Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Ways and Means. The bill makes changes related to the National Board Certification Fund and directs the Teacher Standards and Practices Commission to submit a report. It also makes the Fund an eligible use of Network for Quality Teaching and Learning funds which are “carved-out” of the State School Fund. A more complete fiscal analysis on the bill will be prepared as the measure is considered in the Joint Committee on Ways and Means.
