41 180.435. (1) Not later than 20 days after the end of each calendar quarter, and more frequently
42 if so directed by the Attorney General, a distributor shall report such information as the Attorney
43 General requires to facilitate compliance by tobacco product manufacturers with this section and
44 ORS 180.410, 180.415, 180.420, 180.430 and 180.440, and with rules adopted under ORS 180.445 and
45 180.450. The information shall include, but need not be limited to, a list by brand family of the total

1 number of cigarettes or, in the case of roll-your-own tobacco, the equivalent stick count for which
2 the distributor affixed stamps or otherwise paid the tax due during the previous calendar quarter.

3 (2) A distributor shall maintain for a period of five years all invoices and documentation of sales
4 of cigarettes manufactured by nonparticipating manufacturers and any other information relied upon
5 in reporting to the Attorney General under subsection (1) of this section. The distributor shall make
6 the invoices and other documentation available to the Attorney General upon request.

7 (3)(a) The Attorney General may compel by subpoena the production of any books, papers, re-
8 cords or other information required to be maintained under subsection (2) of this section and may
9 require any person to appear and provide testimony pertinent to the information described in sub-
10 section (2) of this section. The subpoena shall have the same force and effect and be served in the
11 same manner as in a civil action in the circuit court.

12 (b) If a person fails to produce any books, papers, records or other information required to be
13 produced, fails to appear or testify about a matter for which testimony may be compelled or other-
14 wise fails to comply with a subpoena issued under this subsection, the Attorney General may apply
15 to the circuit court of the county in which the person to whom the subpoena was issued resides or
16 may be found. The application shall be for an order requiring the person to comply with the demand
17 or request of the Attorney General. The application shall be made by ex parte motion. The order
18 of the court shall require the person against whom the order is directed to comply with the request
19 or demand of the Attorney General within 10 days after the service of the order, or such further
20 time as the court may grant, or to justify the failure to comply with the order within that time.

21 (c) Failure to comply with an order under this subsection shall constitute contempt of court.
22 The remedy provided under this paragraph shall be in addition to any other remedy provided by law.

23 (4) A distributor shall provide the Attorney General with an electronic mail address so that the
24 Attorney General may notify the distributor of the information required under subsections (1) and
25 (8) of this section.

26 (5) The Attorney General and the Department of Revenue may share with each other informa-
27 tion received under *[this section and ORS 180.410, 180.415 and 323.106]* **ORS 180.400 to 180.455,**
28 **ORS chapter 323 and corresponding rules,** and may share such information with federal, state or
29 local agencies for purposes of enforcement of *[this section and ORS 180.410, 180.415, 180.420, 180.430,*
30 *180.440 and 323.806, rules adopted under ORS 180.445 and 180.450 and corresponding laws of other*
31 *states]* **ORS 180.400 to 180.455, ORS chapter 323 and corresponding rules, or the corresponding**
32 **laws of other states and with the data clearinghouse or similar entity established pursuant**
33 **to a settlement agreement between the State of Oregon and the participating manufacturers,**
34 **and with any parties necessary to effectuate the terms of the settlement agreement.**

35 (6) The Attorney General may at any time require a nonparticipating manufacturer to produce
36 proof from the financial institution in which the nonparticipating manufacturer has established a
37 qualified escrow fund for the purpose of compliance with ORS 323.806 of the amount of moneys in
38 the fund, exclusive of interest, the amount and date of each deposit and the amount and date of each
39 withdrawal from the fund.

40 (7) The Attorney General shall, upon request of a nonparticipating manufacturer whose compli-
41 ance with escrow requirements is at issue, provide the manufacturer with copies of all documents
42 upon which any proposed addition to the escrow is based. Documents required to be provided under
43 this subsection include, but are not necessarily limited to, reports under this section from distribu-
44 tors. The information provided to the manufacturer under this subsection may not include informa-
45 tion about brand families or products of any tobacco product manufacturer other than the one to

1 whom the information is provided. The information may be used only for the purpose of determining
2 the appropriate amount of escrow deposits.

3 (8) The Attorney General may require a distributor or a tobacco product manufacturer to submit
4 any additional information, including, but not limited to, samples of the packaging and labeling of
5 each brand family, to enable the Attorney General to determine whether a tobacco product man-
6 ufacturer is in compliance with this section and ORS 180.410, 180.415, 180.420, 180.430 and 180.440
7 and with rules adopted under ORS 180.445 and 180.450.

8 **SECTION 8. Sections 9 to 11 of this 2017 Act are added to and made a part of ORS 180.400**
9 **to 180.455.**

10 **SECTION 9. Bond required of nonparticipating manufacturer.** (1) A nonparticipating

12 which is conditioned on the nonparticipating manufacturer fully complying with the escrow
13 obligations of ORS 323.806.

14 (2) The bond must be posted at least 10 days in advance of each calendar quarter as a
15 condition to the nonparticipating manufacturer and its brand families being included in the
16 state directory for that quarter. The amount of the bond must be the greater of:

17 (a) The greatest required escrow amount due from the nonparticipating manufacturer
18 or its predecessor for any of the 12 preceding calendar quarters; or

19 (b) \$25,000.

20 (3) If a nonparticipating manufacturer that posted a bond has failed to make or have
21 made on its behalf deposits equal to the full amount owed for a quarter within 15 days fol-
22 lowing the due date for the quarter, the Attorney General may execute upon the bond in the
23 amount equal to any remaining amount of the escrow due, including any applicable penalties
24 or other charges allowable by law. Amounts the Attorney General collects on a bond shall
25 be deposited into the General Fund for the benefit of the state and shall reduce the amount
26 of escrow due from the nonparticipating manufacturer in the dollar amount collected.
27 Escrow obligations above the amount collected on the bond remain due from the nonpartic-
28 ipating manufacturer and any importer liable as provided in ORS 323.806.

29 (4) The bond required under this section must be a good and sufficient bond executed by
30 a surety company licensed and authorized to do business in Oregon and shall be conditioned
31 to pay the escrow requirements as well as any penalties or other charges under this chapter.

32 (5) The Attorney General may promulgate rules necessary to implement this section in-
33 cluding acceptable forms and types of bonds.

34 **SECTION 10. Prohibited conduct.** (1)(a) A person engaged in the business of selling ciga-

38 state other than a distributor or retailer.

39 (b) Paragraph (a) of this subsection does not apply to a freight forwarder or motor car-

6 10 of this 2017 Act and compel compliance with section 10 of this 2017 Act.

7 (2) If a court determines that a person violated section 10 of this 2017 Act, the court shall
8 order the disgorgement of any profits, gain, gross receipts or other benefit from the vio-
9 lation. All moneys disgorged under this subsection must be deposited in the Tobacco
10 Enforcement Fund established under ORS 180.205.

11 (3)(a) In any action brought pursuant to this section, the state may recover the costs
12 of the investigation, the costs of the action, reasonable attorney fees and a civil penalty for
13 each violation, not to exceed \$5,000 per violation. A civil penalty imposed under this section
14 must be imposed in the manner provided by ORS 183.745.

15 (b) For the purposes of this subsection, each shipment or transport of cigarettes or
16 smokeless tobacco products constitutes a separate violation.

17 (4) Unless expressly provided, the remedies or penalties under this section are cumulative
18 to each other and to the remedies available under all other laws of this state.

19 **SECTION 12. Investigative demand.** (1) If it appears to the Attorney General that a per-
20 son, including a person described in section 10 (1)(b) of this 2017 Act, has possession, custody
