

Chair Beyer, members of the committee

I am Jamil Chaudhry-Ahmad.

I live in Hillsboro, Oregon.

I am providing written testimony in support of SB128, as a private citizen.

I support SB128, as it is necessary to ensure accountability to the people most affected by Hillsboro (and Troutdale) Airport operations.

The Port of Portland seems unconcerned with the 100,000 residents who live near Hillsboro International Airport. They are unconcerned that over 1000 pounds of lead is filled into aircraft in Hillsboro as a component of aviation fuel. They are unconcerned that residents are woken up at all hours of the night by low flying aircraft. They are unconcerned that Hillsboro street traffic comes to a grinding halt during the annual air show.

Representative democracy requires that the people who are affected get a voice. Please give the people who live near Hillsboro (and Troutdale) Airport a voice. Please support SB128.

Regards,

Jamil Chaudhry-Ahmad
