20 464.250. (1) The Department of Justice has the following powers and duties relating to the reg-
21 ulation of bingo, lotto or raffle games or Monte Carlo events:

22 (a) To authorize and regulate the operation of bingo, lotto and raffle games and Monte Carlo
23 events permitted under ORS 167.117 and to adopt rules in accordance with applicable provisions of
24 ORS chapter 183 for the performance of the department's duties.

25 (b) To issue and renew licenses and permits for operation of bingo, lotto and raffle games and
26 Monte Carlo events, including the manufacturers and suppliers of equipment and supplies necessary
27 for the operation of *[such activities]* **the games and events** and escrow agents holding money or
28 property to be awarded as a prize, and to adopt license and permit fees. Licenses and permits are
29 valid for *[a period of]* one year unless renewed. The department shall set fees at an amount sufficient
30 to cover all costs incurred by the department in its activities. License fees consist of an initial
31 payment, *[which shall be]* in an amount established by rule, prior to issuance or renewal of the li-
32 cense, together with a monthly payment constituting a percentage of the licensee's monthly gross
33 income from the operation each month thereafter. An applicant for a license or a permit shall submit
34 with the application a sum adequate to pay the required initial fee payment. If the *[application is*
35 *later withdrawn by the applicant or if it is denied by the department,]* **applicant later withdraws the**
36 **application or the department denies the application,** the department shall retain the portion of
37 the amount submitted to it that will pay the reasonable costs expended for processing and investi-
38 gating the application. *[In a particular case,]* If the fee adopted by the department is less than the
39 actual expenses of the department to investigate *[that particular]* **an** application, the department may
40 charge to *[that particular]* **the** applicant an additional fee to repay the department for those costs.
41 The department may refuse to proceed with its investigation or to issue a license until the depart-
42 ment has been fully paid for those costs. The department shall create at least two classes of licenses
43 for each activity regulated under this section. The licensing and operational requirements for
44 licensees and the extent to which background checks are conducted under paragraph (d)(B) of this
45 subsection *[shall]* **must** be commensurate with the size of the licensee's bingo, lotto, raffle or Monte

1 Carlo event operations. The department shall adopt rules exempting from licensing any organization
2 that would otherwise qualify for a license and that is engaged in minimal bingo, lotto or Monte
3 Carlo event activity.

4 (c) To prescribe the manner and method of payment of all moneys to be paid to or collected by
5 the department.

6 (d) To adopt requirements as to what information an applicant must provide to the department.
7 However, each license applicant must provide, and the department shall require, the names and ad-
8 dresses of all persons having a management or ownership interest in the bingo, lotto, raffle or Monte
9 Carlo event operation or in the premises on which the operation is conducted and the names and
10 addresses of all officers and directors of the applicant organization. The department shall also re-
11 quire the names and addresses of all persons employed in bingo, lotto, raffle or Monte Carlo event
12 operations. The following apply to applications under this paragraph:

13 (A) An applicant shall certify, under oath, that the persons named on the application are all of
14 the persons known by the applicant to have an interest in the bingo, lotto, raffle or Monte Carlo
15 event operation or the premises on which the operation is conducted including all officers and di-
16 rectors of the applicant organization.

17 (B) The department may require fingerprints, a photograph, a handwriting sample and back-
18 ground checks, including state and nationwide criminal records checks under ORS 181A.195, on any
19 person seeking a license from it or any person holding an interest in any bingo, lotto, raffle or
20 Monte Carlo event operation or in the premises on which it is conducted. The department may also
21 require fingerprints or background checks, including state and nationwide criminal records checks
22 under ORS 181A.195, of any manager or other employee of such a bingo, lotto, raffle or Monte Carlo
23 event operation.

24 (e) To adopt record keeping requirements for licensees of the department and the submission of
25 reports to the department as the department determines necessary. The department may require
26 licensees to record and report income from bingo, lotto, raffle, Monte Carlo events, concessions and
27 other related operations, the amounts received from each player, the costs and expenses of oper-
28 ations, the nature and value of prizes and the fact of distribution of such prizes to the winners
29 thereof. The department may adopt internal financial and inventory control requirements under this
30 paragraph that are based on and commensurate with the size of a licensee's bingo, lotto, raffle or
31 Monte Carlo event operations.

32 (f) To regulate and establish maximum limits on income derived by licensees from bingo, lotto,
33 raffles or Monte Carlo events. However, in establishing limits, the department shall take into ac-
34 count:

35 (A) The nature, character and scope of the activities of the licensee;

36 (B) The sources of other income to the licensee; and

37 (C) The percentage or extent to which income derived from bingo, lotto, raffles or Monte Carlo
38 events is used for charitable purposes, as distinguished from nonprofit purposes other than charity.

39 (g) To regulate the manner of operation of bingo, lotto and raffle games and Monte Carlo events
40 conducted by licensees, including the approval of which games may be played and the equipment to
41 be used. The department shall regulate the types of equipment, rules and methods of play to ensure
42 the integrity and fairness of the games.

43 (h) To cooperate with state and local law enforcement agencies in investigating matters within
44 the scope of the department's duties and responsibilities.

45 (i) To establish maximum limits on compensation paid to persons employed by charitable,

1 fraternal or religious licensees, for the purpose of conducting licensed games, not to exceed 200
 2 percent of the federal minimum wage standard, or, **for** [*in the case of*] a person who supervises a
 3 bingo, lotto, raffle or Monte Carlo event operation for a charitable, fraternal or religious organiza-
 4 tion and is subject to the limitations of ORS 464.340, 300 percent of the federal minimum wage
 5 standard, and to establish maximum limits for other expenses connected with such operations. In
 6 establishing these limits, the department shall consider the amount of income received, or expected
 7 to be received, by the organization from the bingo, lotto, raffle, Monte Carlo events, concessions and
 8 other related operations and the amount of money the operation could generate for the
 9 organization's purposes absent such expenses. The department may also take into account other
 10 factors, including but not limited to whether charitable purposes are benefited by the activities.

11 (2) The department may not require [*persons*] **a person** working as [*volunteers*] **a volunteer** in
 12 a bingo, lotto, raffle or Monte Carlo event operation conducted by a bona fide charitable, fraternal
 13 or religious organization to obtain [*permits*] **a permit** for such work if the [*persons do*] **person does**
 14 not receive compensation of any kind from the organization, other than reimbursement for actual
 15 or reasonable expenses, or have any managerial or supervisory responsibility in connection with it.
 16 The department may require that bingo, lotto, raffle and Monte Carlo event operators employing
 17 unlicensed volunteers submit to the department periodically the names, addresses and dates of birth
 18 of the volunteers. The department may adopt reasonable character standards for volunteers, and if
 19 a volunteer does not meet the standards, the department may require that the licensee not allow the
 20 volunteer to work for the licensee.

21 (3) Subject to ORS 167.118, the department by rule may establish value limits for prizes awarded
 22 at bingo, lotto or raffle games or Monte Carlo events and may regulate or prohibit the giving to
 23 patrons of any other thing of value to promote attendance at the games.

24 (4) The department by rule may establish a maximum amount that a person may wager at a
 25 Monte Carlo event.

26 **SECTION 3.** ORS 464.340 is amended to read:

27 464.340. The Department of Justice by rule shall prohibit any licensee from allowing any person
 28 to spend more than [30] **40** hours in any one week administering **or operating** the licensee's
 29 games[, or operating the licensee's games, or both].

30 **SECTION 4.** ORS 464.350 is amended to read:

31 464.350. (1)(a) The Department of Justice by rule may establish limits on the number of hours
 32 per day and days per week that organizations licensed by the department may operate bingo or lotto
 33 games or Monte Carlo events.

34 (b) **By rule**, the department[, *by its rules, shall*] **may** not permit the operation of bingo or lotto
 35 games by any licensee for more than [15] **20** hours in any one week nor for more than [*three*] **four**
 36 days in any one calendar week.

38 (a) May not conduct more than seven Monte Carlo events in any 12-month period;

 42 ment to conduct events for a period in excess of one year.

43 (3) No Monte Carlo event shall be conducted that exceeds 12 hours in length. For the purposes
 44 of this subsection, each 12-hour period shall begin at the official starting time of the Monte Carlo
 45 event and run continuously, whether or not contests of chance are continuously operated.

1 (4) Monte Carlo events shall not be conducted at the same location more than 15 times in a
2 calendar month or more than 40 times in a calendar year.
