Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Committee on Finance and Revenue to the Joint Committee on Tax Credits. The bill extends the sunset date for the tax credit for electronic commerce in an enterprise zone or a city designated for electronic commerce. Extending an existing tax credit is unlikely to have any additional impact on workload for the affected agencies. A more complete fiscal analysis on the bill will be prepared as the measure is considered in the Joint Committee on Tax Credits.
