Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 805.110 is amended to read:

805.110. (1) In the absence of just cause for refusal, the Department of Transportation shall provide for registration of any motor vehicle required to be registered by this state in a manner consistent with this section for persons who qualify as former prisoners of war under this section. The special registration provisions under this section are subject to all of the following:

[(a) The fee to register or renew registration under this section shall be the regular registration fee for the vehicle.]

(a) The fee is the one-time registration fee established under ORS 803.420 for vehicles registered under this section.

(b) The department *[shall]* **may** not register a motor vehicle under this section if another vehicle owned by the applicant or a member of the applicant's household has been registered under this section.

(c) The department *[shall]* **may** not register any commercial vehicle under this section or any motor vehicle with a loaded weight in excess of 10,000 pounds.

(2) A person is a former prisoner of war who qualifies for registration of a vehicle under this section if the person, while serving in the active military, naval or air service of the United States or any of its Allies, was forcibly detained or interned in line of duty:

(a) By an enemy government or its agents, or a hostile force, during a period of war; or

(b) By a foreign government or its agents, or a hostile force during a period other than a period of war in which such person was held under circumstances which the department finds to have been comparable to the circumstances under which persons have generally been forcibly detained or interned by enemy governments during periods of war.

(3) The surviving spouse of a former prisoner of war who was issued registration under this section may, upon the death of the former prisoner of war, continue to use the registration plates on a motor vehicle or may keep the plates as a memento.

(4) The department may suspend or revoke any registration issued under this section if the department determines that the vehicle is owned by a person not qualified for registration under this section or the vehicle is a kind not qualified for registration under this section.

SECTION 2. ORS 801.041 is amended to read:

801.041. The following apply to the authority granted to counties by ORS 801.040 to establish registration fees for vehicles:

(1) An ordinance establishing registration fees under this section must be enacted by the county imposing the registration fee and filed with the Department of Transportation. Notwithstanding ORS 203.055 or any provision of a county charter, the governing body of a county with a population of 350,000 or more may enact an ordinance establishing registration fees. The governing body of a county with a population of less than 350,000 may enact an ordinance establishing registration fees after submitting the ordinance to the electors of the county for their approval. The governing body of the county imposing the registration fee shall enter into an intergovernmental agreement under ORS 190.010 with the department by which the department shall collect the registration fees, pay them over to the county and, if necessary, allow the credit or credits described in ORS 803.445 (5). The intergovernmental agreement must state the date on which the department shall begin collecting registration fees for the county.

(2) The authority granted by this section allows the establishment of registration fees in addition to those described in ORS 803.420. There is no authority under this section to affect registration periods, qualifications, cards, plates, requirements or any other provision relating to vehicle registration under the vehicle code.

(3) Except as otherwise provided for in this subsection, when registration fees are imposed under this section, they must be imposed on all vehicle classes. Registration fees as provided under this section may not be imposed on the following:

(4) Any registration fee imposed by a county must be a fixed amount not to exceed, with respect to any vehicle class, the registration fee established under ORS 803.420 (1). For vehicles on which a flat fee is imposed under ORS 803.420, the fee must be a whole dollar amount.

(5) Moneys from registration fees established under this section must be paid to the county establishing the registration fees as provided in ORS 802.110. The county ordinance shall provide for payment of at least 40 percent of the moneys to cities within the county unless a different distribution is agreed upon by the county and the cities within the jurisdiction of the county. The moneys for the cities and the county shall be used for any purpose for which moneys from registration fees may be used, including the payment of debt service and costs related to bonds or other obligations issued for such purposes.

(6) Two or more counties may act jointly to impose a registration fee under this section. The ordinance of each county acting jointly with another under this subsection must provide for the distribution of moneys collected through a joint registration fee.

SECTION 3. ORS 801.042 is amended to read:

801.042. The following apply to the authority granted to a district by ORS 801.040 to establish registration fees for vehicles:

(1) Before the governing body of a district can impose a registration fee under this section, it must submit the proposal to the electors of the district for their approval and, if the proposal is approved, enter into an intergovernmental agreement under ORS 190.010 with the governing bodies of all counties, other districts and cities with populations of over 300,000 that overlap the district. The intergovernmental agreement must state the registration fees and, if necessary, how the revenue from the fees shall be apportioned among counties and the districts. Before the governing body of a county can enter into such an intergovernmental agreement, the county shall consult with the cities in its jurisdiction.

(2) If a district raises revenues from a registration fee for purposes related to highways, roads, streets and roadside rest areas, the governing body of that district shall establish a Regional Arterial Fund and shall deposit in the Regional Arterial Fund all such registration fees.

(3) Interest received on moneys credited to the Regional Arterial Fund shall accrue to and become a part of the Regional Arterial Fund.

(4) The Regional Arterial Fund must be administered by the governing body of the district referred to in subsection (2) of this section and such governing body by ordinance may disburse moneys in the Regional Arterial Fund. Moneys within the Regional Arterial Fund may be disbursed only for a program of projects recommended by a joint policy advisory committee on transportation consisting of local officials and state agency representatives designated by the district referred to in subsection (2) of this section. The projects for which the joint policy advisory committee on transportation can recommend funding must concern arterials, collectors or other improvements designated by the joint policy advisory committee on transportation.

(5) Ordinances establishing registration fees under this section must be filed with the Department of Transportation. The governing body of the district imposing the registration fee shall enter into an intergovernmental agreement under ORS 190.010 with the department by which the department shall collect the registration fees, pay them over to the district and, if necessary, allow the credit or credits described in ORS 803.445 (5). The intergovernmental agreement must state the date on which the department shall begin collecting registration fees for the district.

(6) The authority granted by this section allows the establishment of registration fees in addition to those described in ORS 803.420. There is no authority under this section to affect registration periods, qualifications, cards, plates, requirements or any other provision relating to vehicle registration under the vehicle code.

For vehicles on which a flat fee is imposed under ORS 803.420, the fee must be a whole dollar amount.

SECTION 4. ORS 803.350 is amended to read:

803.350. This section establishes the requirements for qualification for registration. The Department of Transportation shall not issue registration to a vehicle if the requirements under this section are not met. The department, in the absence of just cause for refusing to register a vehicle upon application, shall assign a distinctive number or other distinctive means of identification and shall issue registration for a vehicle if all of the following requirements are met:

The department shall determine by rule what constitutes proof of domicile.

(6) The applicant owns a vehicle that qualifies under ORS 803.360 (2) for registration in this state, if the owner is not domiciled in this state and is not required by ORS 803.200, or any other provision of law, to register the vehicle in this state.

(9) If required to do so by the department, the applicant provides the department with satisfactory proof that the vehicle was designed to be operated on highways and meets equipment requirements imposed by statute or rule for the lawful operation of a vehicle on highways. The department may adopt rules specifying the kinds of vehicles that are subject to this subsection and what constitutes satisfactory proof under this subsection.
