

Please Oppose SB 235

Senate Committee on Health Care
900 Court St. NE—HR B
Salem, Oregon 97301

Dear Committee Members

My name is Catherine Kaiser and I am writing today, Feb. 6, 2016 in opposition to SB 235 **unless** you allow sampling of ZERO nicotine e-liquids in Vape Shops.

Vaping should be no longer an argument about youths getting access to Nicotine as Oregon has already passed a law with the age restriction and they are not even allowed in a Vape shop. This is about Adults being able to make their own decisions about whether to Vape or not just like they have a decision whether to smoke deadly cigarettes or not.

This is especially important to me as I am on a very low retirement Social Security income and cannot afford to spend money on E-Liquids I do not like. They are not cheap.

Very Respectfully,
Catherine Kaiser
