

D R A F T

SUMMARY

Requires Department of Environmental Quality to conduct study regarding funding for septic systems. Requires department to report findings to interim committee of Legislative Assembly no later than October 1, 2018.

A BILL FOR AN ACT

Relating to septic systems.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) The Department of Environmental Quality shall conduct a study to assess the availability, sources, criteria and terms of funding related to the installation, upkeep, repair or replacement of septic systems, including but not limited to absorption facilities, alternative sewage disposal systems, effluent sewers, nonwater-carried sewage disposal facilities, septic tanks and subsurface sewage disposal systems as those terms are defined in ORS 454.605.

(2) The department shall complete the study and report its findings in the manner provided by ORS 192.245 to an interim committee of the Legislative Assembly related the environment no later than October 1, 2018.
