Summary of Revenue Changes

House Bill 2763 appropriates \$1,700,000 General Fund to the Teacher Standards and Practices Commission (TSPC) for deposit into the National Board Certification Fund. TSPC must waive the renewal fee for educator licenses of educators who are certified by a national professional organization for teaching standards recognized by the TSPC. The impact of the loss of renewal fees over the long-term may result in the need for the TSPC to raise fees for non-nationally certified educators to cover administrative costs. The projected Other Funds revenue loss to TSPC from existing nationally certified teachers is estimated at a maximum of \$21,000 per biennium and would compound each budget cycle as more teachers become nationally certified.

Summary of Education Subcommittee Action

House Bill 2763 appropriates \$1.7 million General Fund for the National Board Certification Fund. The bill also establishes a \$1,700,000 Other Funds expenditure limitation, which includes \$124,593 for one Administrative Specialist 2 (1.00 FTE) and \$18,221 for associated Services and Supplies. The remaining \$1,557,186 will be distributed to provide assistance with the direct costs of seeking and obtaining national board certification, including costs related to participating in a cohort for certification for at least 150 teachers. No later than April 1, 2020, TSPC is directed to submit a report to the Legislative Assembly regarding national board certification outcomes and statistics, as well as identify funding levels necessary to increase the number of teachers holding national board certification in this state, to 10 percent of all public school teachers.
