7 **SECTION 1.** ORS 131.005 is amended to read:

10 (1) "Accusatory instrument" means a grand jury indictment, an information or a complaint.

12 a peace officer to take into custody a defendant in the action who has previously appeared before
13 the court upon the accusatory instrument by which the action was commenced, and to bring the
14 defendant before the court. The function of a bench warrant is to achieve the court appearance of
15 a defendant in a criminal action for some purpose other than the initial arraignment of the defend-
16 ant in the action.

17 (3) "Complaint" means a written accusation, verified by the oath of a person and bearing an
18 indorsement of acceptance by the district attorney having jurisdiction thereof, filed with a

21 cution thereof.

22 (4) "Complainant's information" means a written accusation, verified by the oath of a person and
23 bearing an indorsement of acceptance by the district attorney having jurisdiction thereof, filed with

26 thereof.

27 (5) "Correctional facility" means any place used for the confinement of persons charged with

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 or convicted of a crime or otherwise confined under a court order. “Correctional facility” does not
 2 include a youth correction facility as defined in ORS 162.135 and applies to a state hospital only as
 3 to persons detained therein charged with or convicted of a crime, or detained therein after acquittal
 4 of a crime by reason of [*mental disease or defect*] **a qualifying psychiatric or developmental con-**
 5 **dition** under ORS 161.290 to 161.370.

6 (6) “Criminal action” means an action at law by means of which a person is accused of the
 7 commission of a violation, misdemeanor or felony.

8 (7) “Criminal proceeding” means any proceeding which constitutes a part of a criminal action
 9 or occurs in court in connection with a prospective, pending or completed criminal action.

10 (8) “District attorney,” in addition to its ordinary meaning, includes a city attorney as prose-
 11 cuting officer in the case of municipal ordinance offenses, a county counsel as prosecuting officer
 12 under a county charter in the case of county ordinance offenses, and the Attorney General in those
 13 criminal actions or proceedings within the jurisdiction of the Attorney General.

14 (9) “District attorney’s information” means a written accusation by a district attorney and:

15 (a) If filed with a magistrate to charge a person with the commission of an offense, other than
 16 an offense punishable as a felony, serves both to commence an action and as a basis for prosecution
 17 thereof; or

18 (b) If filed with a magistrate to charge a person with the commission of an offense punishable
 19 as a felony, serves to commence an action, but not as a basis for prosecution thereof; or

20 (c) If, as is otherwise authorized by law, filed in circuit court to charge a person with the
 21 commission of an offense, serves as a basis for prosecution thereof.

22 (10) “Information” means a district attorney’s information or a complainant’s information.

23 (11) “Probable cause” means that there is a substantial objective basis for believing that more
 24 likely than not an offense has been committed and a person to be arrested has committed it.

25 (12) “Trial court” means a court which by law has jurisdiction over an offense charged in an
 26 accusatory instrument and has authority to accept a plea thereto, or try, hear or otherwise dispose
 27 of a criminal action based on the accusatory instrument.

28 (13) “Ultimate trial jurisdiction” means the jurisdiction of a court over a criminal action or
 29 proceeding at the highest trial level.

30 (14) “Warrant of arrest” means a process of a court, directing a peace officer to arrest a de-
 31 fendant and to bring the defendant before the court for the purpose of arraignment upon an
 32 accusatory instrument filed therewith by which a criminal action against the defendant has been
 33 commenced.

34 **SECTION 2.** ORS 135.748 is amended to read:

35 135.748. (1) All applicable periods of elapsed time as follows are excluded from the time limits
 36 described in ORS 135.746:

37 (a) A period of time during which the defendant is:

38 (A) Under observation or examination for fitness to proceed under ORS 161.365, beginning when
 39 the issue of the defendant’s possible lack of fitness to proceed has been raised by the defendant or
 40 the defendant’s counsel, until a final determination regarding the defendant’s fitness to proceed has
 41 been made by the court;

42 (B) Determined to be unfit to proceed by the court pursuant to ORS 161.360 and 161.370;

43 (C) Under observation or examination after notice of the issue of the defendant’s [*mental disease*
 44 *or defect*] **qualifying psychiatric or developmental condition**, partial responsibility, diminished
 45 capacity, insanity or other mental defense is raised by the defendant or the defendant’s counsel,

1 until the trial date; or

2 (D) Unable to appear by reason of illness or physical disability.

3 (b) A period of time following the filing of an interlocutory appeal or an appeal from the dis-
4 missal of the charge or charging instrument, or that results from a stay issued by an appellate court
5 in a mandamus or habeas proceeding, until the appellate judgment is issued or the stay is lifted by
6 the appellate court.

7 (c) A period of time between a scheduled court appearance at which the defendant fails to ap-
8 pear and the next scheduled court appearance other than an appearance that occurs for the purpose
9 of addressing a warrant resulting from the defendant's failure to appear.

10 (d) A period of time during which the defendant's location is known but the defendant's presence
11 for trial cannot be obtained, or during which the defendant is outside this state and resists being
12 returned to this state for trial.

13 (e) A period of time during which the defendant's location is unknown and:

14 (A) The defendant has attempted to avoid apprehension or prosecution; or

15 (B) The defendant's location cannot be determined by due diligence.

16 (f) A period of time while the defendant is on trial or engaged in court proceedings in an unre-
17 lated matter, whether in the same court or a different court, and was therefore physically unavail-
18 able for trial.

19 (g) A period of time between a mistrial on the charging instrument and a subsequent trial on
20 the charging instrument, not to exceed three months for each mistrial. The three-month limit may
21 be extended by the court for good cause upon request from either party or upon the court's own
22 motion.

23 (h) A period of time between a continuance or a rescheduling of a trial date, granted at the
24 request of, or with the consent of, the defendant or the defendant's counsel, and the new trial date.
25 A defendant who is proceeding without counsel may not consent to a continuance or a rescheduling
26 unless the court has advised the defendant of the defendant's right to a speedy trial within the time
27 limit required in ORS 135.746 and the consequences of the defendant's consent to the continuance
28 or rescheduling.

29 (2) Any period of time excluded pursuant to subsection (1) of this section from the time limits
30 described in ORS 135.746 that applies to a defendant shall apply to all other defendants charged in
31 the charging instrument. However, if the court finds that it is clearly inappropriate to apply the time
32 exclusion to all of the other defendants, the court may order any relief that justice requires.

33 **SECTION 3.** ORS 161.295 is amended to read:

34 161.295. (1) A person is guilty except for insanity if, as a result of [*mental disease or defect*] **a**
35 **qualifying psychiatric or developmental condition** at the time of engaging in criminal conduct,
36 the person lacks substantial capacity either to appreciate the criminality of the conduct or to con-
37 form the conduct to the requirements of law.

38 (2) As used in chapter 743, Oregon Laws 1971, [*the terms "mental disease or defect" do not include*
39 *an abnormality manifested only by*] **"qualifying psychiatric or developmental condition" has the**
40 **meaning given that term in rules adopted by the Psychiatric Security Review Board, except**
41 **that the definition may not include behavior consisting solely of:**

42 (a) Repeated criminal or otherwise antisocial conduct[, *nor do they include any abnormality*
43 *constituting*];

44 (b) [*Solely*] A personality disorder[.];

45 (c) **A drug-related or alcohol-related disorder; or**

1 (d) **A sexual conduct disorder.**

2 (3) **The Psychiatric Security Review Board shall adopt rules that define the conditions**
 3 **that qualify as qualifying psychiatric or developmental conditions.**

4 **SECTION 4.** ORS 161.300 is amended to read:

5 161.300. Evidence that the actor suffered from a [*mental disease or defect*] **qualifying psychiatric**
 6 **or developmental condition** is admissible whenever it is relevant to the issue of whether the actor
 7 did or did not have the intent which is an element of the crime.

8 **SECTION 5.** ORS 161.305 is amended to read:

9 161.305. [*Mental disease or defect*] **A qualifying psychiatric or developmental condition** con-
 10 stituting insanity under ORS 161.295 is an affirmative defense.

11 **SECTION 6.** ORS 161.325 is amended to read:

12 161.325. (1) After entry of judgment of guilty except for insanity, the court shall, on the basis
 13 of the evidence given at the trial or at a separate hearing, if requested by either party, enter an
 14 order as provided in ORS 161.327, 161.328 or 161.329, whichever is appropriate.

15 (2) If the court enters an order as provided in ORS 161.327, it shall also:

16 (a) Determine on the record the offense of which the person otherwise would have been con-
 17 victed;

18 (b) State on the record the [*mental disease or defect*] **qualifying psychiatric or developmental**
 19 **condition** on which the defendant relied for the guilty except for insanity defense; and

20 (c) Make specific findings on whether there is a victim of the crime for which the defendant has
 21 been found guilty except for insanity and, if so, whether the victim wishes to be notified, under ORS
 22 161.326, of any hearings and orders concerning the defendant and of any conditional release, dis-
 23 charge or escape of the defendant.

24 (3) The court shall include any such findings in its order.

25 (4) Except under circumstances described in ORS 137.076 (4), whenever a defendant charged
 26 with any offense listed in ORS 137.076 (1) has been found guilty of that offense except for insanity,
 27 the court shall, in any order entered under ORS 161.327 or 161.329, direct the defendant to submit
 28 to the obtaining of a blood or buccal sample in the manner provided in ORS 137.076.

29 **SECTION 7.** ORS 161.327 is amended to read:

30 161.327. (1) Following the entry of a judgment pursuant to ORS 161.319, if the court finds by a
 31 preponderance of the evidence that a person found guilty except for insanity of a felony is affected
 32 by [*mental disease or defect*] **a qualifying psychiatric or developmental condition** and presents a
 33 substantial danger to others, the court shall enter an order as follows:

34 (a) If the court finds that the person is not a proper subject for conditional release, the court
 35 shall order the person committed to a state hospital or, if the person is under 18 years of age, to a
 36 secure intensive community inpatient facility for custody, care and treatment. When the court orders
 37 a person committed under this paragraph, the court shall place the person under the jurisdiction
 38 of:

39 (A) The Psychiatric Security Review Board, if the person is a tier one offender.

40 (B) The Oregon Health Authority, if the person is a tier two offender.

41 (b) If the court finds that the person can be adequately controlled with supervision and treat-
 42 ment if conditionally released and that necessary supervision and treatment are available, the court
 43 shall order the person conditionally released.

44 (2) When a person is conditionally released under this section, the person is subject to those
 45 supervisory orders of the court as are in the best interests of justice, the protection of society and

1 the welfare of the person. The court shall designate a person or state, county or local agency to
 2 supervise the person upon release, subject to those conditions as the court directs in the order for
 3 conditional release. Prior to the designation, the court shall notify the person or agency to whom
 4 conditional release is contemplated and provide the person or agency an opportunity to be heard
 5 before the court. After receiving an order entered under subsection (1)(b) of this section, the person
 6 or agency designated shall assume supervision of the person pursuant to the direction of the Psy-
 7 chiatric Security Review Board. The person or agency designated as supervisor shall be required to
 8 report in writing no less than once per month to the board concerning the supervised person's
 9 compliance with the conditions of release.

10 (3) In determining whether a person should be conditionally released, the court:

11 (a) May order evaluations, examinations and compliance as provided in ORS 161.336 (3) and
 12 161.346 (3);

13 (b) Shall order that the person be examined by a local [*mental*] **psychiatric or psychological**
 14 health program designated by the board and a report of the examination be provided to the court
 15 if each felony for which the defendant was found guilty except for insanity is a Class C felony; and

16 (c) Shall have as its primary concern the protection of society.

17 (4) Upon placing a person on conditional release, the court shall notify the board in writing of
 18 the court's conditional release order, the supervisor appointed and all other conditions of release,
 19 and the person shall be on conditional release pending hearing before the board. Upon compliance
 20 with this section, the court's jurisdiction over the person is terminated.

21 (5) The total period of commitment or conditional release under ORS 161.315 to 161.351 may not
 22 exceed the maximum sentence provided by statute for the crime for which the person was found
 23 guilty except for insanity.

24 (6) An order of the court under this section is a final order appealable by the person found
 25 guilty except for insanity in accordance with ORS 19.205 (5). Notwithstanding ORS 19.255, notice
 26 of an appeal under this section shall be served and filed within 90 days after the order appealed from
 27 is entered in the register. The person shall be entitled on appeal to suitable counsel possessing
 28 skills and experience commensurate with the nature and complexity of the case. If the person is fi-
 29 nancially eligible, suitable counsel shall be appointed in the manner provided in ORS 138.500 (1), and
 30 the compensation for counsel and costs and expenses of the person necessary to the appeal shall be
 31 determined and paid as provided in ORS 138.500.

32 (7) Following the entry of an order described in subsection (1) of this section, the court shall
 33 notify the person of the right to appeal and the right to a hearing before the agency exercising ju-
 34 risdiction over the person in accordance with ORS 161.336 (5) and 161.341 (3).

35 **SECTION 8.** ORS 161.328 is amended to read:

36 161.328. (1) Following the entry of a judgment pursuant to ORS 161.319, the court shall order a
 37 person committed to a state mental hospital or other facility designated by the Oregon Health Au-
 38 thority if:

39 (a) Each offense for which the person is found guilty except for insanity is a misdemeanor; and

40 (b) The court finds that the person is affected by [*mental disease or defect*] **a qualifying psy-**
 41 **chiatric or developmental condition** and presents a substantial danger to others that requires
 42 commitment.

43 (2) The total period of commitment under this section may not exceed the maximum sentence
 44 provided by statute for the crime for which the person was found guilty except for insanity.

45 (3) If the superintendent of the state mental hospital or the director of the facility to which the

1 person is committed determines that a person committed under this section is no longer affected by
 2 [*mental disease or defect*] **a qualifying psychiatric or developmental condition** or, if so affected,
 3 no longer presents a substantial danger to others that requires commitment, the superintendent or
 4 director shall file notice of that determination with the committing court. Upon filing of the notice,
 5 the superintendent or director shall discharge the person from custody.

6 **SECTION 9.** ORS 161.329 is amended to read:

7 161.329. Following the entry of a judgment pursuant to ORS 161.319, the court shall order that
 8 the person be discharged from custody if:

9 (1) The court finds that the person is no longer affected by [*mental disease or defect*] **a qualify-**
 10 **ing psychiatric or developmental condition**, or, if so affected, no longer presents a substantial
 11 danger to others and is not in need of care, supervision or treatment; or

12 (2)(a) Each offense for which the person is found guilty except for insanity is a misdemeanor;
 13 and

14 (b) The court finds that the person does not present a substantial danger to others that requires
 15 commitment.

16 **SECTION 10.** ORS 161.336 is amended to read:

17 161.336. (1)(a) When a person is conditionally released under ORS 161.315 to 161.351, the person
 18 is subject to those supervisory orders of the Psychiatric Security Review Board as are in the best
 19 interests of justice, the protection of society and the welfare of the person.

20 (b) An order of conditional release entered by the board or the Oregon Health Authority may
 21 designate any person or state, county or local agency capable of supervising the person upon re-
 22 lease, subject to the conditions described in the order of conditional release.

23 (c) Prior to the designation, the agency conducting the hearing shall notify the person or state,
 24 county or local agency to whom conditional release is contemplated and provide the person or state,
 25 county or local agency an opportunity to be heard.

26 (d) After receiving an order entered under this section, the person or state, county or local
 27 agency designated in the order shall assume supervision of the person in accordance with the con-
 28 ditions described in the order and any modifications of the conditions ordered by the board.

29 (2) Conditions of release contained in orders entered under this section may be modified from
 30 time to time and conditional releases may be terminated as provided in ORS 161.351.

31 (3)(a) As a condition of release, the person may be required to report to any state or local
 32 [*mental*] **psychiatric or psychological** health facility for evaluation. Whenever medical, psychiatric
 33 or psychological treatment is recommended, the order may require the person, as a condition of re-
 34 lease, to cooperate with and accept the treatment from the facility.

35 (b) The facility to which the person has been referred for evaluation shall perform the evalu-
 36 ation and submit a written report of its findings to the board. If the facility finds that treatment of
 37 the person is appropriate, it shall include its recommendations for treatment in the report to the
 38 board.

39 (c) Whenever treatment is provided by the facility, it shall furnish reports to the board on a
 40 regular basis concerning the progress of the person.

41 (d) Copies of all reports submitted to the board pursuant to this section shall be furnished to the
 42 person and the person's counsel. The confidentiality of these reports is determined pursuant to ORS
 43 192.501 to 192.505.

44 (e) The facility shall comply with the conditional release order and any modifications of the
 45 conditions ordered by the board.

1 (4)(a) If at any time while the person is under the jurisdiction of the board it appears to the
 2 board or its chairperson that the person has violated the terms of the conditional release or that
 3 the *[mental]* **psychiatric or psychological** health of the individual has changed, the board or its
 4 chairperson may order the person returned for evaluation or treatment to a state hospital or, if the
 5 person is under 18 years of age, to a secure intensive community inpatient facility. A written order
 6 of the board, or its chairperson on behalf of the board, is sufficient warrant for any law enforcement
 7 officer to take into custody such person and transport the person accordingly. A sheriff, municipal
 8 police officer, constable, parole and probation officer, prison official or other peace officer shall ex-
 9 ecute the order, and the person shall be returned as soon as practicable to the state hospital or
 10 secure intensive community inpatient facility designated in the order.

11 (b) The community *[mental]* **psychiatric or psychological** health program director, the director
 12 of the facility providing treatment to a person on conditional release, any peace officer or any per-
 13 son responsible for the supervision of a person on conditional release may take a person on condi-
 14 tional release into custody or request that the person be taken into custody if there is reasonable
 15 cause to believe the person is a substantial danger to others because of *[mental disease or defect]* **a**
 16 **qualifying psychiatric or developmental condition** and that the person is in need of immediate
 17 care, custody or treatment. Any person taken into custody pursuant to this subsection shall be
 18 transported as soon as practicable to a state hospital or, if the person is under 18 years of age, to
 19 a secure intensive community inpatient facility.

20 (c) Within 20 days following the return of the person to a state hospital or secure intensive
 21 community inpatient facility under this subsection, the agency having jurisdiction over the person
 22 shall conduct a hearing. The agency shall provide notice of the hearing to the person, the attorney
 23 representing the person and the Attorney General. The state must prove by a preponderance of the
 24 evidence the person's unfitness for conditional release. The hearing shall be conducted in accord-
 25 ance with ORS 161.346.

26 (5)(a) Any person conditionally released under this section may apply to the board for discharge
 27 from or modification of an order of conditional release on the ground that the person is no longer
 28 affected by *[mental disease or defect]* **a qualifying psychiatric or developmental condition** or, if
 29 still so affected, no longer presents a substantial danger to others and no longer requires super-
 30 vision, medication, care or treatment. Notice of the hearing on an application for discharge or
 31 modification of an order of conditional release shall be made to the Attorney General. The applicant,
 32 at the hearing pursuant to this subsection, must prove by a preponderance of the evidence the
 33 applicant's fitness for discharge or modification of the order of conditional release. Applications by
 34 the person for discharge or modification of conditional release may not be filed more often than once
 35 every six months.

36 (b) Upon application by any person or agency responsible for supervision or treatment pursuant
 37 to an order of conditional release, the board shall conduct a hearing to determine if the conditions
 38 of release shall be continued, modified or terminated. The application shall be accompanied by a
 39 report setting forth the facts supporting the application.

40 (6) A person who has spent five years on conditional release shall be brought before the board
 41 for hearing within 30 days before the expiration of the five-year period. The board shall review the
 42 person's status and determine whether the person should be discharged from the jurisdiction of the
 43 board.

44 **SECTION 11.** ORS 161.341 is amended to read:

45 161.341. (1) If at any time after a person is committed under ORS 161.315 to 161.351 to a state

1 hospital or a secure intensive community inpatient facility, the superintendent of the hospital or the
 2 director of the secure intensive community inpatient facility is of the opinion that the person is no
 3 longer affected by [*mental disease or defect*] **a qualifying psychiatric or developmental condition**,
 4 or, if so affected, no longer presents a substantial danger to others or that the person continues to
 5 be affected by [*mental disease or defect*] **a qualifying psychiatric or developmental condition** and
 6 continues to be a danger to others, but that the person can be controlled with proper care,
 7 medication, supervision and treatment if conditionally released, the superintendent or director shall
 8 apply to the agency having jurisdiction over the person for an order of discharge or conditional
 9 release. The application shall be accompanied by a report setting forth the facts supporting the
 10 opinion of the superintendent or director. If the application is for conditional release, the application
 11 must be accompanied by a verified conditional release plan. The agency shall hold a hearing on the
 12 application within 60 days of its receipt. Not less than 20 days prior to the hearing before the
 13 agency, copies of the report shall be sent to the Attorney General.

14 (2) The attorney representing the state may choose a psychiatrist or licensed psychologist to
 15 examine the person prior to the initial or any later decision by the agency having jurisdiction over
 16 the person on discharge or conditional release. The results of the examination shall be in writing
 17 and filed with the agency, and shall include, but need not be limited to, an opinion as to the mental
 18 condition of the person, whether the person presents a substantial danger to others and whether the
 19 person could be adequately controlled with treatment as a condition of release.

20 (3) Any person who has been committed to a state hospital, or to a secure intensive community
 21 inpatient facility, for custody, care and treatment under ORS 161.315 to 161.351, or another person
 22 acting on the person's behalf, may apply to the agency having jurisdiction over the person for an
 23 order of discharge or conditional release upon the grounds:

24 (a) That the person is no longer affected by [*mental disease or defect*] **a qualifying psychiatric**
 25 **or developmental condition;**

26 (b) That the person, if so affected, no longer presents a substantial danger to others; or

27 (c) That the person continues to be affected by a [*mental disease or defect*] **qualifying psychi-**
 28 **atric or developmental condition** and would continue to be a danger to others without treatment,
 29 but that the person can be adequately controlled and given proper care and treatment if placed on
 30 conditional release.

31 (4) When application is made under subsection (3) of this section, the agency having jurisdiction
 32 over the person shall require that a report from the superintendent of the hospital or the director
 33 of the secure intensive community inpatient facility be prepared and transmitted as provided in
 34 subsection (1) of this section. The applicant must prove by a preponderance of the evidence the
 35 applicant's fitness for discharge or conditional release under the standards of subsection (3) of this
 36 section, unless more than two years has passed since the state had the burden of proof on that issue,
 37 in which case the state shall have the burden of proving by a preponderance of the evidence the
 38 applicant's lack of fitness for discharge or conditional release. Applications for discharge or con-
 39 ditional release under subsection (3) of this section may not be filed more often than once every six
 40 months commencing with the date of the initial agency hearing.

41 (5) The agency having jurisdiction over the person is not required to hold a hearing on a first
 42 application under subsection (3) of this section any sooner than 90 days after the initial hearing.
 43 Hearings resulting from any subsequent requests shall be held within 60 days of the filing of the
 44 application.

45 (6)(a) In no case shall a person committed by the court under ORS 161.327 to a state hospital,

1 or to a secure intensive community inpatient facility, be held in the hospital or facility for more
 2 than 90 days from the date of the court's commitment order without an initial hearing before the
 3 agency having jurisdiction over the person to determine whether the person should be conditionally
 4 released or discharged.

5 (b) In no case shall a person be held pursuant to this section for a period of time exceeding two
 6 years without a hearing before the agency to determine whether the person should be conditionally
 7 released or discharged.

8 **SECTION 12.** ORS 161.346 is amended to read:

9 161.346. (1) When the Psychiatric Security Review Board or the Oregon Health Authority con-
 10 ducts a hearing under ORS 161.315 to 161.351, the agency conducting the hearing shall enter an
 11 order and make findings in support of the order. If the agency finds that a person under the juris-
 12 diction of the agency:

13 (a) Is no longer affected by [*mental disease or defect*] a **qualifying psychiatric or develop-**
 14 **mental condition**, or, if so affected, no longer presents a substantial danger to others, the agency
 15 shall order the person discharged from commitment and conditional release.

16 (b) Is still affected by a [*mental disease or defect*] **qualifying psychiatric or developmental**
 17 **condition** and is a substantial danger to others, but can be controlled adequately if conditionally
 18 released with treatment as a condition of release, the agency shall order the person conditionally
 19 released as provided in ORS 161.336.

20 (c) Has not recovered from the [*mental disease or defect*] **qualifying psychiatric or develop-**
 21 **mental condition**, is a substantial danger to others and cannot adequately be controlled if condi-
 22 tionally released on supervision, the agency shall order the person committed to, or retained in, a
 23 state hospital, or if the person is under 18 years of age, a secure intensive community inpatient fa-
 24 cility, for care, custody and treatment.

25 (2)(a) Except as otherwise provided in ORS 161.349, the Psychiatric Security Review Board shall
 26 exercise exclusive jurisdiction over a tier one offender until the board discharges the person from
 27 the jurisdiction of the board or the maximum period of jurisdiction expires.

28 (b) When the board orders a tier two offender committed to a state hospital, or a secure inten-
 29 sive community inpatient facility, under ORS 161.315 to 161.351, the order shall transfer jurisdiction
 30 over the person to the Oregon Health Authority.

31 (c) When the authority orders a tier two offender conditionally released under ORS 161.315 to
 32 161.351, the order shall transfer jurisdiction over the person to the board.

33 (d) The authority shall assume jurisdiction over a tier two offender when the person is returned
 34 to a state hospital, or to a secure intensive community inpatient facility, under ORS 161.336 (4).

35 (3) To assist the agency in making the determination described in subsection (1) of this section,
 36 the agency exercising jurisdiction over the person may, at any time, appoint a psychiatrist or li-
 37 censed psychologist to examine the person and to submit a report to the agency. The report must
 38 include an opinion as to the mental condition of the person, whether the person presents a sub-
 39 stantial danger to others and whether the person could be adequately controlled with treatment as
 40 a condition of release.

41 (4) The agency exercising jurisdiction over the person may make the determination regarding
 42 discharge or conditional release based upon the written reports submitted pursuant to this section.
 43 If the authority or any member of the board desires further information from the examining psychi-
 44 atrist or licensed psychologist who submitted the report, the agency shall summon the person to give
 45 testimony. The agency shall consider all evidence available to it that is material, relevant and reli-

1 able regarding the issues before the agency. The evidence may include but is not limited to the re-
2 cord of trial, the information supplied by the attorney representing the state or by any other
3 interested party, including the person, and information concerning the person's mental condition and
4 the entire psychiatric and criminal history of the person. All evidence of a type commonly relied
5 upon by reasonably prudent persons in the conduct of their serious affairs shall be admissible at
6 hearings. Testimony shall be taken upon oath or affirmation of the witness from whom received. The
7 officer presiding at the hearing shall administer oaths or affirmations to witnesses.

8 (5) The agency exercising jurisdiction over the person shall furnish to the person about whom
9 the hearing is being conducted, the attorney representing the person, the Attorney General, the
10 district attorney and the court or department of the county from which the person was committed
11 written notice of any hearing pending under this section within a reasonable time prior to the
12 hearing. The notice shall include:

13 (a) The time, place and location of the hearing.

14 (b) The nature of the hearing and the specific action for which a hearing has been requested,
15 the issues to be considered at the hearing and a reference to the particular sections of the statutes
16 and rules involved.

17 (c) A statement of the legal authority and jurisdiction under which the hearing is to be held.

18 (d) A statement of all rights under subsection (7) of this section.

19 (6) Prior to the commencement of the hearing, the agency shall serve personally or by mail a
20 written notice to each party as provided in ORS 183.413 (2).

21 (7) At the hearing, the person about whom the hearing is being held shall have the right:

22 (a) To appear at all proceedings held pursuant to this section, except for deliberations.

23 (b) To cross-examine all witnesses appearing to testify at the hearing.

24 (c) To subpoena witnesses and documents as provided in ORS 161.395.

25 (d) To be represented by suitable legal counsel possessing skills and experience commensurate
26 with the nature and complexity of the case, to consult with counsel prior to the hearing and, if fi-
27 nancially eligible, to have suitable counsel appointed at state expense.

28 (e) To examine all information, documents and reports that the agency considers. If then avail-
29 able to the agency, the information, documents and reports shall be disclosed to the person so as
30 to allow examination prior to the hearing.

31 (8) A record shall be kept of all hearings conducted under ORS 161.315 to 161.351, except for
32 deliberations.

33 (9) Upon request of any party, or on motion of the agency conducting the hearing, the hearing
34 may be continued for a reasonable period not to exceed 60 days to obtain additional information or
35 testimony or for other good cause shown.

36 (10) Within 15 days following the conclusion of the hearing, the agency shall provide to the
37 person, the attorney representing the person, the Attorney General or other attorney representing
38 the state, if any, written notice of the order entered by the agency.

39 (11) The burden of proof on all issues at hearings under ORS 161.315 to 161.351 shall be by a
40 preponderance of the evidence.

41 (12) If the agency conducting the hearing determines that the person about whom the hearing
42 is being held is financially eligible, the agency shall appoint suitable counsel to represent the per-
43 son. Counsel so appointed shall be an attorney who satisfies the professional qualifications estab-
44 lished by the Public Defense Services Commission under ORS 151.216. The public defense services
45 executive director shall determine and allow fair compensation for counsel appointed under this

1 subsection and the reasonable expenses of the person in respect to the hearing. Compensation
 2 payable to appointed counsel shall not be less than the applicable compensation level established
 3 under ORS 151.216. The compensation and expenses so allowed shall be paid by the public defense
 4 services executive director from funds available for the purpose.

5 (13) The Attorney General may represent the state at contested hearings under ORS 161.315 to
 6 161.351 unless the district attorney of the county from which the person was committed elects to
 7 represent the state. The district attorney of the county from which the person was committed shall
 8 cooperate with the Attorney General in securing the material necessary for presenting a contested
 9 hearing. If the district attorney elects to represent the state, the district attorney shall give timely
 10 written notice of such election to the Attorney General, the agency conducting the hearing and the
 11 attorney representing the person.

12 **SECTION 13.** ORS 161.351 is amended to read:

13 161.351. (1) Any person placed under the jurisdiction of the Psychiatric Security Review Board
 14 or the Oregon Health Authority under ORS 161.315 to 161.351 shall be discharged at such time as
 15 the agency having jurisdiction over the person, upon a hearing, finds by a preponderance of the
 16 evidence that the person is no longer affected by [*mental disease or defect*] **a qualifying psychiatric**
 17 **or developmental condition** or, if so affected, no longer presents a substantial danger to others
 18 that requires regular medical care, medication, supervision or treatment.

19 (2) For purposes of ORS 161.315 to 161.351, a person affected by a [*mental disease or defect*]
 20 **qualifying psychiatric or developmental condition** in a state of remission is considered to have
 21 a [*mental disease or defect*] **qualifying psychiatric or developmental condition**. A person whose
 22 [*mental disease or defect*] **qualifying psychiatric or developmental condition** may, with reasonable
 23 medical probability, occasionally become active and when it becomes active will render the person
 24 a danger to others may not be discharged. The person shall continue under supervision and treat-
 25 ment necessary to protect the person and others.

26 (3) In determining whether a person should be committed to a state hospital or secure intensive
 27 community inpatient facility, conditionally released or discharged, the board and the authority shall
 28 have as their primary concern the protection of society.

29 **SECTION 14.** ORS 161.360 is amended to read:

30 161.360. (1) If, before or during the trial in any criminal case, the court has reason to doubt the
 31 defendant's fitness to proceed by reason of incapacity, the court may order an examination in the
 32 manner provided in ORS 161.365.

33 (2) A defendant may be found incapacitated if, as a result of [*mental disease or defect*] **a quali-**
 34 **fyng psychiatric or developmental condition**, the defendant is unable:

- 35 (a) To understand the nature of the proceedings against the defendant; or
- 36 (b) To assist and cooperate with the counsel of the defendant; or
- 37 (c) To participate in the defense of the defendant.

38 **SECTION 15.** ORS 161.365 is amended to read:

39 161.365. (1) When the court has reason to doubt the defendant's fitness to proceed by reason of
 40 incapacity as described in ORS 161.360, the court may call any witness to its assistance in reaching
 41 its decision and shall order that a community [*mental*] **psychiatric or psychological** health program
 42 director or the director's designee consult with the defendant to determine whether services and
 43 supervision necessary to safely restore the defendant's fitness to proceed are available in the com-
 44 munity. After the consultation, the program director or the director's designee shall provide to the
 45 court a copy of the findings resulting from the consultation. If the court determines the assistance

1 of a psychiatrist or psychologist would be helpful, the court may:

2 (a) Order that a psychiatric or psychological examination of the defendant be conducted by a
3 certified evaluator as defined in ORS 161.309 and a report of the examination be prepared; or

4 (b) Order the defendant to be committed for the purpose of an examination for a period not ex-
5 ceeding 30 days to a state mental hospital or other facility designated by the Oregon Health Au-
6 thority if the defendant is at least 18 years of age, or to a secure intensive community inpatient
7 facility designated by the authority if the defendant is under 18 years of age.

8 (2) The report of an examination described in this section must include, but is not necessarily
9 limited to, the following:

10 (a) A description of the nature of the examination;

11 (b) A statement of the mental condition of the defendant;

12 (c) If the defendant suffers from a [*mental disease or defect*] **qualifying psychiatric or devel-**
13 **opmental condition**, an opinion as to whether the defendant is incapacitated within the description
14 set out in ORS 161.360; and

15 (d) If the defendant is incapacitated within the description set out in ORS 161.360, a recom-
16 mendation of treatment and services necessary to restore capacity.

17 (3) Except when the defendant and the court both request to the contrary, the report may not
18 contain any findings or conclusions as to whether the defendant as a result of [*mental disease or*
19 *defect*] **a qualifying psychiatric or developmental condition** was subject to the provisions of ORS
20 161.295 or 161.300 at the time of the criminal act charged.

21 (4) If the examination by the psychiatrist or psychologist cannot be conducted by reason of the
22 unwillingness of the defendant to participate in the examination, the report shall so state and shall
23 include, if possible, an opinion as to whether the unwillingness of the defendant was the result of
24 [*mental disease or defect*] **a qualifying psychiatric or developmental condition** affecting capacity
25 to proceed.

26 (5) The report shall be filed in triplicate with the clerk of the court, who shall cause copies to
27 be delivered to the district attorney and to counsel for defendant.

28 (6)(a) When upon motion of the court or a financially eligible defendant, the court has ordered
29 a psychiatric or psychological examination of the defendant, a county or justice court shall order
30 the county to pay, and a circuit court shall order the public defense services executive director to
31 pay from funds available for the purpose:

32 (A) A reasonable fee if the examination of the defendant is conducted by a psychiatrist or psy-
33 chologist in private practice; and

34 (B) All costs including transportation of the defendant if the examination is conducted by a
35 psychiatrist or psychologist in the employ of the Oregon Health Authority or a community mental
36 health program established under ORS 430.610 to 430.670.

37 (b) When an examination is ordered at the request or with the acquiescence of a defendant who
38 is determined not to be financially eligible, the examination shall be performed at the defendant's
39 expense. When an examination is ordered at the request of the prosecution, the county shall pay for
40 the expense of the examination.

41 (7) The Oregon Health Authority shall establish by rule standards for the consultation described
42 in subsection (1) of this section.

43 **SECTION 16.** ORS 161.370 is amended to read:

44 161.370. (1) When the defendant's fitness to proceed is drawn in question, the issue shall be de-
45 termined by the court. If neither the prosecuting attorney nor counsel for the defendant contests the

1 finding of the report filed under ORS 161.365, the court may make the determination on the basis
2 of the report. If the finding is contested, the court shall hold a hearing on the issue. If the report
3 is received in evidence in the hearing, the party who contests the finding has the right to summon
4 and to cross-examine any psychiatrist or psychologist who submitted the report and to offer evidence
5 upon the issue. Other evidence regarding the defendant's fitness to proceed may be introduced by
6 either party.

7 (2) If the court determines that the defendant lacks fitness to proceed, the criminal proceeding
8 against the defendant shall be suspended and:

9 (a) If the court finds that the defendant is dangerous to self or others as a result of [*mental*
10 *disease or defect*] **a qualifying psychiatric or developmental condition**, or that, based on the
11 findings resulting from the consultation described in ORS 161.365 (1), the services and supervision
12 necessary to restore the defendant's fitness to proceed are not available in the community, the court
13 shall commit the defendant to the custody of the superintendent of a state mental hospital or di-
14 rector of a facility, designated by the Oregon Health Authority, if the defendant is at least 18 years
15 of age, or to the custody of the director of a secure intensive community inpatient facility designated
16 by the authority if the defendant is under 18 years of age; or

17 (b) If the court does not make a finding described in paragraph (a) of this subsection, or if the
18 court determines that care other than commitment for incapacity to stand trial would better serve
19 the defendant and the community, the court shall release the defendant on supervision for as long
20 as the unfitness endures.

21 (3) When a defendant is released on supervision under subsection (2)(b) of this section, the court
22 may place conditions that the court deems appropriate on the release, including the requirement
23 that the defendant regularly report to the authority or a community [*mental*] **psychiatric or psy-**
24 **chological** health program for examination to determine if the defendant has gained or regained
25 capacity to stand trial.

26 (4) When the court, on its own motion or upon the application of the superintendent of the
27 hospital or director of the facility in which the defendant is committed, a person examining the de-
28 fendant as a condition of release on supervision, or either party, determines, after a hearing, if a
29 hearing is requested, that the defendant has gained or regained fitness to proceed, the criminal
30 proceeding shall be resumed. If, however, the court is of the view that so much time has elapsed
31 since the commitment or release of the defendant on supervision that it would be unjust to resume
32 the criminal proceeding, the court on motion of either party may dismiss the charge and may order
33 the defendant to be discharged or cause a proceeding to be commenced forthwith under ORS 426.070
34 to 426.170 or 427.235 to 427.290.

35 (5) The superintendent of a state hospital or director of a facility to which the defendant is
36 committed shall cause the defendant to be evaluated within 60 days from the defendant's delivery
37 into the superintendent's or director's custody, for the purpose of determining whether there is a
38 substantial probability that, in the foreseeable future, the defendant will have the capacity to stand
39 trial. In addition, the superintendent or director shall:

40 (a) Immediately notify the committing court if the defendant, at any time, gains or regains the
41 capacity to stand trial or will never have the capacity to stand trial.

42 (b) Within 90 days of the defendant's delivery into the superintendent's or director's custody,
43 notify the committing court that:

44 (A) The defendant has the present capacity to stand trial;

45 (B) There is no substantial probability that, in the foreseeable future, the defendant will gain

1 or regain the capacity to stand trial; or

2 (C) There is a substantial probability that, in the foreseeable future, the defendant will gain or
3 regain the capacity to stand trial. If the probability exists, the superintendent or director shall give
4 the court an estimate of the time in which the defendant, with appropriate treatment, is expected
5 to gain or regain capacity.

6 (6)(a) If the superintendent or director determines that there is a substantial probability that,
7 in the foreseeable future, the defendant will gain or regain the capacity to stand trial, unless the
8 court otherwise orders, the defendant shall remain in the superintendent's or director's custody
9 where the defendant shall receive treatment designed for the purpose of enabling the defendant to
10 gain or regain capacity. In keeping with the notice requirement under subsection (5)(b) of this sec-
11 tion, the superintendent or director shall, for the duration of the defendant's period of commitment,
12 submit a progress report to the committing court, concerning the defendant's capacity or incapacity,
13 at least once every 180 days as measured from the date of the defendant's delivery into the
14 superintendent's or director's custody.

15 (b) Notwithstanding paragraph (a) of this subsection, if the superintendent or director deter-
16 mines that a defendant committed under this section is no longer dangerous to self or others as a
17 result of [*mental disease or defect*] **a qualifying psychiatric or developmental condition**, or that
18 the services and supervision necessary to restore the defendant's fitness to proceed are available in
19 the community, the superintendent or director shall file notice of that determination with the court.
20 Upon receipt of the notice, the court shall order the person released on supervision as described in
21 subsection (3) of this section.

22 (7)(a) A defendant who remains committed under subsection (6) of this section shall be dis-
23 charged within a period of time that is reasonable for making a determination concerning whether
24 or not, and when, the defendant may gain or regain capacity. However, regardless of the number
25 of charges with which the defendant is accused, in no event shall the defendant be committed for
26 longer than whichever of the following, measured from the defendant's initial custody date, is
27 shorter:

28 (A) Three years; or

29 (B) A period of time equal to the maximum sentence the court could have imposed if the de-
30 fendant had been convicted.

31 (b) For purposes of calculating the maximum period of commitment described in paragraph (a)
32 of this subsection:

33 (A) The initial custody date is the date on which the defendant is first committed under this
34 section on any charge alleged in the accusatory instrument; and

35 (B) The defendant shall be given credit against each charge alleged in the accusatory instrument
36 for each day the defendant is committed under this section, whether the days are consecutive or are
37 interrupted by a period of time during which the defendant has gained or regained fitness to pro-
38 ceed.

39 (8) The superintendent or director shall notify the committing court of the defendant's impending
40 discharge 30 days before the date on which the superintendent or director is required to discharge
41 the defendant under subsection (7) of this section.

42 (9) When the committing court receives a notice from the superintendent or director under
43 subsection (5) or (8) of this section concerning the defendant's progress or lack thereof, the com-
44 mitting court shall determine, after a hearing, if a hearing is requested, whether the defendant
45 presently has the capacity to stand trial.

1 (10) If at any time the court determines that the defendant lacks the capacity to stand trial, the
 2 court shall further determine whether there is a substantial probability that the defendant, in the
 3 foreseeable future, will gain or regain the capacity to stand trial and whether the defendant is en-
 4 titled to discharge under subsection (7) of this section. If the court determines that there is no
 5 substantial probability that the defendant, in the foreseeable future, will gain or regain the capacity
 6 to stand trial or that the defendant is entitled to discharge under subsection (7) of this section, the
 7 court shall dismiss, without prejudice, all charges against the defendant and:

8 (a) Order that the defendant be discharged; or

9 (b) Initiate commitment proceedings under ORS 426.070 or 427.235 to 427.290.

10 (11) All notices required under this section shall be filed with the clerk of the court and deliv-
 11 ered to both the district attorney and the counsel for the defendant.

12 (12) If the defendant gains or regains fitness to proceed, the term of any sentence received by
 13 the defendant for conviction of the crime charged shall be reduced by the amount of time the de-
 14 fendant was committed under this section to the custody of a state mental hospital, or to the custody
 15 of a secure intensive community inpatient facility, designated by the Oregon Health Authority.

16 (13) Notwithstanding the suspension of the criminal proceeding under subsection (2) of this
 17 section, the fact that the defendant is unfit to proceed does not preclude any objection through
 18 counsel and without the personal participation of the defendant on the grounds that the indictment
 19 is insufficient, that the statute of limitations has run, that double jeopardy principles apply or upon
 20 any other ground at the discretion of the court which the court deems susceptible of fair determi-
 21 nation prior to trial.

22 **SECTION 17.** ORS 163.305 is amended to read:

23 163.305. As used in chapter 743, Oregon Laws 1971, unless the context requires otherwise:

24 (1) "Deviate sexual intercourse" means sexual conduct between persons consisting of contact

 30 diately or in the future be kidnapped.

31 (3) "Mentally defective" means that a person suffers from a [*mental disease or defect*] **qualifying**
 32 **psychiatric or developmental condition** that renders the person incapable of appraising the nature

 37 ically unable to communicate unwillingness to an act.

38 (6) "Sexual contact" means any touching of the sexual or other intimate parts of a person or
 39 causing such person to touch the sexual or other intimate parts of the actor for the purpose of
 40 arousing or gratifying the sexual desire of either party.

41 (7) "Sexual intercourse" has its ordinary meaning and occurs upon any penetration, however
 42 slight; emission is not required.

43 **SECTION 18.** ORS 161.385 is amended to read:

44 161.385. (1) There is hereby created a Psychiatric Security Review Board consisting of 10 mem-

19 (h) A lawyer with substantial experience in juvenile law practice; and

20 (i) Two members of the general public.

21 (3) The term of office of each member is four years. The Governor at any time may remove any

23 of a member, the Governor shall appoint a successor whose term begins on July 1 next following.
24 A member is eligible for reappointment. If there is a vacancy for any cause, the Governor shall make
25 an appointment to become immediately effective for the unexpired term.

26 (4) A member of the board not otherwise employed full-time by the state shall be paid on a per
27 diem basis an amount equal to \$289.22, adjusted according to the executive pay plan for the

29 including necessary travel time. In addition, subject to ORS 292.220 to 292.250 regulating travel and
30 other expenses of state officers and employees, the member shall be reimbursed for actual and nec-

42 (b) A majority of the voting members of a panel constitutes a quorum for the transaction of

44 (8) Each panel shall meet at least twice every month, unless the chairperson determines that
45 there is not sufficient business before the panel to warrant a meeting at the scheduled time. The

13 vided in ORS 419C.532 and 419C.542.

14 (3)(a) As a condition of release, the juvenile panel may require the young person to report to
15 any state, county or local [mental] **psychiatric or psychological** health or developmental disabilities
16 facility for evaluation. Whenever medical, psychiatric or psychological treatment is recommended,
17 the juvenile panel may order the young person, as a condition of release, to cooperate with and
18 accept the treatment of the facility.

19 (b) The facility to which the young person has been referred for evaluation shall perform the
20 evaluation and submit a written report of its findings to the juvenile panel. If the facility finds that
21 treatment of the young person is appropriate, the facility shall include its recommendations for
22 treatment in the report to the juvenile panel.

23 (c) Whenever treatment is provided by the facility, the facility shall furnish reports to the ju-
24 venile panel on a regular basis concerning the progress of the young person.

25 (d) The facility shall comply with any other conditions of release prescribed by order of the ju-
26 venile panel.

27 (4) If at any time it appears to the juvenile panel or the chairperson of the juvenile panel that
28 a young person has violated the terms of conditional release or that the [mental] **psychiatric or**
29 **psychological** health of the young person has changed, the juvenile panel or the chairperson of the
30 juvenile panel may order the young person returned to a hospital or facility designated by the De-
31 partment of Human Services or the Oregon Health Authority for evaluation and treatment. A writ-
32 ten order of the juvenile panel, or the chairperson of the juvenile panel on behalf of the juvenile
33 panel, is sufficient warrant for any peace officer to take the young person into custody and transport
34 the young person accordingly. A peace officer shall execute the order, and the young person shall
35 be returned as soon as practicable to a facility designated by the department or the authority.
36 Within 20 days following the return of the young person to the facility designated by the department
37 or the authority, the juvenile panel shall conduct a hearing. At a hearing required by this sub-
38 section, the state has the burden of proving the young person's lack of fitness for conditional re-
39 lease.

40 (5) The community [mental] **psychiatric or psychological** health program director, the commu-
41 nity developmental disabilities program director, the director of the facility providing treatment for
42 the young person on conditional release, a peace officer or a person responsible for the supervision
43 of a young person on conditional release may take a young person into custody or request that the
44 young person be taken into custody if there is reasonable cause to believe the young person presents
45 a substantial danger to others and that the young person is in need of immediate custody, super-

1 vision and treatment. A young person taken into custody under this subsection must immediately
 2 be transported to a hospital or facility designated by the department or the authority. Within 20
 3 days following the return of the young person to the facility designated by the department or the
 4 authority, the juvenile panel shall conduct a hearing. At a hearing required by this subsection, the
 5 state has the burden of proving the young person's lack of fitness for conditional release.

6 (6)(a) A young person conditionally released under ORS 419C.532 (4) may apply to the juvenile
 7 panel for discharge from or modification of an order of conditional release on the ground that the
 8 young person no longer has a [*mental disease or defect*] **qualifying psychiatric or developmental**
 9 **condition** or, if affected by a [*mental disease or defect*] **qualifying psychiatric or developmental**
 10 **condition** other than a serious [*mental*] **psychiatric or psychological** condition, no longer presents
 11 a substantial danger to others and no longer requires supervision or treatment services. Within 60
 12 days after receiving an application under this paragraph, the juvenile panel shall conduct a hearing.
 13 At a hearing required by this paragraph, the young person has the burden of proving the young
 14 person's fitness for discharge or modification of the order of conditional release. A young person
 15 may not apply for discharge or modification of conditional release more often than once every six
 16 months.

17 (b) Upon application by any qualified [*mental*] **psychiatric or psychological** health or develop-
 18 mental disabilities treatment provider or state, county or local agency responsible for supervision
 19 or treatment services pursuant to an order of conditional release, the juvenile panel shall conduct
 20 a hearing to determine if the conditions of release should be continued, modified or terminated. The
 21 application must be accompanied by a report setting forth the facts supporting the application. At
 22 a hearing required by this paragraph, the state has the burden of proving the young person's lack
 23 of fitness for discharge or modification of the order of conditional release.

24 **SECTION 30.** ORS 419C.540 is amended to read:

25 419C.540. (1) The director of a hospital or facility to which a young person was committed under
 26 ORS 419C.532 (5) shall apply to the juvenile panel of the Psychiatric Security Review Board for an
 27 order of discharge or conditional release of the young person if, at any time after the commitment,
 28 the director is of the opinion that the young person:

29 (a) No longer has a [*mental disease or defect*] **qualifying psychiatric or developmental condi-**
 30 **tion;**

31 (b) Has a [*mental disease or defect*] **qualifying psychiatric or developmental condition** other
 32 than a serious [*mental*] **psychiatric or psychological** condition but no longer presents a substantial
 33 danger to others; or

34 (c) Can be controlled with proper supervision and treatment services if conditionally released.

35 (2) The director shall include in an application under subsection (1) of this section a report
 36 setting forth the facts that support the opinion of the director. If the application is for conditional
 37 release, the director shall also include a verified conditional release plan. The juvenile panel shall
 38 hold a hearing on an application under subsection (1) of this section within 30 days of its receipt.
 39 Not less than 10 days prior to the hearing before the juvenile panel, copies of the report must be
 40 sent to the Attorney General or other attorney representing the state, if any, the district attorney
 41 of the county in which the young person was adjudicated, the young person, the young person's at-
 42 torney, the young person's parents or guardians, if known, and the person having legal custody of
 43 the young person.

44 (3) The attorney representing the state may choose a psychiatrist certified, or eligible to be
 45 certified, by the Oregon Medical Board in child psychiatry or a licensed psychologist with expertise

1 in child psychology to examine the young person prior to any decision of the juvenile panel on dis-
 2 charge or conditional release. The results of the examination must be in writing and filed with the
 3 juvenile panel and must include, but need not be limited to, an opinion as to whether the young
 4 person:

5 (a)(A) Has a serious [*mental*] **psychiatric or psychological** condition; or

6 (B) Has a [*mental disease or defect*] **qualifying psychiatric or developmental condition** other
 7 than a serious [*mental*] **psychiatric or psychological** condition and presents a substantial danger
 8 to others; and

9 (b) Could be adequately controlled with treatment services as a condition of release.

10 (4) A young person who has been committed to a hospital or facility under ORS 419C.532 (5) or
 11 the young person's parents or guardians acting on the young person's behalf may apply to the ju-
 12 venile panel for an order of discharge or conditional release upon the grounds that the young per-
 13 son:

14 (a) No longer has a [*mental disease or defect*] **qualifying psychiatric or developmental condi-**
 15 **tion;**

16 (b) Has a [*mental disease or defect*] **qualifying psychiatric or developmental condition** other
 17 than a serious [*mental*] **psychiatric or psychological** condition but no longer presents a substantial
 18 danger to others; or

19 (c) Can be controlled with proper supervision and treatment services if conditionally released.

20 (5) When an application is made under subsection (4) of this section, the juvenile panel shall
 21 require a report from the director of the hospital or facility. The director shall prepare and transmit
 22 the report as provided in subsection (2) of this section.

23 (6) At a hearing on an application under subsection (4) of this section:

24 (a) The applicant has the burden of proving the young person's fitness for discharge or condi-
 25 tional release; or

26 (b) If more than two years have passed since the state had the burden of proving the young
 27 person's lack of fitness for discharge or conditional release, the state has the burden of proving the
 28 young person's lack of fitness for discharge or conditional release.

29 (7) A person may not file an application for discharge or conditional release under subsection
 30 (4) of this section:

31 (a) Sooner than 90 days after the initial juvenile panel hearing concerning the young person.

32 (b) If another application for discharge or conditional release of the young person was filed
 33 during the immediately preceding 90 days.

34 (8) The juvenile panel shall hold a hearing on an application under subsection (4) of this section
 35 within 30 days after the application is filed.

36 **SECTION 31.** ORS 419C.542 is amended to read:

37 419C.542. (1) A young person committed by the court under ORS 419C.529 to a hospital or fa-
 38 cility designated by the Department of Human Services or the Oregon Health Authority may not be
 39 held in the hospital or facility for more than 90 days from the date of the court's commitment order
 40 without an initial hearing before the juvenile panel of the Psychiatric Security Review Board to
 41 determine whether the young person should be discharged or conditionally released.

42 (2) A young person may not be held pursuant to an order under ORS 419C.532 (5) for a period
 43 of time exceeding one year without a hearing before the juvenile panel to determine whether the
 44 young person should be discharged or conditionally released.

45 (3) When a young person has spent three years on conditional release, the juvenile panel shall

1 bring the young person before the juvenile panel no later than 30 days after the expiration of the
2 three-year period. The juvenile panel shall review the young person's status and determine whether
3 the young person should be discharged from the jurisdiction of the board.

4 (4) Notwithstanding the fact that a young person who is brought before the juvenile panel under
5 subsection (3) of this section continues to have a serious [*mental*] **psychiatric or psychological**
6 condition, the juvenile panel may discharge the young person if the young person did not exhibit
7 behaviors that presented a substantial danger to others during the period of conditional release and
8 no longer requires supervision by the juvenile panel.

9 **SECTION 32.** ORS 426.510 is amended to read:

10 426.510. As used in ORS 426.510 to 426.680, unless the context otherwise requires, "sexually
11 dangerous person" means a person who because of repeated or compulsive acts of misconduct in
12 sexual matters, or because of a [*mental disease or defect*] **qualifying psychiatric or developmental**
13 **condition**, is deemed likely to continue to perform such acts and be a danger to other persons.
