoveExchange.com.

Progress Report #2

August 24 – December 31, 2016

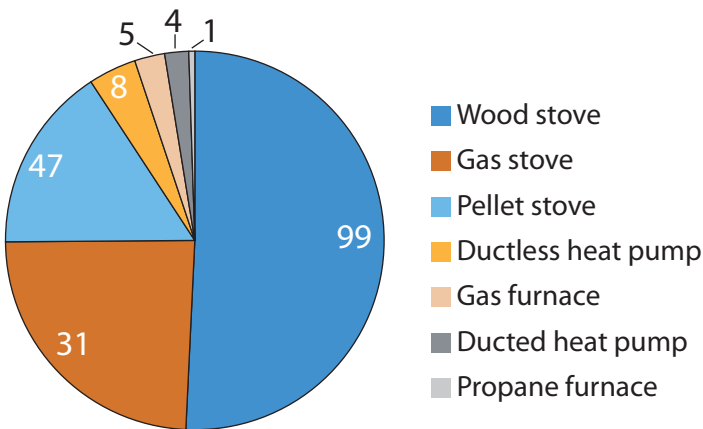

The Washington County Wood Stove Exchange is a collaboration between the Department of Health and Human Services and the Office of Community Development. The program, which was launched on August 24, 2016, replaces old and uncertified wood stoves with new and cleaner heat sources, including certified wood and pellet stoves, gas stoves and electric heat pumps. More information is available at www.WoodStoveExchange.com.

Total Applications Received: 223

Preferred New Heating Source

A little over half of program participants prefer a new wood stove, many because they can get free or low-cost wood. This data does not include ineligible applications.

Applicant City of Residence

The program is open to all Washington County residents.
