

FROM THE DESK OF

REPRESENTATIVE ALISSA KENY-GUYER

July 5, 2017

United Food and Commercial Workers Local 555 is proud to offer support for SB754 (Tobacco 21). Our members appreciate that the bill provides only fair civil penalties for potential violations by retail clerks, while improving the health and well-being of youth within our communities.

Sincerely,

Jeff Anderson
Secretary-Treasurer
United Food and Commercial Workers Local 555
