SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Requires State Fish and Wildlife Commission to, as part of preference system for controlled hunt permits, guarantee issuance of one deer or elk controlled hunt permit to any applicant who is 75 years of age or older and holding resident annual pioneer combination license.

A BILL FOR AN ACT

1
2 Relating to controlled hunt permits; amending ORS 496.146.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 496.146 is amended to read:

5 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
6 Commission:

7 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
8 for the purposes of wildlife management, and use such money or property for wildlife management
9 purposes.

10 (2) May sell or exchange property owned by the state and used for wildlife management pur-
11 poses when the commission determines that such sale or exchange would be advantageous to the
12 state wildlife policy and management programs.

13 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
14 mission determines will carry out the state wildlife policy and management programs.

15 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
16 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
17 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
18 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
19 permits for a person and immediate family members of the person to hunt on land owned by that
20 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
21 "immediate family members" means spouses in a marriage, parents, brothers, brothers-in-law, sisters,
22 sisters-in-law, sons, sons-in-law, daughters, daughters-in-law, stepchildren and grandchildren. A
23 landowner who is qualified to receive landowner preference tags from the commission may request
24 two additional tags for providing public access and two additional tags for wildlife habitat programs.
25 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
26 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
27 commission grant the request. When a landowner is qualified under landowner preference rules
28 adopted by the commission and receives a controlled hunt tag for that unit or a landowner prefer-
29 ence tag for the landowner's property and does not use the tag during the regular season, the
30 landowner may use that tag to take an antlerless animal, when approved by the State Department
31 of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner's property.

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 (5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued
2 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and
3 place of taking wildlife, the quantities taken and such other information as the commission deter-
4 mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
5 wildlife management.

6 (6) May establish special hunting and angling areas or seasons in which only persons less than
7 18 years of age or over 65 years of age are permitted to hunt or angle.

8 (7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
9 therein for wildlife management and wildlife-oriented recreation purposes.

11 real property and all interests therein and establish, operate and maintain thereon public hunting
12 areas.

14 erning the use of such areas and the use of wildlife refuge and management areas established and
15 developed pursuant to any other provision of law.

16 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
17 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
18 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
19 scribed by law. No fee or user charge prescribed by the commission pursuant to this subsection shall
20 exceed \$250.

24 cooperative wildlife management programs with agencies of the federal government.

25 (13) May offer and pay rewards for the arrest and conviction of any person who has violated
26 any of the wildlife laws. No such reward shall exceed \$1,000 for any one arrest and conviction.

27 (14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless
28 such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this sub-
29 section shall be based on actual or projected costs of administering falconry regulations and shall
30 not exceed \$250.

31 (15) May establish special fishing and hunting seasons and bag limits applicable only to persons
32 with disabilities.

33 (16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These popu-

36 (a) Individuals who are unsuccessful in controlled hunt permit drawings for deer and elk hunt-
37 ing have reasonable assurance of success in those drawings in subsequent years; **and**

38 (b) **Individuals who are 75 years of age or older, who have been issued a resident annual**
39 **pioneer combination license pursuant to ORS 497.132 and who apply for a controlled hunt**
40 **permit for deer or elk hunting will be guaranteed to receive at least one of the controlled**
41 **hunt permits for which they applied.** *[In establishing the preference system, the commission shall*
42 *consider giving additional preference points to persons who have been issued a resident annual pioneer*
43 *combination license pursuant to ORS 497.132.]*

7 department from the prohibition.

8 (21) May adopt rules establishing a schedule of civil penalties, not to exceed \$6,500 per vio-
9 lation, for violations of provisions of the wildlife laws or rules adopted by the commission under the

12 496.300.

13 (22) May by rule impose a surcharge not to exceed \$25 for the renewal of a hunting license on
14 any person who fails to comply with mandatory hunting reporting requirements. Amounts collected

17 (23) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon
18 recreational fishing endorsements with a fee not to exceed \$9.75 per annual license and \$1 per day
19 per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in portions
20 of the Columbia Basin as designated by rule and is in addition to and not in lieu of angling licenses
21 and tags required under the wildlife laws. Amounts collected as fees under this subsection must be
22 deposited in the Columbia River Fisheries Enhancement Fund established under section 7, chapter
23 672, Oregon Laws 2013.
