Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2017 Act is added to and made a part of ORS 294.305 to 294.565.

SECTION 2. (1) If the voters of a municipal corporation approve the issuance of general obligation bonds at a May election, the budget of the municipal corporation adopted under ORS 294.456 or a supplemental budget adopted under ORS 294.471 may include estimated requirements to pay debt service on the bonds during the ensuing year or each of the years of the ensuing budget period.

(2) On or after July 1 and before September 15 following the election described in subsection (1) of this section, the governing body of the municipal corporation may adopt an ordinance or resolution imposing and categorizing a tax levy necessary to pay the estimated debt service on the bonds described in subsection (1) of this section. The portion of an ordinance or resolution that is adopted under this subsection does not become effective until the debt is incurred.

(3) The assessor of the county in which the municipal corporation is located shall accept a written notice certifying the estimated amount of ad valorem property taxes to be imposed by the municipal corporation pursuant to an ordinance or resolution adopted under subsection (2) of this section, or of a subsequent ordinance or resolution imposing and categorizing a tax levy in an amount that is less than the amount imposed under subsection (2) of this section, on or before September 15 of the property tax year, provided the governing body of the municipal corporation timely files for an extension under ORS 310.060.

SECTION 3. ORS 294.471 is amended to read:

294.471. (1) Notwithstanding requirements as to estimates of and limitation on expenditures, during the fiscal year or budget period for which the original budget was adopted, the governing body of a municipal corporation may make one or more supplemental budgets under any of the following circumstances:

(a) An occurrence or condition that is not ascertained when preparing the original budget or a previous supplemental budget for the current year or current budget period and that requires a change in financial planning.

(b) A pressing necessity that could not reasonably be foreseen when preparing the original budget or a previous supplemental budget for the current year or current budget period and that requires prompt action.

(c) Funds that are made available by another unit of federal, state or local government and the availability of which could not reasonably be foreseen when preparing the original budget or a previous supplemental budget for the current year or current budget period.

(d) A request for services or facilities the cost of which is to be supplied by a private individual, corporation or company or by another governmental unit and the amount of which could not be accurately estimated when preparing the original budget or a previous supplemental budget for the current year or current budget period.

(e) Proceeds from the involuntary destruction, involuntary conversion, or sale of property that necessitates the immediate purchase, construction or acquisition of different facilities in order to carry on governmental operations.

(f) Ad valorem property taxes that are received during the fiscal year or budget period in an amount sufficiently greater than the amount estimated to be collected such that the difference will significantly affect the level of government operations to be funded by the taxes as provided in the original budget or a previous supplemental budget for the current year or current budget period.

(g) A local option tax described in ORS 294.476 that is certified for extension on the assessment and tax roll under ORS 310.060 for the fiscal year or budget period in which the local option tax measure is approved by voters.

(i) The original budget of the municipal corporation adopted under ORS 294.456 did not include estimated requirements to pay debt service pursuant to section 2 of this 2017 Act or the actual requirements are different from the estimated requirements included in the original budget or a previous supplemental budget.

(2) A supplemental budget may not extend beyond the end of the fiscal year or budget period during which it is submitted.

(3)(a) If the amended estimated expenditures contained in an individual fund that is being changed by a supplemental budget differ by 10 percent or less from the expenditures in the budget as most recently amended prior to the supplemental budget, the governing body of the municipal corporation may adopt the supplemental budget at a regular meeting of the governing body.

(b) Notice of a regular meeting convened pursuant to paragraph (a) of this subsection, including a statement that a supplemental budget will be considered at the meeting, must be published not less than five days before the meeting.

(c) Additional expenditures contained in a supplemental budget described in this subsection may not be made unless the governing body of the municipal corporation enacts appropriation ordinances or resolutions authorizing the expenditures. The ordinances or resolutions must state the need for and the purpose and amount of the appropriation.

(4) Except as provided in ORS 294.476, the making of a supplemental budget does not authorize the governing body to increase the municipal corporation's total ad valorem property taxes above the amount or rate published with the regular budget and certified to the assessor under ORS 310.060 in conjunction with the regular budget for the fiscal year or for each fiscal year of the budget period to which the supplemental budget applies.

For the purposes of this section, the city-county shall be considered to be a continuation of each municipal corporation consolidated, merged or dissolved in the formation of the city-county.

(2) As used in subsection (1) of this section:

(a) "Fiscal year" has the meaning given that term in ORS 294.311.

(b) "Municipal corporation" has the meaning given that term in ORS 294.311.

SECTION 7. ORS 261.200 is amended to read:

261.200. (1) If a majority of votes cast at the election favors formation of the people's utility district and authorization of the district to impose a special levy for the purposes stated in the petition for formation, or annexation of a parcel of territory or a city to an existing district, or consolidation of two or more districts, as the case may be, and in conformity with provisions of ORS 261.105 and 261.110, the county governing body shall issue a proclamation accordingly and file a certified copy with the county clerk of each county where the district or any portion thereof is located. The proclamation for formation of a district shall be in substantially the following form:

Now, therefore, the undersigned hereby does proclaim and declare that all of that part of the State of Oregon, described as (here insert description) has been duly and legally incorporated as the _____ People's Utility District under and pursuant to the Constitution and laws of the State of Oregon, and the district has the authority to collect the sum of \$_____ by special levy against the taxable property within the district.

(3) The proclamation of formation, with the notice of boundary change under ORS 308.225, shall be filed by the district with the county assessor of each county in which any portion of the district is situated, who shall thereupon enter the special levy.

(4) Expenditure of the moneys received from the special levy for the purposes stated in the petition for district formation may be made by the district without prior adoption of a budget under ORS 294.305 to [294.520] **294.565**.

(5) Following proclamation of formation of a district, any person whose property has been improperly included within a district, contrary to the provisions of ORS 261.110 (5) or (7), may petition a county governing body to revise the district boundaries to exclude the property. After notice to the district, and a hearing on the petition, the county governing body shall revise the district boundaries to exclude such property as it finds should not have been included within the district under the standards set forth in ORS 261.110 (5) or (7). Upon such findings and boundary revisions a district shall be permitted to refund related taxes paid that are based upon assessments made after January 1, 1978. Boundary revisions shall comply with ORS 308.225. The remedy provided in this subsection shall be available only to persons owning property in districts which were formed after January 1, 1978.

SECTION 8. ORS 294.175 is amended to read:

294.175. (1) As used in this section and ORS 294.178 to 294.187:

(a) "Department" means the Department of Revenue.

(b) "Expenditures" has the meaning given the term for purposes of ORS 294.305 to [294.520] **294.565** and may be further defined by rule of the department. "Expenditures" does not include any item or class of items that cannot reasonably be allocated to an organizational unit.

(c) "Expenditures for assessment and taxation" means expenditures for any of the activities, functions or services required of a county in the assessment, equalization, levy, collection or distribution of property taxes under ORS chapters 305, 306, 307, 308, 308A, 309, 310, 311, 312 and 321. "Expenditures for assessment and taxation" specifically includes expenditures for appraising county-appraised industrial property, if the responsibility for making the appraisal has been delegated by the department to a county assessor under ORS 306.126 (3).

(d) "Grant" has the meaning given the term for purposes of ORS 294.305 to [294.520] **294.565**, and is further described under ORS 294.178.

(2) On or before May 1 of each year, each county shall file with the department a true copy of its estimates of expenditures for assessment and taxation for the ensuing year as prepared for purposes of ORS 294.388 but in accordance with any rules adopted by the department.

(3) Upon receipt of the estimate, the department shall review the estimate to determine its adequacy to provide the resources needed to achieve compliance with ORS 308.232 and 308.234, ORS chapter 309 and other laws requiring equality and uniformity in the system of property taxation within the county in order that the same equality and uniformity may be achieved throughout the state.

(4) If, upon initial review of the estimate, the department determines that the proposed expenditures, or any of them, are not at the level or of the type needed to achieve adequacy, the department shall notify the county governing body. The notice shall contain an explanation of the reasons for the determination and may describe specific items or classifications of expenditure which the department has determined are required, or are not required, in order to achieve adequacy. The notice shall fix the date upon which a conference with the county governing body or representatives of the county governing body shall be held.

(5)(a) Subject to paragraph (b) of this subsection, if, upon initial review, or upon or after conference held on the date specified in the notice under subsection (4) of this section, or another date or dates convenient to the department and the county governing body, the department determines

that the expenditures as initially filed, or that the expenditures as agreed upon at the conference, are at the level and of the type needed to achieve adequacy for that year or over a period of years under a plan presented as described under ORS 294.181, the department shall certify to the county governing body that its estimate of expenditures for assessment and taxation so determined are adequate and that the county will be included in the computation made under ORS 294.178 for the purpose of determining the amount of that county's quarterly grant. The department shall include in the certification an estimate of the percentage share of the funds available in the County Assessment Function Funding Assistance Account that the county will receive under ORS 294.178 and an estimate of the total amount of the grant that will be forthcoming to the county from that account for the ensuing year on account of the certification.

(b) The department shall not certify expenditures under this subsection that the department determines are in excess of the expenditures necessary to meet the requirements of subsection (3) of this section.

(6) Any certification issued under subsection (5) of this section shall be issued as of the June 15 following the filing of the estimate of expenditures under subsection (2) of this section. If, as of June 15, agreement has not been reached between the department and the county governing body upon the estimate, the department shall issue a denial of certification.

(7) A county may appeal the determination of the department under subsection (5)(b) of this section or the denial of certification issued under subsection (6) of this section to the Director of the Oregon Department of Administrative Services. Appeal shall be filed within 10 days after the date that the denial of certification is issued. The sole issue upon appeal shall be the adequacy of expenditures for assessment and taxation as filed with the department under subsection (2) of this section, and the determination, if any, made by the department under subsection (5)(b) of this section. If the Oregon Department of Administrative Services does not issue an order approving the expenditures before July 1 of the fiscal year for which the expenditures are proposed, the certification for purposes of ORS 294.175 to 294.187 shall be considered denied.

SECTION 9. ORS 478.410 is amended to read:

478.410. (1) To provide funds for defraying expenses for the establishment, equipment and maintenance of the district, the district board may provide for a tax on the assessed value of all taxable property within the district.

(2) To carry into effect any of the powers granted to the district, the district, when authorized by a majority of the voters voting at an election called for that purpose, may borrow money and sell and dispose of general obligation bonds. The total outstanding general obligation bonds, together with liabilities outstanding incurred under rental or lease-purchase agreements authorized by subsection (3) of this section, may not exceed one and one-fourth percent (0.0125) of the real market value of all taxable property within the district, computed in accordance with ORS 308.207.

(3) The district board may enter into rental or lease-purchase agreements to rent, lease or acquire real or personal property, or both, required for fire-protection purposes. Except for agreements to rent, lease or acquire real property, an agreement may not run for more than 10 years or be subject to renewal. The aggregate principal obligations under the agreements, and under other like agreements, with outstanding bonded indebtedness, may not exceed the limitation imposed by subsection (2) of this section. ORS 294.305 to [294.520] **294.565** do not affect or restrict the right of any district to enter into an agreement described in this subsection.

(4) Unless expressly prohibited by the documents creating the district, a district board may adopt an ordinance as provided under ORS 198.510 to 198.600 to create a fee for any service provided by the district. A fee created under authority of this section may not exceed the cost to the district of providing the service. The fee authority granted to a board by this subsection is in addition to any authority granted to a board under local law or by the documents creating the district. Notwithstanding ORS 198.600, the failure to pay a fee created under authority of this section is not a violation punishable under ORS 198.600.

SECTION 10. ORS 553.720 is amended to read:

553.720. The ad valorem tax provided for in ORS 553.710 shall be levied and collected in the manner otherwise provided by law for the levy and collection of [real] property taxes. Thereafter the levy shall be equalized and the tax collected and turned over to the district as otherwise provided by law for public corporations.

SECTION 11. ORS 568.806 is amended to read:

568.806. (1) When authorized to become a taxing district by the eligible electors of the district as provided in ORS 568.807, a district may assess, levy and collect an ad valorem tax each year on [the real market value of] all taxable property within the limits of the district. The proceeds of the tax shall be applied in carrying out the purposes of ORS 568.210 to 568.808 and 568.900 to 568.933.

(2) In any year in which the ad valorem tax provided for in subsection (1) of this section is levied, the directors of the district shall prepare a budget in the form, manner and time prescribed in ORS 294.305 to [294.520] **294.565** (the Local Budget Law), and in accordance therewith shall fix the amount of money to be raised by taxation for the district.

(3) Any taxes levied in any year shall be returned to the county officer, whose duty it is to extend the tax roll in the manner provided in ORS 310.060.

(4) All taxes levied by a district shall become payable at the same time and be collected by the same officer who collects county taxes, and shall be turned over to the district according to law. The county officer whose duty it is to extend the county levy shall extend the levy of the district in the same manner as city taxes are extended.

(5) Property shall be subject to sale for nonpayment of taxes levied by a district in like manner and with like effect as in the case of county and state taxes.

SECTION 12. ORS 294.476 is amended to read:
