Republican Anti-Gun OR Bill has New Life as "Zombie" Bill

📅 THURSDAY, APRIL 20, 2017 POSTED BY RICHARD THOMSON

SB 719 was just "gutted and stuffed" in the dark of night with language from anti-gun Republican Senator Boquist's SB 868, which had previously been killed.

It is basically a "zombie" bill.

And it is now heading to the Senate floor for a full vote.

It creates a secret process for obtaining "extreme risk protection orders" prohibiting people from possessing firearms. This will allow for secret court hearings that will be used to determine your Second Amendment rights.

This is unacceptable and we CANNOT allow this to stand!

Contact every Senator right now by using our take action platform and be sure to forward this along to your friends and family.

SB 719 goes against our values as Oregonians and must be rejected.

Fight back now before it is too late.
