41 “SECTION 6. ORS 658.415 is amended to read:

44 Any person may file an application for a license to act as a labor contractor at any office of the
45 Bureau of Labor and Industries. The application shall be sworn to by the applicant and shall be

1 written on a form prescribed by the commissioner. The form shall include, but not be limited to,
2 questions asking:

3 “(a) The applicant’s name, Oregon address and all other temporary and permanent addresses the
4 applicant uses or knows will be used in the future.

5 “(b) Information on all motor vehicles to be used by the applicant in operations as a labor
6 contractor including license number and state of licensure, vehicle number and the name and ad-
7 dress of vehicle owner for all vehicles used.

9 the preceding three years, or in this or any other jurisdiction had a labor contract license denied,
10 revoked or suspended within the preceding three years.

11 “(d) The names and addresses of all persons financially interested, whether as partners, share-
12 holders, associates or profit-sharers, in the applicant’s proposed operations as a labor contractor,
13 together with the amount of their respective interests, and whether or not, to the best of the
14 applicant’s knowledge, any of these persons was ever denied a license under ORS 658.405 to 658.503
15 within the preceding three years, or had a labor contractor license denied, revoked or suspended
16 within the preceding three years in this or any other jurisdiction.

17 “(2) Each applicant shall furnish satisfactory proof with the application:

18 “(a) Of the existence of a policy of insurance in an amount adequate under rules issued by the

26 promptly pay the wages of employees and other obligations specified in this section. The proof re-
27 quired in this subsection shall be in the form of a corporate surety bond of a company licensed to
28 do such business in Oregon, a cash deposit or a deposit the equivalent of cash. For the purposes of
29 this subsection, it shall be deemed sufficient compliance if the labor contractor procures a savings
30 account at a bank or savings and loan institution in the name of the commissioner as trustee for the
31 employees of the labor contractor and others as their interests may appear and delivers proof of the
32 account and the ability to withdraw the funds to the commissioner under the terms of a bond ap-
33 proved by the commissioner. The amount of the bond and the security behind the bond, or the cash
34 deposit, shall be based on the maximum number of employees the labor contractor employs at any
35 time during the year. The bond or cash deposit shall be:

36 “(a) \$10,000 if the labor contractor employs no more than 20 employees; or

37 “(b) \$30,000, or such lesser sum as may be authorized by the commissioner under ORS 658.416,
38 if the labor contractor employs 21 or more employees.

39 “(4) In the event that a single business entity licensed as a labor contractor has more than one
40 natural person who, as an owner or employee of the business entity, engages in activities that re-
41 quire the persons to be licensed individually as labor contractors, and each person engages in those
42 activities solely for that business entity, the commissioner may provide by rule for lower aggregate
43 bonding requirements for the business entity and its owners and employees. If there is an unsatisfied
44 judgment of a court or final decision of an administrative agency against a license applicant, the
45 subject of which is any matter that would be covered by the bond or deposit referred to in sub-

1 section (3) of this section, the commissioner may not issue a license to the applicant until the
2 judgment or decision is satisfied. As a condition of licensing any such applicant, the commissioner
3 may require the applicant to submit proof of financial ability required by subsection (3) of this sec-
4 tion in an amount up to three times that ordinarily required of a license applicant.

5 “(5) All corporate surety bonds filed under this section or ORS 658.419 shall be executed to
6 cover liability for the period for which the license is issued. During the period for which it is exe-
7 cuted, the bond may not be canceled or otherwise terminated.

8 “(6) **A property services contractor is not required to file proof of financial ability under**
9 **subsection (3) of this section if:**

10 “(a) **The property services contractor provides proof of general liability insurance cover-**
11 **age in an amount that the commissioner determines by rule is adequate; and**

12 “(b) **The commissioner finds that the property services contractor, within the preceding**
13 **two years, has not:**

14 “(A) **Violated ORS chapter 652 or 653; or**

15 “(B) **Committed an unlawful employment practice under ORS chapter 659A.**

16 “[6] (7) Each application must be accompanied by the fee established under ORS 658.413.

17 “[7] (8) Any person who uses the services of a labor contractor who has failed to comply with
18 any of the provisions of this section or ORS 658.419 shall:

19 “(a) Be personally and jointly and severally liable to any employee as far as the employee has
20 not been paid wages in full for the work done for that person.

21 “(b) Be personally liable for all penalty wages that have occurred under ORS 652.150 for the
22 wages due under this section.

23 “[8] (9) Any person who suffers any loss of wages from the employer of the person or any other
24 loss specified in subsection [(16)] (17) of this section shall have a right of action in the name of the
25 person against the surety upon the bond or against the deposit with the commissioner. The right
26 of action:

27 “(a) Is assignable and must be included with an assignment of a wage claim, of any other ap-
28 propriate claim or of a judgment thereon.

29 “(b) May not be included in any action against the labor contractor but must be exercised in-
30 dependently after first procuring a judgment or other form of adequate proof of liability established
31 by rule and procedure under subsection [(14)] (15) of this section establishing the labor contractor’s
32 liability for the claim.

33 “[9)(a)] (10)(a) The surety company or the commissioner shall make prompt and periodic pay-
34 ments on the labor contractor’s liability up to the extent of the total sum of the bond or deposit.

35 “(b) Payment shall be made based upon priority of wage claims over advances made by the
36 construction property owner, the grower or producer of agricultural commodities or the owner or
37 lessee of land intended to be used for the production of timber, for advances made to or on behalf
38 of the labor contractor.

39 “(c) Payment shall be made in full of all sums due to each person who presents adequate proof
40 of the claim.

41 “(d) Payment shall be made in part if there are insufficient funds to pay in full the person next
42 entitled to payment in full.

43 “[10] (11) A person may not bring any action against the surety company or the commissioner
44 on the bond or against the commissioner as the trustee for the beneficiaries of the labor contractor
45 under any deposit made pursuant to this section or ORS 658.419 unless the person has first ex-

1 hausted the procedures contained in subsections [(8) and (12)] **(9) and (13)** of this section or in ORS
2 658.419 and contends that the surety company or the commissioner still has funds that are applicable
3 to the person’s judgment or acknowledgment.

4 “[(11)] **(12)** The commissioner may not be prevented from accepting assignments of wage claims
5 and enforcing liability against the surety on the bond or from applying the deposit to just wage
6 claims filed with the commissioner.

7 “[(12)] **(13)** All claims against the bond or deposit shall be unenforceable unless request for
8 payment of a judgment or other form of adequate proof of liability or a notice of the claim has been
9 made by certified mail to the surety or the commissioner within six months from the end of the pe-
10 riod for which the bond or deposit was executed and made.

11 “[(13)] **(14)** If the commissioner has received no notice as provided in subsection [(12)] **(13)** of
12 this section within six months after a labor contractor is no longer required to provide and maintain
13 a surety bond or deposit, the commissioner shall terminate and surrender any bond or any deposit
14 under the control of the commissioner to the person who is entitled thereto upon receiving appro-
15 priate proof of such entitlement.

16 “[(14)] **(15)** The commissioner shall adopt rules reasonably necessary for administration and
17 enforcement of the provisions of this section and ORS 658.419.

18 “[(15)] **(16)** Every labor contractor required by this section or ORS 658.419 to furnish a surety
19 bond or make a deposit in lieu of a surety bond shall keep conspicuously posted upon the premises
20 where employees working under the contractor are employed a notice, in both English and any other
21 language used by the labor contractor to communicate with workers, specifying the contractor’s
22 compliance with the requirements of this section and ORS 658.419 and specifying the name and
23 Oregon address of the surety on the bond or a notice that a deposit in lieu of the bond has been
24 made with the commissioner together with the address of the commissioner.

25 “[(16)] **(17)** The bond or deposit referred to in subsection (3) of this section shall be payable to
26 the commissioner and shall be conditioned upon:

27 “(a) Payment in full of all sums due on wage claims of employees.

28 “(b) Payment by the labor contractor of all sums due to the construction property owner, the
29 grower or producer of agricultural commodities or the owner or lessee of land intended to be used
30 for the production of timber for advances made to or on behalf of the labor contractor.

31 “[(17)] **(18)** The commissioner may not issue a license until the applicant executes a written
32 statement that shall be subscribed and sworn to and that shall contain the following declaration:

33 “ _____

34
35 With regards to any action filed against me concerning my activities as a labor contractor, I

42 of this section or by ORS 658.419 is not personally or jointly and severally liable for unpaid wages
43 above the amount of the bond solely because the person cosigned for the bond.

44 “[(19)] **(20)** The court may award reasonable attorney fees to the prevailing party in any action
45 to enforce the provisions of this section or ORS 658.419.

1 “**SECTION 7.** ORS 658.511 is amended to read:

2 “658.511. Nothing in ORS 658.405 to 658.503 affects whether a person is an employee of a
