RE: SB 481 (2017)

Dear Mr. Chair:

Please accept this letter and the attachments as my written testimony on SB 481. The longer of the two attachments is identical to my previously-submitted written testimony on SB 106 (2017). It addresses SB 481 as well. I would like to make it part of my testimony on SB 481. The shorter of the two attachments is a two-page summary of the longer submission.

I will not be attending the public hearing on the bill. Thank you very much for considering this submission.

Sincerely,

/s/
