**The revenue impact of this measure is indeterminate for the following reasons:**

The measure will improve collaboration and information sharing between the state (DOR) and local governments. This collaboration is likely to improve collection and enforcement of tax collection for transient lodging taxes. This collaboration might provide higher level of revenue; However, the new information might not result in any significant new sources of revenue.

This information has the potential to generate additional revenue, however, the timing and magnitude of this impact is highly uncertain.
