3 “**SECTION 1.** ORS 161.370 is amended to read:

4 “161.370. (1) When the defendant’s fitness to proceed is drawn in question, the issue shall be
5 determined by the court. If neither the prosecuting attorney nor counsel for the defendant contests
6 the finding of the report filed under ORS 161.365, the court may make the determination on the basis
7 of the report. If the finding is contested, the court shall hold a hearing on the issue. If the report
8 is received in evidence in the hearing, the party who contests the finding has the right to summon
9 and to cross-examine any psychiatrist or psychologist who submitted the report and to offer evidence
10 upon the issue. Other evidence regarding the defendant’s fitness to proceed may be introduced by
11 either party.

12 “(2) If the court determines that the defendant lacks fitness to proceed, the criminal proceeding
13 against the defendant shall be suspended and:

14 “(a) If the court finds that the defendant is dangerous to self or others as a result of mental
15 disease or defect, or that, based on the findings resulting from the consultation described in ORS
16 161.365 (1), the services and supervision necessary to restore the defendant’s fitness to proceed are
17 not available in the community, the court shall commit the defendant to the custody of the super-
18 intendent of a state mental hospital or director of a facility, designated by the Oregon Health Au-
19 thority, if the defendant is at least 18 years of age, or to the custody of the director of a secure
20 intensive community inpatient facility designated by the authority if the defendant is under 18 years
21 of age; or

22 “(b) If the court does not make a finding described in paragraph (a) of this subsection, or if the
23 court determines that care other than commitment for incapacity to stand trial would better serve
24 the defendant and the community, the court shall release the defendant on supervision for as long
25 as the unfitness endures.

26 “(3) When a defendant is released on supervision under subsection (2)(b) of this section, the
27 court may place conditions that the court deems appropriate on the release, including the require-
28 ment that the defendant regularly report to the authority or a community mental health program for
29 examination to determine if the defendant has gained or regained capacity to stand trial.

30 “(4) When the court, on its own motion or upon the application of the superintendent of the
31 hospital or director of the facility in which the defendant is committed, a person examining the de-
32 fendant as a condition of release on supervision, or either party, determines, after a hearing, if a
33 hearing is requested, that the defendant has gained or regained fitness to proceed, the criminal
34 proceeding shall be resumed. If, however, the court is of the view that so much time has elapsed
35 since the commitment or release of the defendant on supervision that it would be unjust to resume

1 the criminal proceeding, the court on motion of either party may dismiss the charge and may order
2 the defendant to be discharged or cause a proceeding to be commenced forthwith under ORS 426.070
3 to 426.170 or 427.235 to 427.290.

4 “(5) The superintendent of a state hospital or director of a facility to which the defendant is
5 committed shall cause the defendant to be evaluated within 60 days from the defendant’s delivery
6 into the superintendent’s or director’s custody, for the purpose of determining whether there is a
7 substantial probability that, in the foreseeable future, the defendant will have the capacity to stand
8 trial. In addition, the superintendent or director shall:

9 “(a) Immediately notify the committing court if the defendant, at any time, gains or regains the
10 capacity to stand trial or will never have the capacity to stand trial.

11 “(b) Within 90 days of the defendant’s delivery into the superintendent’s or director’s custody,
12 notify the committing court that:

13 “(A) The defendant has the present capacity to stand trial;

14 “(B) There is no substantial probability that, in the foreseeable future, the defendant will gain
15 or regain the capacity to stand trial; or

16 “(C) There is a substantial probability that, in the foreseeable future, the defendant will gain
17 or regain the capacity to stand trial. If the probability exists, the superintendent or director shall
18 give the court an estimate of the time in which the defendant, with appropriate treatment, is ex-
19 pected to gain or regain capacity.

20 “(6)(a) If the superintendent or director determines that there is a substantial probability that,
21 in the foreseeable future, the defendant will gain or regain the capacity to stand trial, unless the
22 court otherwise orders, the defendant shall remain in the superintendent’s or director’s custody
23 where the defendant shall receive treatment designed for the purpose of enabling the defendant to
24 gain or regain capacity. In keeping with the notice requirement under subsection (5)(b) of this sec-
25 tion, the superintendent or director shall, for the duration of the defendant’s period of commitment,
26 submit a progress report to the committing court, concerning the defendant’s capacity or incapacity,
27 at least once every 180 days as measured from the date of the defendant’s delivery into the
28 superintendent’s or director’s custody.

29 “(b) Notwithstanding paragraph (a) of this subsection, if the superintendent or director deter-
30 mines that a defendant committed under this section is no longer dangerous to self or others as a
31 result of mental disease or defect, or that the services and supervision necessary to restore the
32 defendant’s fitness to proceed are available in the community, the superintendent or director shall
33 file notice of that determination with the court. Upon receipt of the notice, the court shall order the
34 person released on supervision as described in subsection (3) of this section.

35 “(7)(a) A defendant who remains committed under subsection (6) of this section shall be dis-
36 charged within a period of time that is reasonable for making a determination concerning whether
37 or not, and when, the defendant may gain or regain capacity. However, regardless of the number
38 of charges with which the defendant is accused, in no event shall the defendant be committed for
39 longer than whichever of the following, measured from the defendant’s initial custody date, is
40 shorter:

41 “(A) Three years; or

42 “(B) A period of time equal to the maximum sentence the court could have imposed if the de-
43 fendant had been convicted.

44 “(b) For purposes of calculating the maximum period of commitment described in paragraph (a)
45 of this subsection:

1 “(A) The initial custody date is the date on which the defendant is first committed under this
2 section on any charge alleged in the accusatory instrument; and

3 “(B) The defendant shall be given credit against each charge alleged in the accusatory instru-
4 ment:

5 “(i) For each day the defendant is committed under this section, whether the days are consec-
6 utive or are interrupted by a period of time during which the defendant has gained or regained fit-
7 ness to proceed[.]; **and**

8 **“(ii) Unless the defendant is charged with aggravated murder or a crime listed in ORS**
9 **137.700 (2), for each day the defendant is held in jail, whether the days are consecutive or**
10 **are interrupted by a period of time during which the defendant lacks fitness to proceed.**

11 “(8) The superintendent or director shall notify the committing court of the defendant’s im-
12 pending discharge 30 days before the date on which the superintendent or director is required to
13 discharge the defendant under subsection (7) of this section.

14 “(9) When the committing court receives a notice from the superintendent or director under
15 subsection (5) or (8) of this section concerning the defendant’s progress or lack thereof, the com-
16 mitting court shall determine, after a hearing, if a hearing is requested, whether the defendant
17 presently has the capacity to stand trial.

18 “(10) If at any time the court determines that the defendant lacks the capacity to stand trial,
19 the court shall further determine whether there is a substantial probability that the defendant, in
20 the foreseeable future, will gain or regain the capacity to stand trial and whether the defendant is
21 entitled to discharge under subsection (7) of this section. If the court determines that there is no
22 substantial probability that the defendant, in the foreseeable future, will gain or regain the capacity
23 to stand trial or that the defendant is entitled to discharge under subsection (7) of this section, the
24 court shall dismiss, without prejudice, all charges against the defendant and:

25 “(a) Order that the defendant be discharged; or

26 “(b) Initiate commitment proceedings under ORS 426.070 or 427.235 to 427.290.

27 “(11) All notices required under this section shall be filed with the clerk of the court and de-
28 livered to both the district attorney and the counsel for the defendant.

29 “(12) If the defendant gains or regains fitness to proceed, the term of any sentence received by
30 the defendant for conviction of the crime charged shall be reduced by the amount of time the de-
31 fendant was committed under this section to the custody of a state mental hospital, or to the custody
32 of a secure intensive community inpatient facility, designated by the Oregon Health Authority.

33 “(13) Notwithstanding the suspension of the criminal proceeding under subsection (2) of this
34 section, the fact that the defendant is unfit to proceed does not preclude any objection through
35 counsel and without the personal participation of the defendant on the grounds that the indictment
36 is insufficient, that the statute of limitations has run, that double jeopardy principles apply or upon
37 any other ground at the discretion of the court which the court deems susceptible of fair determi-
38 nation prior to trial.”.
