

Wally Ordeman, Lobbyist
Representing the Oregon Funeral Directors Association

The Oregon Funeral Directors Association (OFDA) would like to submit this testimony in regard to HB 2317. While OFDA has officially taken a neutral stance on this bill, it appears that the remedies it brings will allow for a more equitable Mortuary and Cemetery Board makeup, while not altering the public member representation. OFDA has no objections to HB 2317 or the -1 amendment.
