Analysis:

ORS 291.055(1)(e) requires all new state agency fees or fee increases adopted during the period beginning on the date of adjournment sine die of a regular session of the Legislative Assembly and ending on the date of adjournment sine die of the next regular session of the Legislative Assembly are rescinded on adjournment sine die of the next regular session of the Legislative Assembly unless authorized by enabling legislation setting forth the approved fees. This bill provides the enabling legislation necessary to approve fees adopted through Administrative Rule by the Department of Agriculture during the 2016-17 Interim. Fees were adjusted for Nursery, Industrial Hemp, and for commercial egg-laying farms. These fee modifications are anticipated to create \$702,208 Other Funds revenue during the 2017-19 biennium. The 2017-19 Co-Chair budget for the Department of Agriculture assumes the continuation of the revenue from the fees included in this bill.
