Measure Description:

Specifies that Oregon Health Authority may use prescription monitoring information to determine whether practitioners are prescribing opioids or opiates in compliance with guidelines for prescribing opioids and opiates.

Government Unit(s) Affected:

Oregon Health Authority (OHA), Department of Justice, Board of Pharmacy, Judicial Department

Analysis:

The proposed legislation has been determined to have
MINIMAL EXPENDITURE IMPACT
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
