

From the Desk of
Representative Brad Witt

SB 372 A, Requires State Fish and Wildlife Commission to adopt rules for issuance of wildlife salvage permits to salvage deer or elk accidentally killed as result of vehicle collision.

There are approximately 20 states that allow the salvage of some big game animals such as deer. Washington state implemented a similar program in 2016

The Oregon Legislative Sportsmen's Caucus has taken a **SUPPORT** stance on this bill and ask you to vote **AYE**.
