

HOUSE AMENDMENTS TO HOUSE BILL 2122

By COMMITTEE ON HEALTH CARE

April 19

1 On page 1 of the printed bill, line 2, after the second semicolon delete the rest of the line and
2 line 3 and insert “amending ORS 414.025, 414.625 and 414.627; and declaring an emergency.”.

3 Delete lines 5 through 26 and delete pages 2 through 8 and insert:

4 “**SECTION 1. Sections 2 and 3 of this 2017 Act are added to and made a part of ORS**
5 **chapter 414.**

6 “**SECTION 2. (1) Notwithstanding ORS 414.625 (1) and (2)(o), a coordinated care organ-**
7 **ization described in subsection (2) of this section must be a community-based organization**
8 **that is recognized as tax exempt under section 501(c)(3) of the Internal Revenue Code of 1986.**

9 “**(2) This section applies to a coordinated care organization that:**

10 “**(a) Does not have a contract with the Oregon Health Authority on the effective date of**
11 **this 2017 Act; or**

12 “**(b) Transfers ownership of the coordinated care organization to another entity after the**
13 **effective date of this 2017 Act.**

14 “**SECTION 3. All meetings of the governing body of a coordinated care organization are**
15 **subject to ORS 192.610 to 192.690.**

16 “**SECTION 4.** ORS 414.625 is amended to read:

17 “414.625. (1) The Oregon Health Authority shall adopt by rule the qualification criteria and re-
18 quirements for a coordinated care organization and shall integrate the criteria and requirements
19 into each contract with a coordinated care organization. Coordinated care organizations may be
20 local, community-based organizations or statewide organizations with community-based participation
21 in governance or any combination of the two. Coordinated care organizations may contract with
22 counties or with other public or private entities to provide services to members. The authority may
23 not contract with only one statewide organization. A coordinated care organization may be a single
24 corporate structure or a network of providers organized through contractual relationships. The cri-
25 teria adopted by the authority under this section must include, but are not limited to, **a require-**
26 **ment that** the coordinated care [*organization’s demonstrated experience and capacity for*]
27 **organization:**

28 “**(a) Have demonstrated experience and a capacity for** managing financial risk and estab-
29 **lishing financial reserves.**

30 “**(b) [Meeting] Meet** the following minimum financial requirements:

31 “**(A) [Maintaining] Maintain** restricted reserves of \$250,000 plus an amount equal to 50 percent
32 of the coordinated care organization’s total actual or projected liabilities above \$250,000.

33 “**(B) [Maintaining] Maintain** a net worth in an amount equal to at least five percent of the av-
34 erage combined revenue in the prior two quarters of the participating health care entities.

35 “**(C) With the approval of the authority, expend all of the earnings of the coordinated**

1 **care organization that exceed the financial requirements of this paragraph on services de-**
2 **signed to address health disparities and the social determinants of health consistent with the**
3 **coordinated care organization’s community health improvement plan.**

4 “(c) [*Operating*] **Operate** within a fixed global budget.

5 “(d) [*Developing and implementing*] **Develop and implement** alternative payment methodologies
6 that are based on health care quality and improved health outcomes.

7 “(e) [*Coordinating*] **Coordinate** the delivery of physical health care, mental health and chemical
8 dependency services, oral health care and covered long-term care services.

9 “(f) [*Engaging*] **Engage** community members and health care providers in improving the health
10 of the community and addressing regional, cultural, socioeconomic and racial disparities in health
11 care that exist among the coordinated care organization’s members and in the coordinated care
12 organization’s community.

13 “(2) In addition to the criteria specified in subsection (1) of this section, the authority must
14 adopt by rule requirements for coordinated care organizations contracting with the authority so
15 that:

16 “(a) Each member of the coordinated care organization receives integrated person centered care
17 and services designed to provide choice, independence and dignity.

18 “(b) Each member has a consistent and stable relationship with a care team that is responsible
19 for comprehensive care management and service delivery.

20 “(c) The supportive and therapeutic needs of each member are addressed in a holistic fashion,
21 using patient centered primary care homes, behavioral health homes or other models that support
22 patient centered primary care and behavioral health care and individualized care plans to the extent
23 feasible.

24 “(d) Members receive comprehensive transitional care, including appropriate follow-up, when
25 entering and leaving an acute care facility or a long term care setting.

26 “(e) Members receive assistance in navigating the health care delivery system and in accessing
27 community and social support services and statewide resources, including through the use of certi-
28 fied health care interpreters, as defined in ORS 413.550, community health workers and personal
29 health navigators who meet competency standards established by the authority under ORS 414.665
30 or who are certified by the Home Care Commission under ORS 410.604.

31 “(f) Services and supports are geographically located as close to where members reside as pos-
32 sible and are, if available, offered in nontraditional settings that are accessible to families, diverse
33 communities and underserved populations.

34 “(g) Each coordinated care organization uses health information technology to link services and
35 care providers across the continuum of care to the greatest extent practicable and if financially vi-
36 able.

37 “(h) Each coordinated care organization complies with the safeguards for members described in
38 ORS 414.635.

39 “(i) Each coordinated care organization convenes a community advisory council that meets the
40 criteria specified in ORS 414.627.

41 “(j) Each coordinated care organization prioritizes working with members who have high health
42 care needs, multiple chronic conditions, mental illness or chemical dependency and involves those
43 members in accessing and managing appropriate preventive, health, remedial and supportive care
44 and services to reduce the use of avoidable emergency room visits and hospital admissions.

45 “(k) Members have a choice of providers within the coordinated care organization’s network and

1 that providers participating in a coordinated care organization:

2 “(A) Work together to develop best practices for care and service delivery to reduce waste and
3 improve the health and well-being of members.

4 “(B) Are educated about the integrated approach and how to access and communicate within the
5 integrated system about a patient’s treatment plan and health history.

6 “(C) Emphasize prevention, healthy lifestyle choices, evidence-based practices, shared decision-
7 making and communication.

8 “(D) Are permitted to participate in the networks of multiple coordinated care organizations.

9 “(E) Include providers of specialty care.

10 “(F) Are selected by coordinated care organizations using universal application and credential-
11 ing procedures and objective quality information and are removed if the providers fail to meet ob-
12 jective quality standards.

13 “(G) Work together to develop best practices for culturally appropriate care and service delivery
14 to reduce waste, reduce health disparities and improve the health and well-being of members.

15 “(L) Each coordinated care organization reports on outcome and quality measures adopted under
16 ORS 414.638 and participates in the health care data reporting system established in ORS 442.464
17 and 442.466.

18 “(m) Each coordinated care organization uses best practices in the management of finances,
19 contracts, claims processing, payment functions and provider networks.

20 “(n) Each coordinated care organization participates in the learning collaborative described in
21 ORS 413.259 (3).

22 “(o) Each coordinated care organization has a governing body that includes:

23 “(A) Persons that share in the financial risk of the organization who must constitute a majority
24 of the governing body;

25 “(B) The major components of the health care delivery system;

26 “(C) At least two health care providers in active practice, including:

27 “(i) A physician licensed under ORS chapter 677 or a nurse practitioner certified under ORS
28 678.375, whose area of practice is primary care; and

29 “(ii) A mental health or chemical dependency treatment provider;

30 “(D) At least two members from the community at large, to ensure that the organization’s
31 decision-making is consistent with the values of the members and the community; and

32 “(E) At least one member of the community advisory council.

33 “(p) Each coordinated care organization’s governing body establishes standards for publicizing
34 the activities of the coordinated care organization and the organization’s community advisory
35 councils, as necessary, to keep the community informed.

36 “(3) The authority shall consider the participation of area agencies and other nonprofit agencies
37 in the configuration of coordinated care organizations.

38 “(4) In selecting one or more coordinated care organizations to serve a geographic area, the
39 authority shall:

40 “(a) For members and potential members, optimize access to care and choice of providers;

41 “(b) For providers, optimize choice in contracting with coordinated care organizations; and

42 “(c) Allow more than one coordinated care organization to serve the geographic area if neces-
43 sary to optimize access and choice under this subsection.

44 “(5) On or before July 1, 2014, each coordinated care organization must have a formal contrac-
45 tual relationship with any dental care organization that serves members of the coordinated care

1 organization in the area where they reside.

2 **“SECTION 5.** ORS 414.627 is amended to read:

3 “414.627. (1) A coordinated care organization must have a community advisory council to ensure
4 that the health care needs of the consumers and the community are being addressed. The council
5 must:

6 “(a) Include representatives of the community and of each county government served by the
7 coordinated care organization, but consumer representatives must constitute a majority of the
8 membership; and

9 “(b) Have its membership selected by a committee composed of equal numbers of county repre-
10 sentatives from each county served by the coordinated care organization and members of the gov-
11 erning body of the coordinated care organization.

12 “(2) The duties of the council include, but are not limited to:

13 “(a) Identifying and advocating for preventive care practices to be utilized by the coordinated
14 care organization;

15 “(b) Overseeing a community health assessment and adopting a community health improvement
16 plan to serve as a strategic population health and health care system service plan for the community
17 served by the coordinated care organization; and

18 “(c) Annually publishing a report on the progress of the community health improvement plan.

19 “(3) The community health improvement plan adopted by the council should describe the scope
20 of the activities, services and responsibilities that the coordinated care organization will consider
21 upon implementation of the plan. The activities, services and responsibilities defined in the plan may
22 include, but are not limited to:

23 “(a) Analysis and development of public and private resources, capacities and metrics based on
24 ongoing community health assessment activities and population health priorities;

25 “(b) Health policy;

26 “(c) System design;

27 “(d) Outcome and quality improvement;

28 “(e) Integration of service delivery; and

29 “(f) Workforce development.

30 “(4) The council shall meet at least once every three months. The council shall post a report
31 of its meetings and discussions to the website of the coordinated care organization and other
32 websites appropriate to keeping the community informed of the council’s activities. The council, the
33 governing body of the coordinated care organization or a designee of the council or governing body
34 has discretion as to whether public comments received at meetings that are open to the public will
35 be included in the reports posted to the website and, if so, which comments are appropriate for
36 posting.

37 “(5) If the regular council meetings are not open to the public and do not provide an opportunity
38 for members of the public to provide written and oral comments, the council shall hold quarterly
39 meetings:

40 “(a) That are open to the public and attended by the members of the council;

41 “(b) At which the council shall report on the activities of the coordinated care organization and
42 the council;

43 “(c) At which the council shall provide written reports on the activities of the coordinated care
44 organization; and

45 “(d) At which the council shall provide the opportunity for the public to provide written or oral

1 comments.

2 “(6) The coordinated care organization shall post to the organization’s website contact infor-
3 mation for, at a minimum, the chairperson, a member of the community advisory council or a des-
4 ignated staff member of the organization.

5 “(7) Meetings of the council are [not] subject to ORS 192.610 to 192.690.

6 “**SECTION 6.** ORS 414.025, as amended by section 9, chapter 389, Oregon Laws 2015, is
7 amended to read:
