Summary of Public Safety Subcommittee Action

District Attorneys are designated by the Oregon Constitution as the law officers of the state. As such, a District Attorney is charged with the duty to see that laws are faithfully executed and enforced in order to maintain the rule of law. District Attorneys are elected locally (county-wide) and are state employees.

District Attorneys and Their Deputies prosecute state criminal offenses committed by juveniles and adults. In addition to criminal prosecution, district attorney legal duties include enforcement of child support obligations in non-welfare cases, prosecuting civil forfeitures, presenting evidence at mental health hearings, ruling on public records requests, assisting juvenile courts and advising and representing county officers. District Attorneys and Their Deputies are also active in local public safety coordinating councils, child abuse prevention teams and community outreach activities.

The Subcommittee approved a 2017-19 biennial budget of \$12,502,083 General Fund (36.00 FTE). This represents a 5.3 percent increase over the 2015-17 Legislatively Approved Budget through December 2016, and is equal to the current service level. This budget funds the District

Attorneys' salaries, benefits and other payroll expenses and the State Government Service Charges, which are primarily related to risk management assessments.
