Summary of Revenue Changes

The Board of Tax Practitioners is a consumer protection licensing board funded entirely by Other Funds derived from the issuance of licenses and business registrations, examination fees, fines and penalties. Fees are also charged for the administration of licensing examinations. License (new and renewal), application and exam fees comprise nearly 86 percent of all revenue collected by the Board. The remaining revenue is derived from civil penalties and interest. This budget conservatively projects a decrease in revenues from the 2015-17 Legislatively Approved Budget based on a decrease in licensees and updated revenue projections. The projected ending balance is \$188,980 Other Funds and is equivalent to four months of operating expenditures.

Summary of General Government Subcommittee Action

The Board protects consumers by ensuring Oregon tax practitioners are competent and ethical in their professional activities. The Board carries out its mission through three primary programs: Licensing, Examination and Education, and Compliance. The Licensing program provides licenses to those people who have demonstrated their competence and ethical standards established by the Board. The Examination and Education program coordinates the administration of competency examinations to new applicants to ensure their comprehension of the state and federal tax code prior to being issued a license. This program also monitors the continuing education requirements by reviewing and approving courses that will enhance the licensee's knowledge of the tax law. The agency ensures compliance by researching all complaints and

possible violations of the laws and rules governing tax preparation. The Board currently licenses approximately 1,700 tax preparers, 1,800 tax consultants, 1,200 tax preparation businesses, and 220 registered branch offices.

The Subcommittee approved a budget of \$1,060,855 Other Funds. The approved budget is a 15.9 percent decrease from the 2015-17 Legislatively Approved Budget. It includes three positions and 2.50 full-time equivalent positions.

Package 090, Analyst Adjustment: increases the beginning balance by \$64,435 Other Funds to account for cost savings activities implemented during the 2015-17 biennium. Furthermore, based on the reduction in agency staffing and the relocation to a smaller office space, \$2,000 has been reduced in Out-of-State Travel and \$34,000 is reduced in Facilities Rent. Additionally, \$36,000 Other Funds limitation has been added to IT Professional Services to adjust for the new BES Technology contract.

Package 070, Revenue Shortfalls: decreases expenditures by a total of \$268,459 Other Funds to account for workload savings that have been realized as a result of streamlining operations, and the integration of a new compliance database and e-licensing system. A vacant Compliance Specialist 2 (1.00 FTE) position is abolished and one permanent full-time Administrative Specialist 1 is reduced to a permanent part-time (0.50 FTE) position.

Budget Note:

Report on Agency Operations and Finances:

The Board of Tax Practitioners is directed to provide a general update on agency operations, as well as, the current status of revenues, expenditures, and licensee counts, to the Joint Committee on Ways and Means during the 2018 Legislative Session.

LFO Recommendation:

Approve the new proposed KPM #1-6 and delete the previous KPM for #1-4 and 6. The existing KPM #5 "Customer Service" is a KPM used for all agencies statewide; therefore this KPM should remain, and be renumbered as KPM #7.

Additionally, LFO proposes a Best Practices KPM used by most boards and commissions statewide. This KPM requires an annual self-assessment of 15 of the best practices for boards and commissions. Additional information for this particular KPM can be found on the Legislative Fiscal Office website.

SubCommittee Action:

Approve the LFO recommendation.
