11 **“(A) Any entity licensed under the laws of this state for the purpose of providing health**
12 **care services;**
13 **“(B) Any practitioner licensed under the laws of this state for the purpose of practicing**
14 **a health care profession; or**
15 **“(C) An insurer of health care services.**
16 **“(c) ‘Disability’ has the meaning described in ORS 659A.104.**
17 **“(d) ‘Organ transplant’ means the transplantation or transfusion of a part of a human**
18 **body into another human body for the purpose of treating or curing a medical condition.**
19 **“(e) ‘Qualified individual’ means an individual who, with or without the availability of**
20 **support networks, auxiliary aids and services or reasonable modifications to policies or**
21 **practices, meets the eligibility requirements for the receipt of an organ transplant.**
22 **“(f) ‘Reasonable modifications to policies or practices’ includes:**
23 **“(A) Communication with individuals responsible for supporting an individual through**
24 **postsurgical, posttransplantation and posttransfusion care, including the administration of**
25 **medication; and**
26 **“(B) Consideration of support networks available to an individual, including family,**
27 **friends and home- and community-based services funded through Medicaid, Medicare, a**
28 **health benefit plan as defined in ORS 743B.005 or any other source of funding available to the**
29 **individual, in determining whether the individual is able to comply with posttransplantation**
30 **and posttransfusion medical requirements.**
31 **“(g) ‘Transplant hospital’ has the meaning given that term in ORS 97.953.**
32 **“(2) A covered entity may not, solely on the basis of a qualified individual’s disability:**
33 **“(a) Consider the individual ineligible to receive an organ transplant.**
34 **“(b) Deny the individual medical services or other services related to organ transplanta-**
35 **tion, including diagnostic services, surgery, postoperative treatment and counseling.**

1 “(c) Refuse to refer the individual to a transplant hospital or an organ transplant spe-
2 cialist for the purpose of being evaluated for or receiving an organ transplant.

3 “(d) Refuse to place the individual on an organ transplant waiting list.

4 “(e) Place the individual on an organ transplant waiting list at a lower priority position
5 than the position at which the individual would have been placed if the individual did not have
6 a disability.

7 “(f) Refuse the individual insurance coverage for any procedure associated with being
8 evaluated for or receiving an organ transplant, including posttransplantation and
9 posttransfusion care.

10 “(3) Notwithstanding subsection (2) of this section, a covered entity may consider a
11 qualified individual’s disability when making treatment or insurance coverage decisions or
12 recommendations related to organ transplantation, to the extent that the disability has been
13 found by a physician licensed under ORS chapter 677, following an individualized evaluation
14 of the individual, to be medically significant to the receipt of the organ transplant.

15 “(4) If a covered entity makes an objectively reasonable determination that a qualified
16 individual has the necessary support networks, including family, friends and home- and
17 community-based services funded through Medicaid, Medicare, a health benefit plan as de-
18 fined in ORS 743B.005 or any other source of funding available to the individual, to assist the
19 individual in complying with posttransplantation and posttransfusion medical requirements,
20 the covered entity may not consider the individual’s inability to independently comply with
21 those orders to be medically significant for purposes of subsection (3) of this section.

22 “(5) A covered entity must modify the covered entity’s policies, practices or procedures
23 when modification is necessary to make medical services or other services related to organ
24 transplantation, including diagnostic services, surgery, postoperative treatment and coun-
25 seling, available to a qualified individual who has a disability unless the covered entity dem-
26 onstrates that making the modification would fundamentally alter the nature of the medical
27 services or other services related to organ transplantation.

28 “(6) A covered entity must take steps necessary to ensure that a qualified individual who
29 has a disability is not denied medical services or other services related to organ transplan-
30 tation, including diagnostic services, surgery, postoperative treatment and counseling, unless
31 the covered entity demonstrates that taking the steps would fundamentally alter the nature
32 of the medical services or other services related to organ transplantation or would result in
33 an undue burden for the covered entity.

34 “(7) Judicial review of a claim brought under this section may be sought from the circuit
35 court for the county in which the potential recipient of the organ transplant resides or re-
36 sided or was denied the organ transplant. The circuit court shall give priority on its docket
37 and expedited review to a claim brought under this section.

38 “(8) In an action brought under this section, the court may grant equitable relief, in-
39 cluding:

40 “(a) Requiring auxiliary aids and services to be made available for a qualified individual
41 with a disability;

42 “(b) Requiring the modification of a policy, practice or procedure of a covered entity; or

43 “(c) Requiring facilities be made readily accessible to and usable by a qualified individual
44 with a disability.

45 “SECTION 2. This 2017 Act being necessary for the immediate preservation of the public

1 **peace, health and safety, an emergency is declared to exist, and this 2017 Act takes effect**
2 **on its passage.”**
