6 **SECTION 4.** ORS 91.225 is amended to read:

7 91.225. (1) The Legislative Assembly finds that there is a social and economic need to insure an
 8 adequate supply of affordable housing for Oregonians. The Legislative Assembly also finds that the
 9 imposition of general restrictions on housing rents will disrupt an orderly housing market, increase
 10 deferred maintenance of existing housing stock, lead to abandonment of existing rental units and
 11 create a property tax shift from rental-owned to owner-occupied housing. Therefore, the Legislative
 12 Assembly declares that the imposition of rent control on housing in the State of Oregon is a matter
 13 of statewide concern.

14 (2) Except as provided in subsections (3) to [(5)] (6) of this section, a city **with a population**
 15 **of 200,000 or fewer** or a county *[shall]* **may** not enact any ordinance or resolution which controls
 16 the rent that may be charged for the rental of any dwelling unit.

17 (3) This section does not impair the right of any state agency, city, county or urban renewal
 18 agency as defined by ORS 457.035 to reserve to itself the right to approve rent increases, establish
 19 base rents or establish limitations on rents on any residential property for which it has entered into
 20 a contract under which certain benefits are applied to the property for the expressed purpose of
 21 providing reduced rents for low income tenants. Such benefits include, but are not limited to, prop-
 22 erty tax exemptions, long-term financing, rent subsidies, code enforcement procedures and zoning
 23 density bonuses.

24 (4) Cities and counties are not prohibited from including in condominium conversion ordinances
 25 a requirement that, during the notification period specified in ORS 100.305, the owner or developer
 26 may not raise the rents of any affected tenant except by an amount established by ordinance that
 27 does not exceed the limit imposed by ORS 90.493.

28 (5) Cities, counties and state agencies may impose temporary rent controls when a natural or
 29 man-made disaster that materially eliminates a significant portion of the rental housing supply oc-
 30 curs, but must remove the controls when the rental housing supply is restored to substantially
 31 normal levels.

32 **(6) A city with a population of 200,000 or fewer may adopt an ordinance or resolution**
 33 **under section 2 of this 2017 Act that controls rent amounts and increases.**

34 [(6)] (7) As used in this section, “dwelling unit” and “rent” have the meaning given those terms
 35 in ORS 90.100.

36 [(7)] (8) This section is applicable throughout this state *[and in all cities and counties therein]*.
 37 The electors or the governing body of a city or county shall not enact, and the governing body shall
 38 not enforce, any ordinance, resolution or other regulation that is inconsistent with this section.

39 **SECTION 5. This 2017 Act being necessary for the immediate preservation of the public**
 40 **peace, health and safety, an emergency is declared to exist, and this 2017 Act takes effect**
 41 **on its passage.**
