17 loans, savings and scholarships.

18 (c) The student share for a student who attends a community college may not exceed the amount  
19 that the *[executive]* director determines a student may earn based on the number of hours of work

38 network account established under ORS 178.300 to 178.355.

39 (8) Subject to subsection (9) of this section, if the *[executive]* director determines that there are  
40 insufficient moneys to award the state share to all qualified students, the *[executive]* director:

 23 allowed under this paragraph may not exceed 90 days.

19 (b) In implementing this subsection, the commissioner shall require fingerprints and criminal

22 section may be used for the purpose of requesting a state or nationwide criminal records check  
23 under ORS 181A.195.

24 (6) In order to qualify for a real estate broker’s license, a real estate salesperson licensed in  
25 another state or country must successfully complete a course of study and pass a real estate

41 (d) If previously convicted for a criminal offense, provide information, as required by the De-

 18 be fingerprinted as part of the licensing procedure.

19 (4) Notwithstanding ORS 181A.195 (5) and (6), the Department of State Police shall maintain in  
 20 the department's files fingerprint cards submitted to it for purposes of conducting a state or na-  
 21 tionwide criminal records check under ORS 181A.195 on applicants for a license as a general

38 (A) Enrolled in a school of this state, or any other state or any other country;

39 (B) Enrolled in a community college and making satisfactory progress toward a **certificate for**

1 (2) The department may not issue driving privileges to a person who is under 18 years of age  
 2 and whose driving privileges are suspended under ORS 809.423 (3) for withdrawing from school un-

28 **SECTION 31.** ORS 809.380 is amended to read:

29 809.380. All of the following apply to a person whose driving privileges have been suspended:

30 (1) The period of suspension shall last as long as provided for that particular suspension by law.

31 (2) During the period of suspension, the person is not entitled to exercise any driving privileges  
 32 in this state except as provided under this subsection. Unless otherwise specifically provided by law,  
 33 a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship  
 34 driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

35 (3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon re-  
 36 quest of the person, the suspended driving privileges and any license or driver permit that evidences  
 37 the driving privileges. The reissuance shall be without requalification by the person except that the  
 38 department may require the person to furnish evidence satisfactory to the department that the per-  
 39 son is qualified to continue to exercise driving privileges in this state before the department reissues  
 40 the driving privileges.

41 (4) The department may not issue any driving privileges in contradiction to this section.

42 (5) If the person fails to surrender to the department any license or driver permit issued as ev-  
 43 idence of driving privileges that are suspended, the person is subject to the penalties under ORS  
 44 809.500.

45 (6) No reinstatement of suspended driving privileges will be made by the department until the

1 fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or  
 2 waived by the department. The department may waive the reinstatement fee for any of the following  
 3 reasons:

4 (a) The suspension occurred under ORS 809.419 for failure to take an examination upon request  
 5 of the department under ORS 807.340.

6 (b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance  
 7 upon request of the department under ORS 807.070 or 807.090.

8 (c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or  
 9 having a mental or physical condition or impairment that affects the person's ability to safely op-  
 10 erate a motor vehicle.

11 (d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a  
 12 hospital under ORS 807.700 that a person should not drive.

13 (e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375  
 14 that a person charged with a traffic offense has been found guilty except for insanity.

15 (f) The department committed an error in issuing the suspension.

16 (g) The suspension was the result of an error committed by an insurance company in issuing or  
 17 failing to issue a certification of insurance or in canceling a certification of insurance filed with the  
 18 department under ORS 806.270.

19 (h) The department issued the suspension without error because the person failed to respond as  
 20 required under ORS 806.160 or to furnish proof of exemption under ORS 806.210 from the filing re-  
 21 quirement of ORS 806.200, but the department later determines that the person in fact was in com-  
 22 pliance with financial responsibility requirements as of the date of the department's letter of  
 23 verification under ORS 806.150 or at the time of an accident described in ORS 806.200.

24 (i) The department issued the suspension without error because the person was not in compli-  
 25 ance with financial responsibility requirements as of the date of the department's letter of verifica-  
 26 tion under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department  
 27 later determines that the person reasonably and in good faith believed that the person was in com-  
 28 pliance with financial responsibility requirements on the date of the department's letter of verifica-  
 29 tion or at the time of the accident.

30 (j) The suspension was the result of an error committed by an insurance company in notifying  
 31 the department regarding the correctness of a certification under ORS 806.150.

32 (k) The suspension occurred because the person failed to make future responsibility filings but  
 33 the department later determines that the reason for the failure was that the person was a military  
 34 reservist or a member of a national guard unit that was ordered to active military duty to a location  
 35 outside of the United States. The effective date of the military orders must be prior to the effective  
 36 date of a suspension issued by the department for failure to make a future responsibility filing.

37 (L) The department issued the suspension without error because the department received a no-  
 38 tice to suspend from a court under ORS 809.210 or 809.220, but the department later determines that  
 39 the person in fact was in compliance with the requirements of the court prior to the effective date  
 40 of the suspension.

41 (7) The department shall waive the reinstatement fee for a person whose driving privileges were  
 42 suspended under ORS 809.423 (3) if the person:

43 (a) Has graduated from high school and provides the department with proof of graduation sat-  
 44 isfactory to the department; or

45 (b) Has received a **certificate for passing an approved high school equivalency test such**

1 **as the** General Educational Development (GED) [*certificate*] **test** from a community college and  
 2 provides the department with proof of the certificate satisfactory to the department.

3 **SECTION 32.** Section 2, chapter 109, Oregon Laws 2016, is amended to read:

4 **Sec. 2.** (1) As used in this section, “post-graduate scholar” means a student who:

- 5 (a) Has been in grades 9 through 12 for more than a total of four school years; and
- 6 (b) Has satisfied the requirements for a high school diploma as provided in ORS 329.451 (2).

7 (2) A school district may establish a program under this section to allow:

8 (a) A post-graduate scholar who satisfies the requirements of subsection (3) of this section to:

9 (A) Enroll in courses at a community college that are part of a course of study approved by the  
 10 school district and that may lead to a certificate or diploma;

11 (B) Enroll in the courses described in subparagraph (A) of this paragraph for one school year  
 12 after the post-graduate scholar has satisfied the requirements for a high school diploma as provided  
 13 in ORS 329.451 (2); and

14 (C) Have the school district pay the costs incurred for the courses described in subparagraph  
 15 (A) of this paragraph, including tuition, fees and books.

16 (b) A school district that satisfies the requirements of subsection (4) of this section to receive  
 17 and expend moneys distributed from the State School Fund under ORS 327.013 for the purpose of  
 18 paying the costs described in paragraph (a)(C) of this subsection.

19 (3) A post-graduate scholar qualifies to participate in a program established under this section  
 20 if the post-graduate scholar:

21 (a) Has completed and submitted the Free Application for Federal Student Aid, if eligible to file  
 22 the application;

23 (b) Is not eligible for a grant under the Oregon Promise program described in ORS 341.522 be-  
 24 cause of failure to earn the minimum cumulative grade point average, or submitted a complete ap-  
 25 plication for a grant under the Oregon Promise program by the established deadline but did not  
 26 receive a grant;

27 (c) Is not eligible for a federal aid grant that is equal to or more than the average cost of tuition  
 28 and fees at a community college, as determined by the Department of Education after consultation  
 29 with the [*Executive*] Director of the Office of Student Access and Completion; and

30 (d) Retains a legal residence within the boundaries of the school district through which the  
 31 post-graduate scholar satisfied the requirements for a high school diploma.

32 (4) A school district may receive and expend moneys distributed from the State School Fund  
 33 under ORS 327.013 for a program established under this section if the school district meets all of  
 34 the following criteria:

35 (a) Has a policy for the program that is adopted by the school district board and that describes:

36 (A) The goals of the program, including target high school graduation rates for underserved  
 37 students;

38 (B) Minimum requirements for grade point average, attendance and participation in regular in-  
 39 person meetings with school district staff to monitor student progress;

40 (C) The manner by which the results of the program will be measured and monitored; and

41 (D) The courses of study that are approved by the school district for the purpose of this section.

42 (b) Enters into a written agreement with the community college that has a service area within  
 43 which the school district is located.

44 (c) Has dedicated staff to provide support services to post-graduate scholars, including regular  
 45 in-person meetings to monitor student progress that occur at least twice each month.

1 (d) Ensures that a majority of students from the school district who are enrolled in courses at  
2 a community college meet at least one of the criteria identified in this paragraph. The student:

3 (A) Is not a post-graduate scholar;

4 (B) Has received a modified diploma, an extended diploma or a **certificate for passing an ap-**  
5 **proved high school equivalency test such as the** General Educational Development (GED) [*cer-*  
6 *tificate*] **test**;

7 (C) Was enrolled in an alternative high school program within the preceding 12 months;

8 (D) Is, or will be, a first-generation graduate of high school;

9 (E) Is, or has been, a child in a foster home;

10 (F) Is, or has been, placed in a facility or an education program by a court;

11 (G) Is homeless;

12 (H) Is a parent; or

13 (I) Was identified as eligible for free or reduced price lunches within the preceding 12 months.

14 (5) Notwithstanding ORS 327.013, the weighted average daily membership assigned for each  
15 post-graduate scholar shall be adjusted as follows:

16 (a) By subtracting 0.25 from the average daily membership assigned for each post-graduate  
17 scholar participating in the program established under this section; and

18 (b) Without adding any amounts identified in ORS 327.013 (1)(c)(A).

19 (6) For purposes of this section, a school district may not counsel or assist a student to delay  
20 receiving a high school diploma for the purpose of participating in a school-sponsored, post-  
21 secondary education program.

22 (7) Nothing in this section:

23 (a) Prohibits a school district from receiving or expending moneys related to the education of  
24 post-graduate scholars that are not received or expended for purposes of this section, as long as the  
25 school district does not receive or expend State School Fund distributions under ORS 327.013 for  
26 those purposes.

27 (b) Requires a post-graduate scholar to accept or use any federal grant moneys to offset costs  
28 of tuition, fees or books incurred by a post-graduate scholar at a community college.

29 (c) Requires a school district to add or extend existing bus routes or other transportation ser-  
30 vices for post-graduate scholars. Any transportation costs incurred by a school district to add or  
31 extend existing bus routes or other transportation services are not considered approved transpor-  
32 tation costs for the purposes of ORS 327.013. Nothing in this paragraph prohibits post-graduate  
33 scholars from using existing bus routes or transportation services provided by the school district.

34 (8) Notwithstanding subsection (3) of this section, a post-graduate scholar may not accept or use  
35 any federal grant moneys to offset costs of tuition, fees or books incurred by a post-graduate scholar  
36 at a community college.

37 (9) A school district may receive or expend moneys distributed from the State School Fund un-  
38 der ORS 327.013 for post-graduate scholars who enroll in courses at a community college only if the  
39 post-graduate scholars are enrolled in the courses as part of a program established under this sec-  
40 tion.

42 **NAME CHANGE: EXECUTIVE DIRECTOR OF THE OFFICE**  
43 **OF STUDENT ACCESS AND COMPLETION TO**  
44 **DIRECTOR OF THE OFFICE OF**  
45 **STUDENT ACCESS AND COMPLETION**

**SECTION 33.** ORS 348.250 is amended to read:

348.250. (1) Grants established under ORS 348.260 shall be awarded by the Higher Education Coordinating Commission in the manner provided in this section.

(2) Persons interested in obtaining a grant established under ORS 348.260 may apply to the [Executive] Director of the Office of Student Access and Completion for a grant.

(3) The [executive] director shall screen or cause to be screened the applications and shall determine for each available grant the person best qualified to receive that grant. A qualified applicant is eligible to receive a grant established under ORS 348.260 if:

(a) The applicant's financial need is such that in the opinion of the [executive] director financial aid is warranted; and

(b) The applicant plans to be a student at the eligible post-secondary institution where the grant is to be used.

(4) The [executive] director shall not discriminate for or against any applicant for a grant.

(5) Nothing in this section or ORS 348.260, 348.505 to 348.615, 348.696 or 348.992 shall be construed to require any institution to admit a grant recipient or to attempt to control or influence the policies of the institution.

(6) Whenever funds are not available to award grants to all qualified students, the [executive] director may give priority to applicants who are or plan to be full-time students at the eligible post-secondary institution where the grant is to be used. A student shall be considered to be a full-time student if the combination of credit hours at more than one eligible post-secondary institution equals full-time attendance, according to the institution disbursing the grant funds.

(7) As used in this section, "discriminate" has the meaning given "discrimination" in ORS 659.850.

**SECTION 34.** ORS 348.260 is amended to read:

348.260. (1) In addition to any other form of student financial aid authorized by law, the Higher Education Coordinating Commission may award Oregon Opportunity Grants to qualified students.

(2) The amount of a grant shall equal the state share of a qualified student's cost of education as determined by the [Executive] Director of the Office of Student Access and Completion and comply with applicable rules and procedures described in ORS 348.205.

(3) Grant funds necessary to meet matching requirements for federal funds may also be used to award grants to qualified students in any eligible post-secondary institution approved by the commission.

(4) Grants may be awarded under this section to qualified students enrolled for any term, including summer term. The commission may prescribe the method and date or dates by which a student must apply to the commission to qualify for a grant.

(5)(a) A qualified student who receives a grant under this section may apply for renewal of the grant on an annual basis. The commission may not renew the grant if the qualified student has not made a timely application for renewal of the grant.

(b) The commission shall by rule establish academic standards and benchmarks that a qualified student must meet to have the student's grant renewed.

(c) If a qualified student who receives a grant under this section makes a timely application for renewal of the grant, meets the academic standards and benchmarks established by the commission under this subsection and continues to meet all other grant eligibility criteria, the grant shall be renewed for a second year of attendance at an eligible post-secondary institution.

(d) Upon timely application by a qualified student who meets the academic standards and

1 benchmarks established by the commission under this subsection and who continues to meet all  
 2 other grant eligibility criteria, the commission may continue to renew the grant until the qualified  
 3 student has received the equivalent of four full-time undergraduate years of grant funding for an  
 4 eligible program as defined by the commission.

5 (6)(a) The [Executive] Director of the Office of Student Access and Completion shall inform eli-  
 6 gible post-secondary institutions of the identity of qualified students who attend the institution and  
 7 who receive a grant under this section for more than one academic year.

8 (b) To the extent possible, eligible post-secondary institutions shall ensure that qualified stu-  
 9 dents identified under this subsection are made aware of the academic guidance and counseling  
 10 services available at the institution.

11 (7) A qualified student who receives a grant under this section must attend the eligible post-  
 12 secondary institution upon which the grant application is based unless the [Executive] Director of  
 13 the Office of Student Access and Completion authorizes the grant to be used at a different eligible  
 14 post-secondary institution. A qualified student who receives a grant under this section may attend  
 15 more than one eligible post-secondary institution if the grant application was based on the qualified  
 16 student attending more than one eligible post-secondary institution.

17 (8) The commission may not make a grant award to any qualified student enrolled in a course  
 18 of study required for and leading to a degree in theology, divinity or religious education.

19 (9)(a) The commission shall report annually on or before February 1 to committees of the Leg-  
 20 islative Assembly related to higher education regarding the academic success and performance of  
 21 qualified students who receive grants under this section.

22 (b) In order to meet the reporting requirements set forth in paragraph (a) of this subsection:

23 (A) The commission shall by rule design a method for evaluating the academic success and  
 24 performance of students who receive a grant under this section; and

25 (B) Upon a request from the commission, eligible post-secondary institutions must provide the  
 26 commission with the data necessary for the commission to conduct its analysis.

45 348.625. As used in ORS 348.570 and 348.625 to 348.695:

1 (1) "Alternative student loan program" means a program established by the Higher Education  
2 Coordinating Commission to fund loans to eligible students, or to qualifying parents of eligible stu-  
3 dents, to help meet expenses of eligible students of attending post-secondary educational institutions;  
4 provided, however, that alternative student loan program loans may be made only to students who  
5 have applied for student financial aid under Title IV, Part B of the Higher Education Act of 1965,  
6 as amended, and have received information on their eligibility for programs under that Act, or the  
7 parents of students who have made such application and received such information.

8 (2) "Eligible student" means a student enrolled in an eligible post-secondary educational insti-  
9 tution located in Oregon or a student who is an Oregon resident and who is enrolled in an eligible  
10 post-secondary educational institution located outside of Oregon. The [Executive] Director of the  
11 Office of Student Access and Completion shall determine, among other things, what constitutes en-  
12 rollment and which post-secondary educational institutions are eligible institutions under the alter-  
13 native student loan program.

14 (3) "Lender" means an insured institution as defined in ORS 706.008 that is authorized to do  
15 business in Oregon and that has entered into an agreement with the Higher Education Coordinating  
16 Commission to originate, service and administer alternative student loans in the manner authorized  
17 by ORS 348.570 and 348.625 to 348.695.

18 **SECTION 55.** ORS 348.630 is amended to read:

19 348.630. (1) Loans may be made under the alternative student loan program to an eligible stu-  
20 dent or to a parent of an eligible student.

21 (2) Loans made under the alternative student loan program shall not exceed the eligible costs  
22 of education as determined by the [Executive] Director of the Office of Student Access and Com-  
23 pletion, minus other financial aid received, or \$10,000, whichever is less, for any eligible student  
24 during a single calendar year. Total loans made for any eligible student under the alternative stu-  
25 dent loan program shall not exceed \$40,000.

26 (3) Under the alternative student loan program, borrowers shall undergo a credit check by the  
27 lender or by the [executive] director and shall be creditworthy or provide a creditworthy cosigner.

28 **SECTION 56.** ORS 348.635 is amended to read:

29 348.635. In consultation with private sector lenders, the [Executive] Director of the Office of  
30 Student Access and Completion shall establish the terms and conditions, including but not limited  
31 to maturities and repayment provisions, of student loans for which the [executive] director shall  
32 provide funding. The [executive] director may also set standards of academic achievement which  
33 borrowers must maintain to receive loans.

34 **SECTION 57.** ORS 348.640 is amended to read:

35 348.640. (1) The [Executive] Director of the Office of Student Access and Completion shall pro-  
36 vide funding to lenders pursuant to contracts which shall provide, among other things, the terms  
37 and conditions under which private sector lenders, using funding made available by the [executive]  
38 director, shall originate, service and administer loans pursuant to the alternative student loan pro-  
39 gram. Lenders shall receive and process loan applications from borrowers, perform credit analysis,  
40 approve or deny loan requests, and for loans that are approved, originate, document, administer and  
41 service the loans. The [executive] director shall make provision for payment to lenders of the rea-  
42 sonable costs of origination, servicing and administration of loans. Payment may be made directly  
43 by borrowers or by the [executive] director, as the [executive] director may determine.

44 (2) Loans shall be structured in such a manner that anticipated payments of principal and in-  
45 terest shall permit timely repayment of the revenue bonds to be issued by the State of Oregon pur-

1 suant to ORS 348.570 and 348.625 to 348.695. As a condition of participation in the alternative  
2 student loan program by private sector lenders, the [executive] director shall procure from each such  
3 lender a guarantee or letter of credit ensuring that the [executive] director shall receive full and  
4 timely repayment of principal of and interest due on loans originated, serviced and administered by  
5 the lender. The [executive] director shall provide by contract for payment by the [executive] director  
6 or by borrowers, as the [executive] director may determine, of the reasonable costs of such guaran-  
7 tees or letters of credit. It is the intention of ORS 348.570 and 348.625 to 348.695 that participating  
8 private sector lenders, not the [executive] director, shall bear the entire risk of loss, nontimely re-  
9 payment or nonpayment of alternative student loan program loans.

17 Student Access and Completion on a uniform rate for every 45 quarter hours, or equivalent, of ap-  
18 proved and registered course work in nonsectarian subjects completed by undergraduate students  
19 enrolled in the institutions who are residents of Oregon, and shall not exceed the actual cost to the  
20 institution of providing such educational services. This uniform rate shall apply to the estimated  
21 45-hour units for each institution upon which the legislative appropriation is based for that year,  
22 or the actual 45-hour units for each institution, whichever is the lesser. Any remaining funds shall  
23 be distributed among those institutions whose actual 45-hour units exceed the estimate. The dis-  
24 tribution to each institution shall be according to the uniform rate established for the 45-hour units  
25 or an amount equal to the ratio that the excess units bear to 45. However, if insufficient funds are  
26 available for such a distribution, then the distribution shall be according to the ratio that the total  
27 number of 45-hour units in excess of the estimate bears to the total amount of funds remaining un-  
28 distributed, multiplied by the number of excess 45-hour units, if any, at each institution.

38 (b) Any participant for whom an Oregon JOBS Individual Education Account contribution is  
39 made shall be eligible for access to education benefits from that participant's individual education  
40 account for up to five years after the participant has left the JOBS Plus Program and has held a  
41 full-time, unsubsidized job for at least 30 days.

42 (c) When any participant has qualified for use of that participant's individual education account,  
43 an amount equal to that participant's individual education account balance shall be transferred to  
44 the [Executive] Director of the Office of Student Access and Completion for that participant's use.  
45 Only one individual education account shall be created for any participant. Each account shall be

1 administered by the [executive] director and shall be used for continuing education and training for  
 2 the participant and the participant’s immediate family.

3 (3)(a) The [executive] director may use any interest earned by an individual education account

 5 [executive] director in carrying out the [executive] director’s duties under this section.

6 (b) The Department of Human Services shall transfer any interest earned by the Oregon JOBS  
 7 Individual Education Account to the General Fund for general governmental purposes. The depart-  
 8 ment shall transfer the interest no later than the close of each fiscal year in which the interest is  
 9 earned.

10 (4) Any unexpended or unobligated moneys remaining in an individual education account five  
 11 years after the participant has left the JOBS Plus Program are appropriated and transferred to the  
 12 Higher Education Coordinating Commission for the Oregon Opportunity Grant program on that date.
