- Thank you for passing the law that allowed me to get free medical records.
- Without that law I don't think that I would have been able to get Social Security.
- I hadn't been working for a while, so I couldn't afford to buy my medical records.
- Even if I had money, I wouldn't have known who to ask to get my medical records.
- Also, I wouldn't have been able to keep track of my medical records after they were sent to me.
- My lawyer helped me do all of these things. I'm glad that she did because without her help the law would have been no use to me.
