Measure Description:

Authorizes local governments to assess system development charges for disaster resilience and mitigation.

Government Unit(s) Affected:

Cities, Counties, Special Districts

Analysis:

The Legislative Fiscal Office (LFO) believes that this measure may have a fiscal impact on counties and special districts. LFO requested, but has not received, fiscal impact information from the Association of Oregon Counties and the Special Districts Association of Oregon. In absence of this information, the fiscal impact to counties and special districts is indeterminate. If fiscal impact information is provided LFO will issue a revised fiscal impact.

The proposed legislation has been determined to have
MINIMAL EXPENDITURE IMPACT
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
