**Measure Description:**

Adds woody biomass to list of types of energy generating technology that are green energy technology that must be included in constructing, reconstructing or renovating public buildings, and for which contracting agency must set aside 1.5 percent of contract price.

**Government Unit(s) Affected:**

Department of Consumer and Business Services (DCBS), Department of Energy, Statewide

**Analysis:**

The proposed legislation has been determined to have  
**MINIMAL EXPENDITURE IMPACT**  
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
