Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Committee on Education to the Joint Committee on Ways and Means. The bill removes the \$10 million cap on Oregon Promise grants per fiscal year. The bill expands eligibility of the program to students who were unable to meet the timeline for enrollment because they were either officers in an agricultural student organization approved by the Oregon Department of Education or experienced a significant hardship. The bill has fiscal impact; the amount of this impact is still being determined. A more complete fiscal analysis on the bill will be prepared as the measure is considered in the Joint Committee on Ways and Means.
