 14 the extent that *[it]* **the paying agency** is compensated for *[its]* **the paying agency's** expenditures
 15 for compensation, first aid or other medical, surgical or hospital service, and for the present value
 16 of *[its]* reasonably *[to be]* expected future expenditures **the paying agency makes** for compensation
 17 and other costs of the worker's claim under this chapter. *[Such]* Other costs include expenditures
 18 *[of]* **that** the Department of Consumer and Business Services **makes** from the Consumer and Busi-
 19 ness Services Fund, the Self-Insured Employer Adjustment Reserve, **the Self-Insured Employer**
 20 **Group Adjustment Reserve** and the Workers' Benefit Fund *[in reimbursement of]* **to reimburse** the
 21 costs of the paying agency. *[Such]* Other costs also include assessments for the Workers' Benefit
 22 Fund[,] and *[include]* any compensation *[which]* **that** may become payable under ORS 656.273 or
 23 656.278.

24 (d) The balance of the recovery *[shall]* **must** be paid to the worker or the beneficiaries of the
 25 worker forthwith. **The board shall resolve** any conflict as to the amount of the balance *[which]*
 26 **that the paying agency** may *[be retained by the paying agency shall be resolved by the board]*
 27 **retain**.

28 (2) The amount *[retained by]* the worker or the beneficiaries of the worker *[shall]* **retain must**
 29 be in addition to the compensation or other benefits to which *[such]* **the** worker or beneficiaries are
 30 entitled under this chapter.

31 (3) A claimant may settle any third party case with the approval of the paying agency, in which
 32 event the paying agency *[is authorized to]* **may** accept *[such]* a share of the proceeds *[as may be]*
 33 **that is** just and proper and the worker or the beneficiaries of the worker *[shall]* **must** receive the
 34 amount to which the worker would be entitled for a recovery under subsections (1) and (2) of this
 35 section. **The board shall resolve** any conflict as to what may be a just and proper distribution
 36 *[shall be resolved by the board]*.

37 (4) As used in this section, "paying agency" includes the Department of Consumer and Business
 38 Services with respect to *[its]* expenditures from the **Consumer and Business Services Fund, the**
 39 **Self-Insured Employer Adjustment Reserve, the Self-Insured Employer Group Adjustment**
 40 **Reserve and the Workers' Benefit Fund** *[in reimbursement of]* **the department makes, together**
 41 **with the present value of any reasonably expected future expenditures from the funds or**
 42 **reserves that the department may make, to reimburse** the costs of another paying agency *[for*
 43 *vocational assistance and the costs of claims of noncomplying employers.]* **and to compensate or pay**
 44 **other costs of a worker's claim because of a self-insured employer's or self-insured employer**
 45 **group's insolvency, default or decertification.**

1 (5) The department *[shall]* **must** be repaid for *[its]* **the department's** expenditures from the
 2 proceeds **the paying agency** recovered *[by the paying agency]* in an amount proportional to the
 3 amount of the department's reimbursement of the paying agency's costs. **The department shall**
 4 **deposit** all moneys *[received by]* the department **receives** under this section *[shall be deposited]* in
 5 the same fund from which the *[paying agency's costs originally had been reimbursed]* **department's**
 6 **expenditures originated.**

7 (6) *[Prior to]* **Before**, and instead of, the distribution of proceeds *[as]* described in subsection (1)
 8 of this section, *[when the]* **if a** worker or the beneficiaries of *[the]* **a** worker are entitled to receive
 9 payment pursuant to a judgment or a settlement in *[the]* **a** third party action in the amount of \$1
 10 million or more, the worker or the beneficiaries of the worker may elect to release the paying
 11 agency from all further liability on the workers' compensation claim, thereby canceling the lien of
 12 the paying agency as to the present value of *[its]* **the paying agency's** reasonably expected future
 13 expenditures for workers' compensation and other costs of the worker's claim, if all of the following
 14 conditions are met as part of the claim release:

15 (a) The worker or the beneficiaries of the worker are represented by an attorney.

16 (b) The release of the claim is presented in writing and is filed with the Workers' Compensation
 17 Board, with a copy served on the paying agency, including the Department of Consumer and Busi-
 18 ness Services with respect to *[its]* **the department's** expenditures from *[the Workers' Benefit*
 19 *Fund,]* the Consumer and Business Services Fund, *[and]* the Self-Insured Employer Adjustment Re-
 20 serve, **the Self-Insured Employer Group Adjustment Reserve and the Workers' Benefit**
 21 **Fund.**

22 (c) The claim release specifies that the worker or the beneficiaries of the worker understand
 23 that the claim release means that no further benefits of any nature whatsoever *[shall]* **will** be paid
 24 to the worker or the beneficiaries of the worker.

25 (d) The release of the claim is accompanied by a settlement stipulation with the paying agency,
 26 outlining terms of reimbursement to the paying agency, covering *[its]* **the paying agency's** incurred
 27 expenditures for compensation, first aid or other medical, surgical or hospital service and for
 28 expenditures from *[the Workers' Benefit Fund,]* the Consumer and Business Services Fund, *[and]* the
 29 Self-Insured Employer Adjustment Reserve, **the Self-Insured Employer Group Adjustment Re-**
 30 **serve and the Workers' Benefit Fund** to the date the release becomes final or the order of the
 31 board becomes final. If the payment of such incurred expenditures is in dispute, the release of the
 32 claim *[shall]* **must** be accompanied by a written submission of the dispute by the worker or the
 33 beneficiaries of the worker to the board for resolution of the dispute by order of the board under
 34 procedures allowing for board resolution under ORS 656.587, in which case the release of the claim
 35 *[shall not be]* **is not** final until such time as the order of the board becomes final. In such a case,
 36 the only issue to be decided by the board is the amount of incurred expenses by the paying *[agent]*
 37 **agency.**

38 (e) If a service, item or benefit has been provided but a bill for that service, item or benefit has
 39 not been received by the paying agency before the release or order becomes final, the reimburse-
 40 ment payment *[shall]* **must** cover the bill *[pursuant to]* **in accordance with** the following process:

41 (A) The paying agency may maintain a contingency fund in an amount reasonably sufficient to
 42 cover reimbursement for the billing.

43 (B) If a dispute arises as to reimbursement for any bill first received by the paying agency not
 44 later than 180 days after the date the release or order became final, the dispute *[shall]* **must** be
 45 resolved by order of the board.

1 (C) Any amount remaining in the contingency fund after the 180-day period [*shall*] **must** be paid
2 to the worker or the beneficiaries of the worker.

3 (D) Any billing for a service, item or benefit that is first received by the paying agency more
4 than 180 days after the date the release or order became final is unenforceable by the person who
5 issued the bill.

6 (f) The settlement or judgment proceeds are available for payment or actually have been paid
7 out and are available in a trust fund or similar account, or are available through a legally en-
8 forceable structured settlement agreement if sufficient funds are available to make payment to the
9 paying agency.

10 (g) The agreed-upon payment to the paying agency, or the payment to the paying agency ordered
11 by the board, is made within 30 days of the filing of the withdrawal of the claim with the board or
12 within 30 days after the board has entered a final order resolving any dispute with the paying
13 agency.

14 (7) [*When*] **If** a release of further liability on a claim, as provided in subsection (6) of this sec-
15 tion, has been filed, and [*when*] **if** payment to the paying agency has been made, the effect of the
16 release is that the worker or **the** beneficiaries of the worker [*shall*] have no further right to seek
17 benefits [*pursuant to*] **under** the original claim, or any independent workers' compensation claim
18 regarding the same circumstances, and the claim [*shall*] **may** not be reasserted, refiled or reestab-
19 lished through any legal proceeding.

20 **SECTION 4. The amendments to ORS 656.443, 656.591 and 656.593 by sections 1 to 3 of this**
21 **2017 Act apply to determinations as to a claims processing agent for, and expenditures that**
22 **occur to or on behalf of, any self-insured employer or self-insured employer group that is**
23 **insolvent or in default, that has canceled the employer's or group's certification under ORS**
24 **656.434 or that the Director of the Department of Consumer and Business Services has de-**
25 **certified, regardless of the date on which the insolvency, default, cancellation or decertifi-**
26 **cation occurred.**
