Summary of Capital Construction Subcommittee Action

Senate Bill 5505 limits the maximum amount of bonds and third party financing agreements state agencies may issue and the amount of revenue state agencies may raise from such issuance. The proceeds from the issuance of bonds are included as revenues in agency budgets. This bill also allocates the federal tax-exempt private activity bond volume cap allowed under the Internal Revenue Code of 1986, as amended, to certain state agencies and the Private Activity Bond Committee established in ORS 286A.615.

The Subcommittee reviewed amendments to Senate Bill 5505 for the following purposes:

General Fund Obligations

1. The Subcommittee approved Article XI-G general obligation bond authority of \$204,570,000 to fund grants to Public Universities and Community Colleges to finance seven new capital projects for Public Universities, 12 new capital projects for Community Colleges, and three reauthorized capital projects approved during previous legislative sessions for Community Colleges. The proceeds of the bonds will be used to provide grants through grant programs administered by the Higher Education Coordinating Commission (HECC). Projects are described later in this report.
2. The Subcommittee approved Article XI-M general obligation bond authority of \$101,180,000, which includes net proceeds of \$100,000,000 and \$1,180,000 for costs of issuing bonds and approved Article XI-N general obligation bond authority of \$20,430,000, which includes net proceeds of \$20,000,000 and \$430,000 for costs of issuing bonds. The proceeds of the Article XI-M bonds will be used to provide grants for Seismic Rehabilitation of Public Education Buildings, and the proceeds of the Article XI-N bonds will be used to provide grants for Seismic Rehabilitation of Emergency Services Buildings through grant programs administered by the Oregon Business Development Department.
3. The Subcommittee approved Article XI-P general obligation bond authority of \$100,985,000, which includes \$100,000,000 in net proceeds and \$985,000 for costs of issuing bonds, to fund matching grants to school districts for capital costs including construction, improvement, or remodel of facilities and acquisition of equipment through a grant program administered by the Oregon Department of Education.

4. The Subcommittee approved General Fund supported Article XI-Q general obligation bond authority of \$563,839,225 to finance the capital costs of projects for real or personal property owned or operated by the state. The projects and agencies are listed below, with the exception of HECC; projects funded by grants from the HECC to Public Universities are described later in this report.
- Department of Human Services, ONE Integrated Eligibility and Medicaid Eligibility System: approved \$34,045,000 Article XI-Q bonds to finance \$33,523,000 of project costs and \$522,000 for costs of issuing the bonds. The project is to implement an IT system to integrate the determination of client eligibility for multiple programs into one system, including eligibility for TANF, ERDC, SNAP, and to expand Medicaid eligibility to include non-MAGI Medicaid populations. The Subcommittee also approved additional funding of \$11,477,000 for this project through the repurpose of \$6,500,000 of bond proceeds originally issued for the Oregon Military Department (OMD) Regional Training Institute and \$4,977,000 of bond proceeds originally issued for the OMD Youth Challenge project.
 - Department of Justice, Child Support Enforcement Automated System: approved \$16,585,000 Article XI-Q bonds to finance \$16,267,633 of project costs and \$317,367 for costs of issuing the bonds. The project is to develop and implement a new automated system for the Oregon Child Support Program that will function as a case management system, an accounting and distribution system, and a data exchange system which interfaces with multiple agencies within Oregon and nationwide.
 - Department of Revenue, Core Tax Revenue Systems Replacement: approved \$4,855,000 Article XI-Q bonds to finance \$4,781,944 of project costs and \$73,056 for costs of issuing the bonds. The project is to implement an IT system to replace outdated and disparate systems into one integrated system for improved tracking and reporting of tax revenues. This funding will complete implementation of the system in 2017-19.
 - Legislative Administration Committee, Capitol Accessibility, Maintenance, and Safety: approved \$13,960,000 Article XI-Q bonds to finance \$13,720,642 of project costs and \$239,358 for costs of issuing the bonds. The project is to make capital improvements to the State Capitol Building, including improvements to ADA accessibility and safety.
 - Oregon Judicial Department, Multnomah County Courthouse: approved \$102,495,000 Article XI-Q bonds to finance \$101,500,000 of project costs and \$995,000 for costs of issuing the bonds. Project costs of \$92,600,000 will be the final state matching funds to complete the construction of a new courthouse in Multnomah County. The remaining \$8,900,000 will be used to purchase state-owned furnishings and equipment.
 - Oregon Judicial Department, Lane County Courthouse: approved \$5,115,000 Article XI-Q bonds to finance \$5,000,000 of project costs and \$115,000 for costs of issuing the bonds. The project is to support replacement of the Lane County Courthouse, including making improvements to the new courthouse site to prepare it for construction.

- Oregon Judicial Department, Oregon Supreme Court Building Renovation: approved \$6,125,000 Article XI-Q bonds to finance \$6,000,000 of project costs and \$125,000 for costs of issuing the bonds. The project is to renovate the Oregon Supreme Court building, including seismic updates, energy efficiency improvements, and various systems and safety code upgrades.
- Oregon Military Department, Regional Armory Emergency Enhancement: approved \$8,675,000 Article XI-Q bonds to finance \$8,534,400 of project costs and \$140,600 for costs of issuing the bonds. The project involves making structural improvements to bring the following three facilities to essential facility standards for seismic events: Coos Bay Armory, Newport Armory, and the Anderson Readiness Center in Salem.
- Oregon Military Department, Grants Pass Armory Service Life Extension: approved \$3,330,000 Article XI-Q bonds to finance \$3,270,356 of project costs and \$59,644 for costs of issuing the bonds. The project is for design and construction of additions and alterations to the Grants Pass Armory to bring the building into conformance with current building code.
- Oregon Military Department, Resiliency Grant Fund: approved \$5,070,000 Article XI-Q bonds to finance \$5,000,000 of project costs and \$70,000 for costs of issuing the bonds. The proceeds will be used to purchase emergency preparedness equipment, which will be owned by OMD and distributed to local governments and other federal tax-exempt qualified recipients.
- Oregon Military Department, Regional Training Institute: approved \$6,630,000 Article XI-Q bonds to finance \$6,500,000 of project costs and \$130,000 for costs of issuing the bonds. The project is to refurbish existing buildings in Umatilla to serve as the new Regional Training Institute. Article XI-Q bonds were authorized and issued for this project in 2015-17; however, it was subsequently determined that tax-exempt bond proceeds could not be used to finance the project. Thus, this project is being reapproved to issue taxable bonds in 2017-19.
- Oregon Military Department, Youth Challenge Armory: approved \$5,095,000 Article XI-Q bonds to finance \$4,977,000 of project costs and \$118,000 for costs of issuing the bonds. The project is for expansion and renovation of the existing facility in Bend to increase capacity for at-risk youths participating in the Youth Challenge Program. Article XI-Q bonds were authorized and issued for this project in 2015-17; however, it was subsequently determined that tax-exempt bond proceeds could not be used to finance the project. Thus, this project is being reapproved to issue taxable bonds in 2017-19.
- Oregon Department of Veterans' Affairs, The Dalles Veterans' Home Capital Improvements: approved \$1,195,000 Article XI-Q bonds to finance \$1,150,000 of project costs and \$45,000 for costs of issuing the bonds. The project involves construction of a new educational building and daycare building, upgrades to wireless infrastructure, and phone system replacement.

- Oregon Department of Veterans' Affairs, Lebanon Veterans' Home Parking Lot: approved \$1,345,000 Article XI-Q bonds to finance \$1,300,000 of project costs and \$45,000 for costs of issuing the bonds. The project is to build a new parking lot at the veteran's home in Lebanon.
- Oregon Department of Veterans' Affairs, Roseburg Veterans' Home: approved \$10,720,000 Article XI-Q bonds to finance \$10,500,000 of project costs and \$220,000 for costs of issuing the bonds. The project is to design and construct a new veterans' home in Roseburg.
- Department of Corrections, Capital Improvements and Renewal: approved \$26,770,000 Article XI-Q bonds to finance \$26,293,534 of project costs and \$476,466 for costs of issuing the bonds. The project involves facility improvements in several facilities including electrical systems, water systems, roofs, HVAC, surveillance, fire systems and infrastructure improvements to address needs identified in the Facility Condition Assessment completed on the department's facilities.
- Department of Corrections, Technology Infrastructure: approved \$12,445,000 Article XI-Q bonds to finance \$12,200,000 of project costs and \$245,000 for costs of issuing the bonds. The project is to upgrade and install technology infrastructure that will support a voice-over-internet protocol telephony system.
- Oregon Youth Authority, Capital Improvements: approved \$17,450,000 Article XI-Q bonds to finance \$17,168,249 of project costs and \$281,751 for costs of issuing the bonds. The project involves capital improvements to permanent structures and fixtures to address needs identified by the Facility Condition Assessment completed on OYA facilities.
- Oregon Youth Authority, MacLaren West Cottages Renovation, Phase 1: approved \$15,450,000 Article XI-Q bonds to finance \$15,177,200 of project costs and \$272,800 for costs of issuing the bonds. Phase 1 of the project involves capital improvements to renovate and remodel five of the seven living units on the west side of the campus at MacLaren Youth Correctional Facility.
- Oregon Youth Authority, Rogue Valley Facility Improvements, Phase 1: approved \$7,095,000 Article XI-Q bonds to finance \$6,973,465 of project costs and \$121,535 for costs of issuing the bonds. Phase 1 of the project involves capital improvements to renovate and remodel two of the four living units at the Rogue Valley Youth Correctional Facility.
- Oregon Department of Education, Oregon School for the Deaf Facility Improvements: approved \$4,365,000 Article XI-Q bonds to finance \$4,297,558 of project costs and \$67,442 for costs of issuing the bonds. The project is to make capital improvements to the Oregon School for the Deaf facility which includes roof replacements at six campus buildings and ADA compliance to address accessibility of campus restrooms in eight facilities.

- Oregon Department of Forestry, Toledo Facility Replacement: approved \$774,225 Article XI-Q general obligation bonds to finance \$753,300 of project costs and \$20,925 for costs of issuing the bonds. The project is to replace the Unit Office Facilities Compound located in Toledo and relocate it to a more centrally located area that will be outside of the mapped tsunami inundation zone, a project which is expected to be part of a larger co-locate project with the Oregon Department of Transportation (ODOT).
 - Oregon Department of Fish and Wildlife, Deferred Maintenance: approved \$10,215,000 Article XI-Q general obligation bonds to finance \$10,000,000 of project costs and \$215,000 for costs of issuing the bonds. The project involves addressing deferred maintenance needs in multiple facilities owned by the department.
 - Oregon Housing and Community Services, Local Innovation and Fast Track (LIFT) Housing Program: approved \$81,090,000 Article XI-Q general obligation bonds to finance \$80,000,000 of project costs and \$1,090,000 for costs of issuing the bonds. The bond proceeds will be used to acquire, construct, remodel, repair, equip or furnish real property in which the department will take an operational or ownership interest to provide affordable housing for low income citizens.
5. The Subcommittee approved Article XI-H general obligation bond authority of \$10,300,000, which includes \$10,000,000 in net proceeds and \$300,000 for costs of issuing the bonds, for the Department of Environmental Quality (DEQ) to finance pollution control facilities or related activities. Net proceeds will replenish DEQ's Orphan Site Account, which is used to investigate and cleanup highly contaminated sites.
 6. The Subcommittee approved Certificates of Participation (COP) authority of \$100,985,000, which includes \$100,000,000 in net proceeds and \$985,000 for costs of issuing the bonds, for the Department of Forestry to finance the release of a portion of the Elliott Forest from restrictions from ownership of the common school fund to preserve non-economic benefits of the forest for the public such as recreation, wildlife and habitat preservations, and other environmental considerations.

Dedicated Fund Obligations

7. The Subcommittee approved a \$120,000,000 authorization to the Department of Veterans' Affairs for issuance of Article XI-A general obligation bonds to finance farm and home loans to veterans.
8. The Subcommittee approved Article XI-F(1) general obligation bond authority of \$86,570,000 to fund loans to Public Universities through the HECC to finance four new capital projects and two reauthorized capital projects approved during prior legislative sessions. Projects are described later in this report.

9. The Subcommittee approved a \$10,000,000 authorization to the Department of Environmental Quality for issuance of Article XI-H general obligation bonds to finance pollution control facilities or related activities. Bond proceeds provide match for federal Clean Water State Revolving Fund (CWSRF) capitalization grants.
10. The Subcommittee approved a \$25,000,000 authorization to the Housing and Community Services Department for issuance of Article XI-I (2) general obligation bonds to provide financing for multi-family housing for the elderly and for disabled persons.
11. The Subcommittee approved Article XI-Q general obligation bond authority of \$14,435,775 to finance a portion of the following projects:
 - Department of Administrative Services, Portland State Office Building Capital Improvements: approved \$13,360,000 Article XI-Q bonds to finance \$13,146,000 of project costs and \$214,000 for costs of issuing the bonds. The project is to renovate the building exterior, including replacement of the windows and roof; upgrade security, electrical and HVAC systems; painting; and renovating restrooms. Debt service on the bonds will be paid using agency resources (Other Funds).
 - Oregon Department of Forestry, Toledo Facility Replacement: approved \$1,075,775 Article XI-Q bonds to finance \$1,046,700 of project costs and \$29,075 for costs of issuing the bonds. The project is to replace the Unit Office Facilities Compound located in Toledo and relocate it to a more centrally located area that will be outside of the mapped tsunami inundation zone, a project which is expected to be part of a larger co-locate project with the Oregon Department of Transportation (ODOT). Debt service on the bonds will be paid using agency resources (Other Funds).
12. The Subcommittee approved Certificates of Participation (COP) authority of \$10,000,000 for issuance of other financing agreements (capital leases) for the Department of Administrative Services.

Revenue Bonds

13. The Subcommittee approved the Housing and Community Services Department direct revenue bond authority of \$300,000,000 and pass-through revenue bond authority of \$325,000,000.
14. The Subcommittee approved the Oregon Business Development Department direct revenue bond authority of \$30,000,000 for the Oregon Infrastructure Finance Authority Bond Bank Program. Pass-through revenue bond authority of \$400,000,000 for Industrial Development bonds and \$10,000,000 for the Beginning and Expanding Farmer Loan Program was also approved.
15. The Subcommittee approved Department of Administrative Services, Lottery Revenue Bond limit of \$199,860,000. This amount provides funding for 31 projects authorized in Senate Bill 5530 and one project authorized in House Bill 2278 (2015). A complete list of Lottery Revenue Bond projects can be found in SB 5530.

16. The Subcommittee approved pass-through revenue bond authority of \$1,350,000,000 for the Oregon Facilities Authority.

Other Legislative Changes

The Subcommittee approved statutory changes to ORS chapter 286A related to the administration of the state's bond programs. Amendments clarify the Department of Administrative Services' role as the bond program administrator for the Article XI-F Higher Education general obligation bond program, including specifying the department is responsible to request bonds to be issued.

The Subcommittee also approved an amendment to ORS 283.085 to authorize the use of Certificates of Participation to finance: (i) the release of all or a portion of the Elliott Forest from restrictions resulting from ownership of that forest by the common school fund, or (ii) compensation paid to the common school fund for the preservation of non-economic benefits of the forest through the imposition, transfer or sale of restrictions such as easements, use requirements or other methods that preserve non-economic benefits of the forest for the public such as recreation, aesthetics, wildlife or habitat preservation, or other environmental and quality of life considerations.

The Subcommittee approved a project scope change for the Higher Education Coordinating Commission, University of Oregon Klamath Hall Renovation, originally approved in HB 5005 (2015), to allow the use of the Article XI-Q and Article XI-G bond proceeds to renovate Klamath Hall, an academic and research building, to bring research facilities up-to-date and accommodate increased enrollment in chemistry and other sciences. The original project plan included the renovation of one floor and construction of an additional floor that would be used to house office space and classrooms displaced due to the renovation. However, due to increased construction costs, it is more cost effective to renovate the one floor as originally proposed, but use existing facilities for the displaced functions rather than adding a new floor.

Detail of projects authorized for the Higher Education Coordinating Commission through bond financing is included below.

Higher Education Coordinating Commission

HECC - Public Universities

The Subcommittee approved 17 new capital projects and reauthorized two projects approved in prior biennia for public universities to finance total project costs of \$345,856,225. The projects are included in the budget for the Higher Education Coordinating Commission (HECC). The proceeds of Article XI-G and Article XI-Q bonds will be used to provide grants from HECC to the applicable public university, and the debt service on these bonds will be paid with General Fund. Each university must provide the constitutionally required match for the Article XI-G bonds before the bonds can be issued. The proceeds of Article XI-F(1) bonds will be used to provide loans from HECC to the applicable public university, and the debt service on the Article XI-F(1) bonds will be paid by HECC with Other Funds using loan repayments received from the applicable university made with university resources. The approved projects are listed below.

All Public Universities

The Subcommittee approved the following project for the seven public universities, to be allocated to each individual university by HECC:

- Capital Improvement and Renewal: approved \$50,620,000 Article XI-Q general obligation bonds to finance \$50,000,000 of project costs and \$620,000 for costs of issuing the bonds. The capital improvement projects will address deferred maintenance, code compliance, safety issues, and Americans with Disabilities Act (ADA) accessibility improvements for campus facilities. The projects will not involve: acquisition of buildings, structures, or land; classroom or lab modernization; or improvements to auxiliary facilities, which are typically self-supporting.

Eastern Oregon University

- Loso Hall Renovation, Phase 1: approved \$5,575,000 Article XI-Q general obligation bonds to finance \$5,500,000 of project costs and \$75,000 for costs of issuing the bonds. The project is to renovate Loso Hall and will improve or replace theater department performance and practice spaces, stages and support spaces, equipment, lighting and staging systems. The project will also make ADA accessibility improvements in theater seating and building access.
- Track and Field Facilities Restoration: approved \$790,000 Article XI-F(1) general obligation bonds to finance \$750,000 of project costs and \$40,000 for costs of issuing the bonds. The project will include removal of the existing track and field athletic surfaces and associated asphalt and concrete underlayment and installation of a new rock base and drainage system with a permeable asphalt base surface. New permeable track and field competition athletic surfaces will be installed over the asphalt base. The project will also include a scorer's station at the track finish line, restroom facilities, and guest seating. The university expects to support loan repayments to HECC for debt service on the bonds through tuition and fee revenues.

Oregon Institute of Technology

- Center for Excellence in Engineering and Technology / Cornett Hall Renovation, Phase 2: approved \$38,475,000 Article XI-Q general obligation bonds to finance \$38,000,000 of project costs and \$475,000 for costs of issuing the bonds and \$2,050,000 Article XI-G general obligation bonds to finance \$2,000,000 of project costs and \$50,000 for costs of issuing the bonds. The Center for Excellence in Engineering and Technology (CEET) will feature classrooms, laboratory, office, and project spaces focused on applied research and teaching in advanced engineering, manufacturing and sustainable systems. The project will also complete the renovation, building envelope and ADA accessibility improvements to Cornett Hall. The university will provide the constitutionally required match for the Article XI-G bonds.
- Oregon Manufacturing Innovation Center (OMIC) Research and Development Facility: approved \$3,940,000 Article XI-Q general obligation bonds to finance \$3,875,000 of project costs and \$65,000 for costs of issuing the bonds. The project is to renovate the OMIC Research and Development facility, providing industrial levels of electrical infrastructure, internal temperature controls and systems, storage and management facilities for specialty gas, manufacturing support equipment, structural modifications to support heavy equipment, testing equipment, and ADA compliance.
- Student Recreation Center: approved \$5,115,000 Article XI-F(1) general obligation bonds to finance \$5,000,000 of project costs and \$115,000 for costs of issuing the bonds. The project will re-use existing Athletics Facilities, updating, expanding, and restoring fitness facilities on campus. The university expects to support loan repayments to HECC for debt service on the bonds through building fees assessed to all students enrolled on the Klamath Falls campus.

Oregon State University

- Cordley Hall Renovation, Phase 1: approved \$15,250,000 Article XI-Q general obligation bonds to finance \$15,000,000 of project costs and \$250,000 for costs of issuing the bonds. The renovation project will replace mechanical and electrical systems as well as upgrade fire and life safety systems, including a fire suppression system and modern fire alarms for the approximately 236,000 GSF research building.
- Fairbanks Hall Renovation: approved \$11,220,000 Article XI-Q general obligation bonds to finance \$11,000,000 of project costs and \$220,000 for costs of issuing the bonds. The renovation project will create critically needed space in the currently unutilized fourth floor and make the building fully accessible. The project includes improvements to the building's all-wood structure, plumbing, and ventilation systems, expansion of fire protection systems, and improved fire and life safety egress.
- Gilkey Hall Renovation: approved \$1,045,000 Article XI-Q general obligation bonds to finance \$1,000,000 of project costs and \$45,000 for costs of issuing the bonds and \$2,050,000 Article XI-G bonds to finance \$2,000,000 of project costs and \$50,000 for costs of issuing the bonds. The renovation project will provide a general interior space renewal for the academic directors for undergraduate studies, the

academic success center, the writing center, computer lab, and international programs. The project also includes upgrades to fire and life safety, plumbing, and HVAC systems. The university will provide the constitutionally required match for the Article XI-G bonds.

- Quality Foods and Beverage Center: approved \$9,100,000 Article XI-G general obligation bonds to finance \$9,000,000 of project costs and \$100,000 for costs of issuing the bonds. The project is to construct a 28,500 GSF building which will include three new research and learning pilot facilities for brewing science, wine science, and dairy science. The university will provide the constitutionally required match for the Article XI-G bonds.
- Cascades Expansion – Site Reclamation: approved \$9,145,000 Article XI-Q general obligation bonds to finance \$9,000,000 of project costs and \$145,000 for costs of issuing the bonds. The site restoration project will include partial fill and compaction of a pumice mine to bring the site to a condition ready for infrastructure development. The property, a 46-acre pumice mine site, is adjacent to the 10-acre Cascades Campus and is near downtown Bend.

Portland State University

- Graduate School of Education Facility: approved \$9,145,000 Article XI-Q general obligation bonds to finance \$9,000,000 of project costs and \$145,000 for costs of issuing the bonds, \$36,485,000 Article XI-G general obligation bonds to finance \$36,000,000 of project costs and \$485,000 for costs of issuing the bonds, and \$6,080,000 Article XI-F(1) bonds to finance \$6,000,000 of project costs and \$80,000 for costs of issuing the bonds. The project involves construction of a new Graduate School of Education located at 4th and Montgomery Streets in Portland. The facility will be a seven to ten story mixed use building with approximately 205,000 GSF of space. The project includes acquisition of land and the design and construction of the new building, including equipment and furnishings. The project involves partnership commitments from Portland Community College, City of Portland, and Oregon Health and Sciences University. The university will use partnership contributions and other funds legally available to the university for the constitutionally required match for the Article XI-G bonds. The university expects to support loan repayments to HECC for debt service on the bonds with retail lease income.
- Corbett Building Purchase: reauthorized \$5,100,000 Article XI-F(1) bonds originally authorized in 2015-17 to finance \$5,031,225 of project costs and \$68,775 for costs of issuing the bonds. The project is to purchase the Corbett Building, at 2828 SW Corbett Avenue in Portland, which is currently leased by PSU for its Business Accelerator program. The building is owned by the PSU Foundation through a subsidiary. The university expects to support loan repayments to HECC for debt service on the bonds through savings from lease payments that will no longer be incurred.
- Residence Hall at 12th & Market: approved \$54,225,000 Article XI-F(1) general obligation bonds to finance \$53,500,000 of project costs and \$725,000 for costs of issuing the bonds. The project will involve construction of a new six story housing building on the corner of SW 12th and Market in Portland. The building will be approximately 144,000 GSF of space and result in 201 units and 11,000 GSF for dining services. The university expects to support loan repayments to HECC for debt service on the bonds through student housing revenue.

- Land Acquisition for University Center Building: reauthorized \$10,220,000 Article XI-F(1) bonds originally authorized in 2013-15 and reauthorized in 2015-17, and authorized an additional \$5,040,000 Article XI-F(1) bonds to finance \$15,000,000 of project costs and \$260,000 for costs of issuing the bonds. The project is to purchase land under the university-owned University Center building. The university expects to support loan repayments to HECC for debt service on the bonds through savings from lease payments that will no longer be incurred.

Southern Oregon University

- Central Hall Capital Improvements: approved \$6,125,000 Article XI-Q general obligation bonds to finance \$6,000,000 of project costs and \$125,000 for costs of issuing the bonds. The project includes replacing the HVAC system and electrical systems, upgrading the fire alarm system to meet current code requirements, and addressing water penetration of the exterior concrete façade. The project scope also includes ADA accessibility improvements.

University of Oregon

- Campus for Accelerating Scientific Impact, Phase 1: approved \$50,620,000 Article XI-G general obligation bonds to finance \$50,000,000 of project costs and \$620,000 for costs of issuing the bonds. The project includes construction of the initial phase of the Campus which includes new science lab facilities located north of Franklin Boulevard and other construction, improvements, or acquisitions to support the Campus. The new science lab facilities are expected to be two research structures totaling approximately 150,000 GSF and will house core shared scientific facilities as well as labs. The project is expected to include construction of a sky bridge to connect the science campus to the main campus for safe crossing of Franklin Boulevard. This is phase one of a \$100 million project expected to be completed by June 2020. The university will provide the constitutionally required match for the Article XI-G bonds.

Western Oregon University

- Information Technology Center Renovation, Phase 3: approved \$5,070,000 Article XI-Q bonds to finance \$5,000,000 of project costs and \$70,000 for costs of issuing the bonds and approved \$540,000 Article XI-G bonds to finance \$500,000 of project costs and \$40,000 for costs of issuing the bonds. The project includes seismic improvements to the building structure and replacement of mechanical, electrical and plumbing systems. The first two floors will be remodeled to maximize function, improve access, and comply with current building codes. The university will provide the constitutionally required match for the Article XI-G bonds.
- Oregon Military Building Renovation, Phase 2: approved \$7,335,000 Article XI-Q bonds to finance \$7,200,000 of project costs and \$135,000 for costs of issuing the bonds and approved \$540,000 Article XI-G bonds to finance \$500,000 of project costs and \$40,000 for costs of issuing the bonds. The project includes a redesign and repurpose of the existing military training facility, located within the north perimeter of the

campus, for year-round academic program use, improve ADA accessibility throughout the facility and upgrade mechanical, electrical and plumbing systems. The university will provide the constitutionally required match for the Article XI-G bonds.

HECC - Community Colleges

The Subcommittee approved 12 new capital projects and reauthorized three capital projects approved in prior biennia for community colleges to finance total project costs of \$101,397,241. The projects are included in the budget for the Higher Education Coordinating Commission (HECC). The proceeds of Article XI-G bonds will be used to provide grants from HECC to the applicable community college, and the debt service on the bonds will be paid with General Fund. Each community college must provide the constitutionally required match for the Article XI-G bonds before the bonds can be issued. Match funds may come from a variety of sources including grants, donations, partnership contributions, local bond levies, or some combination of sources. The approved projects are listed below.

- Blue Mountain Community College – Facility for Agricultural Resource Management (FARM) Phase 2: approved \$5,115,000 Article XI-G bonds to finance \$5,000,000 of project costs and \$115,000 for costs of issuing the bonds. The project is to design and construct a new facility to support animal science programs, including veterinary assistant/technician, equine and the livestock judging and rodeo teams. The community college will provide the constitutionally required match for the Article XI-G bonds through various possible revenues.
- Chemeketa Community College – Agricultural Complex: approved \$6,125,000 Article XI-G bonds to finance \$6,000,000 of project costs and \$125,000 for costs of issuing the bonds. The project is to construct a new agricultural complex on the main Salem campus. The complex will include a classroom and office building, storage space, a greenhouse, hoop houses, learning and research gardens, and an incubator farm. The community college will provide the constitutionally required match for the Article XI-G bonds with their Capital Development Reserve Funds.
- Clackamas Community College – DeJardin Building Addition: approved \$8,140,000 Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. The project is to construct an 18,500 sq. ft. addition to the DeJardin building to house state-of-the-art science laboratories for chemistry, biology, and microbiology along with informal learning space lab support/shared preparation space for staff efficiency and general purpose classroom. The project scope also includes renovation and repurpose of approximately 20,000 sq. ft. of lab space in Pauling, which will be vacated after the DeJardin addition is complete, to support other STEM programs such as engineering. The community college will provide the constitutionally required match for the Article XI-G bonds with funds from 2017 tax supported bonds approved by voters in 2014.
- Clackamas Community College – Student Services and Community Commons: approved \$8,140,000 Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. The project includes replacement of the current community center with a new building that will provide approximately 54,500 sq. ft., doubling the current square footage for programs and services. The Student Services and Community Commons will house community common event space; multi-purpose meetings rooms and classrooms; informal learning and study lounges; student support services offices; student government and student organizations offices; and consolidation of the

bookstore and dining facilities. The community college will provide the constitutionally required match for the Article XI-G bonds with funds from 2017 tax supported bonds approved by voters in 2014.

- Clatsop Community College - Marine Science Center Renovation and Expansion: approved \$8,135,000 in Article XI-G bonds to finance \$7,996,994 of projects costs and \$138,006 for costs of issuing the bonds. The project is to renovate and expand the Marine Science Center building on the Marine and Environmental Research Training Station (MERTS) campus, including the addition of a second floor, labs, and expanded faculty and support space. The project scope also includes updated infrastructure throughout and in support of the new building and programs space. The community college will provide the constitutionally required match for the Article XI-G bonds through various funding options, including bonds and a capital campaign.
- Columbia Gorge Community College – Middle College Prototype Facility: reauthorized \$7,400,000 in Article XI-G bonds to finance \$7,320,000 of project costs and \$80,000 for costs of issuing the bonds. This project was approved as a scope change in HB 5202 (2016) to the originally approved Advanced Technology Center project, which was authorized in SB 5507 (2013) and reauthorized in HB 5005 (2015). The project is to construct a Middle College Prototype facility to be used by the college and the North Wasco School District to focus on grades 11 through 14 and the transition between high school and post-secondary education. The project involves: a Treaty Oak Regional Skills Center, which will include a high-bay skills center, portable equipment stations, CTE training and business incubator; equipment bay for the fire science training program; fitness facilities and a track/soccer field; and on-campus workforce housing for CGCC enrollees, Mid-Col. Fire & Rescue District response personnel and trainees. The community college will provide the constitutionally required match for the Article XI-G bonds through a combination of direct private and public investment.
- Lane Community College – Health Care Village Facility: approved \$8,140,000 Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. The project is to construct a new facility on the main campus for the dental clinic, dental lab, medical office assistant, faculty offices, and support spaces. This facility is expected to provide sufficient space for program consolidation, sterilization, student workspace, and modern equipment/technology for the dental programs. The community college will to provide the constitutionally required match for the Article XI-G bonds through a local bond levy and/or private fundraising.
- Linn-Benton Community College – Student Advising and Campus Safety Center: approved \$7,635,000 Article XI-G bonds to finance \$7,500,000 of project costs and \$135,000 for costs of issuing the bonds. The project involves renovation of the student affairs and campus safety spaces, including creation of a new Student Advising Center and expanding space for public safety and disability services. This project also includes renovation of the career technical center and classroom space. The community college will provide the constitutionally required match for the Article XI-G bonds with proceeds from a 2014 bond issuance.
- Mt. Hood Community College – Maywood Park Center: approved \$8,140,000 Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. The project is to construct a new 60,000 sq. ft. building, the Maywood Park Center, to replace the current Maywood Park building. The new facility will provide space for classrooms, student services, workforce support, administration,

community meetings, and building support space. The building will house the college's western district workforce training, certificate and degree programs. The community college will provide the constitutionally required match for the Article XI-G bonds through various possible revenue sources which may include grants, donations, partnership contributions, a local bond levy, or some combination of sources.

- Oregon Coast Community College – Workforce Education and Resiliency Center: approved \$8,140,000 Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. The project is to construct a new 30,000 sq. ft., two story building to provide space for workforce development academic programs, student study areas, as well as administrative and faculty offices. The community college will provide the constitutionally required match for the Article XI-G bonds through various revenues, including a local bond levy and a capital construction campaign.
- Portland Community College – Health Technology Building Renovation: approved \$8,140,000 Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. The renovation project is to demolish the 55,800 sq. ft. interior space, reconstruct instructional spaces, replace restroom fixtures and locker rooms, incorporate seismic standards, and replace non code compliant mechanical, electrical and plumbing systems. The community college will provide the constitutionally required match for the Article XI-G bonds with proceeds from a 2008 bond levy and a 2017 bond levy (if approved).
- Rogue Community College – Elk Building Science Facility Renovation and Expansion: approved \$6,125,000 Article XI-G bonds to finance \$6,000,000 of project costs and \$125,000 for costs of issuing the bonds. The project includes renovation of the existing 10,086 sq. ft. Elk Building science facility and adding 16,000 sq. ft. of space to provide the nursing and allied health programs with a more modern science facility. The project will increase instructional capacity, redesign lab spaces, and expand infrastructure to meet current and future academic needs. The community college will provide the constitutionally required match for the Article XI-G bonds with proceeds from a May 2016 bond.
- Southwestern Oregon Community College – Dellwood Hall Remodel and Expansion: approved \$2,805,000 Article XI-G bonds to finance \$2,749,997 of project costs and \$55,003 for costs of issuing the bonds. The project is to remodel Dellwood Hall including construction of a 12,100 sq. ft. second floor onto the existing one story building. The project will integrate all student services into one building to create a comprehensive Student Services Center. The community college will provide the constitutionally required match for the Article XI-G bonds with private funds, grants, and possibly a bond levy.
- Treasure Valley Community College – Workforce Vocational Center: reauthorized \$2,865,000 in Article XI-G bonds to finance \$2,830,250 of project costs and \$34,750 for costs of issuing the bonds. This project was originally approved in SB 5507 (2013) and was reauthorized in HB 5005 (2015). The project involves construction of a new facility to expand space for welding training and to house natural resource, renewable energy, wild land fire, construction trades, and waste water management programs. The community college will provide the constitutionally required match for the Article XI-G bonds with grants, fundraising, and/or a district bond levy.

- Umpqua Community College – Industrial Technology Building: reauthorized \$8,140,000 in Article XI-G bonds to finance \$8,000,000 of project costs and \$140,000 for costs of issuing the bonds. This project was originally approved in SB 5507 (2013) and was reauthorized in HB 5005 (2015). The project is to construct a new two-story, 68,000 sq. ft. building that will bring together automotive, welding/fabrication, and manufacturing programs into one facility. The project includes a 20-bay automotive service shop, tools room, auto classroom, lab, small lobby, and four faculty offices. The community college will provide the constitutionally required match for the Article XI-G bonds with a bond levy and/or fundraising.
