28 **SECTION 3.** ORS 87.196 is amended to read:

29 87.196. (1)(a) A lien claimant that forecloses by sale a lien created under ORS 87.152 to 87.162  
30 shall give notice of the foreclosure sale by first class, registered or certified mail. The following  
31 apply:

32 (A) The lien claimant shall give notice to all persons that have filed a financing statement in  
33 the office of the Secretary of State, or in the office of the appropriate county officer of the county  
34 in which the sale is held, to perfect a security interest in the chattel to be sold.

35 (B) Notwithstanding subparagraph (A) of this paragraph, if the chattel to be sold at the fore-  
36 closure sale is a chattel, other than part of the motor vehicle inventory of a dealer issued a vehicle  
37 dealer certificate under ORS 822.020, for which the Department of Transportation has issued a cer-  
38 tificate of title under ORS 803.045, for which the State Marine Board requires a certificate of title  
39 under ORS 830.810 or for which the Oregon Department of Aviation requires a certificate of regis-  
40 tration under ORS 837.040, the lien claimant needs to give notice only to persons that the certificate  
41 of title or certificate of registration indicates have a security interest or lien in the chattel.

42 (C) The lien claimant shall give notice under this paragraph at least 30 days before the fore-  
43 closure sale, but if the lien claimant claims a lien under ORS 87.152, the lien claimant shall give the  
44 notice required by this subsection:

45 (i) Not later than the 20th day after the date on which the storage charges begin;

1 (ii) Not later than the 30th day after the date on which the services provided are completed, if  
 2 no storage charges are imposed; or

3 (iii) At least 15 days before the foreclosure sale if the lien is for the cost of removing, towing  
 4 or storing a vehicle that a person who holds a certificate issued under ORS 819.480 has appraised  
 5 at a value of \$1,000 or less.

6 (b) A lien claimant that gives notice of a foreclosure sale for chattel described in paragraph  
 7 (a)(B) of this subsection shall include with the notice a copy of an invoice, work or repair order,  
 8 authorization for towing, official form that authorizes a law enforcement agency to impound the  
 9 chattel or any other record or document that is evidence of the basis for the lien.

10 (2) A person who is entitled to receive notice under subsection (1) of this section may discharge  
 11 the lien and preserve the person's security interest in the chattel by paying the lien claimant the  
 12 amount of the lien claim and reasonable expenses the *[person]* **lien claimant** actually incurs in  
 13 foreclosing the lien claim. If the person does not discharge the lien before the day of the foreclosure  
 14 sale, the foreclosure sale extinguishes the person's security interest in the chattel even if the person  
 15 does not receive notice under subsection (1) of this section.

16 (3) If a lien claimant does not give notice in accordance with subsection (1) of this section to  
 17 a person that claims a security interest or lien on the chattel sold at a foreclosure sale, the lien  
 18 claimant is liable to the person for a sum equal to the fair market value of the chattel sold at the  
 19 foreclosure sale or the amount due to the person under the security agreement or lien at the time  
 20 of the foreclosure sale, whichever amount is less. The secured party or other lien claimant may re-  
 21 cover the sum and reasonable attorney fees by an action at law.

22 **NOTE:** Corrects terminology in (2).

23 **SECTION 4.** ORS 110.675 is amended to read:

24 110.675. In applying and construing this *[uniform act]* **chapter**, consideration must be given to  
 25 the need to promote uniformity of the law with respect to its subject matter among states that enact  
 26 *[it]* **the Uniform Interstate Family Support Act.**

27 **NOTE:** Adjusts references in conformance with legislative style.

28 **SECTION 5.** ORS 130.315 is amended to read:

29 130.315. (1) Whether or not the terms of a trust contain a spendthrift provision:

30 (a) During the lifetime of the settlor, the property of a revocable trust is subject to claims of  
 31 the settlor's creditors.

32 (b) A creditor or assignee of the settlor of an irrevocable trust may reach the maximum amount  
 33 that can be distributed to or for the settlor's benefit. If an irrevocable trust has more than one  
 34 settlor, the amount the creditor or assignee of a particular settlor may reach may not exceed the  
 35 settlor's interest in the portion of the trust attributable to that settlor's contribution.

36 (c) If a trust was revocable at the settlor's death, the property of the trust becomes subject to  
 37 creditors' claims as provided in ORS 130.350 to 130.450 when the settlor dies. The payment of claims  
 38 is subject to the settlor's right to direct the priority of the sources from which liabilities of the  
 39 settlor are to be paid.

40 (d) Notwithstanding the provisions of paragraph (b) of this subsection, the assets of an irrev-  
 41 ocable trust may not be subject to the claims of an existing or subsequent creditor or assignee of  
 42 the settlor, in whole or in part, solely because of the existence of a discretionary power granted to  
 43 the trustee by the terms of the trust or any other provision of law to pay the amount of tax owed  
 44 directly to the taxing authorities or to reimburse the settlor for any tax on trust income or principal  
 45 that is payable or has been paid by the settlor under the law imposing the tax.

1 (2) For the purpose of creditors' claims, the holder of a power of withdrawal is treated in the  
 2 same manner as the settlor of a revocable trust to the extent property of the trust is subject to the  
 3 power. The provisions of this subsection apply to the holder of a power of withdrawal only during  
 4 the period that the power may be exercised.

5 (3) Upon the lapse, release or waiver of a power of withdrawal, the property of the trust that  
 6 is the subject of the lapse, release or waiver becomes subject to claims of creditors of the holder  
 7 of the power only to the extent the value of the property exceeds the [*greater*] **greatest** of:

8 (a) The amount specified in section 2041(b)(2) or 2514(e) of the Internal Revenue Code, as in ef-  
 9 fect on December 31, 2012;

10 (b) The amount specified in section 2503(b) of the Internal Revenue Code, as in effect on De-  
 11 cember 31, 2012; or

12 (c) Twice the amount specified in section 2503(b) of the Internal Revenue Code, as in effect on  
 13 December 31, 2012, if the donor was married at the time of the transfer to which the power of  
 14 withdrawal applies.

15 (4) The assets of an irrevocable trust that are attributable to a contribution to an inter vivos  
 16 marital deduction trust described in section 2523(e) or (f) of the Internal Revenue Code, as in effect  
 17 on December 31, 2012, after the death of the spouse of the settlor of the inter vivos marital de-  
 18 duction trust shall be deemed to have been contributed by the settlor's spouse and not by the settlor.

19 (5) The assets of an irrevocable trust for the benefit of a person, including the settlor, are not  
 20 subject to claims of creditors of the settlor to the extent that the property of the trust is subject  
 21 to a presently exercisable general power of appointment held by a person other than the settlor.

22 (6) Subsections (2) and (3) of this section do not apply to a person other than a settlor who is  
 23 a beneficiary of a revocable or irrevocable trust and who is also a trustee of the trust, if the power  
 24 to withdraw for the person's own benefit is limited by an ascertainable standard.

25 **NOTE:** Corrects word choice in (3) lead-in.

26 **SECTION 6.** ORS 130.805 is amended to read:

27 130.805. (1) A trustee who commits a breach of trust is liable to the beneficiaries affected for  
 28 the [*greater*] **greatest** of:

29 (a) The amount of damages caused by the breach;

30 (b) The amount required to restore the value of the trust property and trust distributions to  
 31 what they would have been had the breach not occurred; or

32 (c) The profit the trustee made by reason of the breach.

33 (2) Except as otherwise provided in this subsection, if more than one trustee is liable to the  
 34 beneficiaries for a breach of trust, a trustee is entitled to contribution from the other trustee or  
 35 trustees. In determining the amount of contribution, the court shall consider the degree of fault of  
 36 each trustee and whether any trustee or trustees acted in bad faith or with reckless indifference to  
 37 the purposes of the trust or the interests of the beneficiaries. A trustee who received a benefit from  
 38 the breach of trust is not entitled to contribution from another trustee to the extent of the benefit  
 39 received.

40 **NOTE:** Corrects word choice in (1) lead-in.

32        **SECTION 57.** ORS 743A.168, as amended by section 7, chapter 11, Oregon Laws 2016, is  
33 amended to read:

34        743A.168. A group health insurance policy providing coverage for hospital or medical expenses,  
35 other than limited benefit coverage, shall provide coverage for expenses arising from treatment for  
36 chemical dependency, including alcoholism, and for mental or nervous conditions at the same level  
37 as, and subject to limitations no more restrictive than, those imposed on coverage or reimbursement  
38 of expenses arising from treatment for other medical conditions. The following apply to coverage for  
39 chemical dependency and for mental or nervous conditions:

40            (1) As used in this section:

41            (a) "Chemical dependency" means the addictive relationship with any drug or alcohol charac-  
42 terized by a physical or psychological relationship, or both, that interferes on a recurring basis with  
43 the individual's social, psychological or physical adjustment to common problems. For purposes of  
44 this section, "chemical dependency" does not include addiction to, or dependency on, tobacco, to-  
45 bacco products or foods.

1 (b) "Facility" means a corporate or governmental entity or other provider of services for the  
 2 treatment of chemical dependency or for the treatment of mental or nervous conditions.

3 (c) "Group health insurer" means an insurer, a health maintenance organization or a health care  
 4 service contractor.

5 (d) "Program" means a particular type or level of service that is organizationally distinct within  
 6 a facility.

7 (e) "Provider" means a person that:

8 (A) Has met the credentialing requirement of a group health insurer, is otherwise eligible to  
 9 receive reimbursement for coverage under the policy and is:

10 (i) A health facility as defined in ORS 430.010;

11 (ii) A residential facility as defined in ORS 430.010;

12 (iii) A day or partial hospitalization program as defined in ORS 430.010;

13 (iv) An outpatient service as defined in ORS 430.010; or

14 (v) An individual behavioral health or medical professional licensed or certified under Oregon  
 15 law; or

16 (B) Is a provider organization certified by the Oregon Health Authority under subsection (13)  
 17 of this section.

18 (2) The coverage may be made subject to provisions of the policy that apply to other benefits  
 19 under the policy, including but not limited to provisions relating to deductibles and coinsurance.  
 20 Deductibles and coinsurance for treatment in health facilities or residential facilities may not be  
 21 greater than those under the policy for expenses of hospitalization in the treatment of other medical  
 22 conditions. Deductibles and coinsurance for outpatient treatment may not be greater than those  
 23 under the policy for expenses of outpatient treatment of other medical conditions.

24 (3) The coverage may not be made subject to treatment limitations, limits on total payments for  
 25 treatment, limits on duration of treatment or financial requirements unless similar limitations or  
 26 requirements are imposed on coverage of other medical conditions. The coverage of eligible expenses  
 27 may be limited to treatment that is medically necessary as determined under the policy for other  
 28 medical conditions.

29 (4)(a) Nothing in this section requires coverage for:

30 (A) Educational or correctional services or sheltered living provided by a school or halfway  
 31 house;

32 (B) A long-term residential mental health program that lasts longer than 45 days;

33 (C) Psychoanalysis or psychotherapy received as part of an educational or training program,  
 34 regardless of diagnosis or symptoms that may be present; or

35 (D) A court-ordered sex offender treatment program.

36 (b) Notwithstanding paragraph (a)(A) of this subsection, an insured may receive covered outpa-  
 37 tient services under the terms of the insured's policy while the insured is living temporarily in a  
 38 sheltered living situation.

39 (5) A provider is eligible for reimbursement under this section if:

40 (a) The provider is approved or certified by the Oregon Health Authority;

41 (b) The provider is accredited for the particular level of care for which reimbursement is being  
 42 requested by the Joint Commission [*on Accreditation of Hospitals*] or the Commission on Accredi-  
 43 tation of Rehabilitation Facilities;

44 (c) The patient is staying overnight at the facility and is involved in a structured program at  
 45 least eight hours per day, five days per week; or

1 (d) The provider is providing a covered benefit under the policy.

2 (6) Payments may not be made under this section for support groups.

3 (7) If specified in the policy, outpatient coverage may include follow-up in-home service or out-  
4 patient services. The policy may limit coverage for in-home service to persons who are homebound  
5 under the care of a physician.

6 (8) Nothing in this section prohibits a group health insurer from managing the provision of  
7 benefits through common methods, including but not limited to selectively contracted panels, health  
8 plan benefit differential designs, preadmission screening, prior authorization of services, utilization  
9 review or other mechanisms designed to limit eligible expenses to those described in subsection (3)  
10 of this section.

11 (9) The Legislative Assembly has found that health care cost containment is necessary and in-  
12 tends to encourage insurance policies designed to achieve cost containment by ensuring that re-  
13 imbursement is limited to appropriate utilization under criteria incorporated into such policies,  
14 either directly or by reference.

15 (10)(a) Subject to the patient or client confidentiality provisions of ORS 40.235 relating to phy-  
16 sicians, ORS 40.240 relating to nurse practitioners, ORS 40.230 relating to psychologists, ORS 40.250  
17 and 675.580 relating to licensed clinical social workers and ORS 40.262 relating to licensed profes-  
18 sional counselors and licensed marriage and family therapists, a group health insurer may provide  
19 for review for level of treatment of admissions and continued stays for treatment in health facilities,  
20 residential facilities, day or partial hospitalization programs and outpatient services by either group  
21 health insurer staff or personnel under contract to the group health insurer, or by a utilization re-  
22 view contractor, who shall have the authority to certify for or deny level of payment.

23 (b) Review shall be made according to criteria made available to providers in advance upon re-  
24 quest.

25 (c) Review shall be performed by or under the direction of a medical or osteopathic physician  
26 licensed by the Oregon Medical Board, a psychologist licensed by the State Board of Psychologist  
27 Examiners, a clinical social worker licensed by the State Board of Licensed Social Workers or a  
28 professional counselor or marriage and family therapist licensed by the Oregon Board of Licensed  
29 Professional Counselors and Therapists, in accordance with standards of the National Committee for  
30 Quality Assurance or Medicare review standards of the Centers for Medicare and Medicaid Ser-  
31 vices.

32 (d) Review may involve prior approval, concurrent review of the continuation of treatment,  
33 post-treatment review or any combination of these. However, if prior approval is required, provision  
34 shall be made to allow for payment of urgent or emergency admissions, subject to subsequent re-  
35 view. If prior approval is not required, group health insurers shall permit providers, policyholders  
36 or persons acting on their behalf to make advance inquiries regarding the appropriateness of a  
37 particular admission to a treatment program. Group health insurers shall provide a timely response  
38 to such inquiries. Noncontracting providers must cooperate with these procedures to the same ex-  
39 tent as contracting providers to be eligible for reimbursement.

40 (11) Health maintenance organizations may limit the receipt of covered services by enrollees to  
41 services provided by or upon referral by providers contracting with the health maintenance organ-  
42 ization. Health maintenance organizations and health care service contractors may create substan-  
43 tive plan benefit and reimbursement differentials at the same level as, and subject to limitations no  
44 more restrictive than, those imposed on coverage or reimbursement of expenses arising out of other  
45 medical conditions and apply them to contracting and noncontracting providers.

1 (12) Nothing in this section prevents a group health insurer from contracting with providers of  
 2 health care services to furnish services to policyholders or certificate holders according to ORS  
 3 743B.460 or 750.005, subject to the following conditions:

4 (a) A group health insurer is not required to contract with all providers that are eligible for  
 5 reimbursement under this section.

6 (b) An insurer or health care service contractor shall, subject to subsections (2) and (3) of this  
 7 section, pay benefits toward the covered charges of noncontracting providers of services for the  
 8 treatment of chemical dependency or mental or nervous conditions. The insured shall, subject to  
 9 subsections (2) and (3) of this section, have the right to use the services of a noncontracting provider  
 10 of services for the treatment of chemical dependency or mental or nervous conditions, whether or  
 11 not the services for chemical dependency or mental or nervous conditions are provided by con-  
 12 tracting or noncontracting providers.

13 (13) The Oregon Health Authority shall establish a process for the certification of an organiza-  
 14 tion described in subsection (1)(e)(B) of this section that:

15 (a) Is not otherwise subject to licensing or certification by the authority; and

16 (b) Does not contract with the authority, a subcontractor of the authority or a community  
 17 mental health program.

18 (14) The Oregon Health Authority shall adopt by rule standards for the certification provided  
 19 under subsection (13) of this section to ensure that a certified provider organization offers a distinct  
 20 and specialized program for the treatment of mental or nervous conditions.

21 (15) The Oregon Health Authority may adopt by rule an application fee or a certification fee,  
 22 or both, to be imposed on any provider organization that applies for certification under subsection  
 23 (13) of this section. Any fees collected shall be paid into the Oregon Health Authority Fund estab-  
 24 lished in ORS 413.101 and shall be used only for carrying out the provisions of subsection (13) of this  
 25 section.

26 (16) The intent of the Legislative Assembly in adopting this section is to reserve benefits for  
 27 different types of care to encourage cost effective care and to ensure continuing access to levels  
 28 of care most appropriate for the insured's condition and progress. This section does not prohibit an  
 29 insurer from requiring a provider organization certified by the Oregon Health Authority under sub-  
 30 section (13) of this section to meet the insurer's credentialing requirements as a condition of enter-  
 31 ing into a contract.

32 (17) The Director of the Department of Consumer and Business Services and the Oregon Health  
 33 Authority, after notice and hearing, may adopt reasonable rules not inconsistent with this section  
 34 that are considered necessary for the proper administration of this section.

35 **NOTE:** Corrects name of entity in (5)(b).

36 **SECTION 58. ORS 743B.120 is added to and made a part of ORS chapter 743A.**

37 **NOTE:** Adds statute to appropriate series.

7 (b) The communication of the notice must also contain a statement advising the recipient that  
 8 the recipient may contact the [*Insurance*] Division **of Financial Regulation** of the Department of  
 9 Consumer and Business Services for more information, and must include an address or other lo-  
 10 cation or manner by which the recipient may contact the [*Insurance*] Division **of Financial Regu-

12 (c) The department shall adopt by rule the appropriate address or other location or manner of  
 13 contact to be included in the required notice.

25 **NOTE:** Updates name of division in (2)(b).
