

Requested by Senator MONNES ANDERSON

**PROPOSED AMENDMENTS TO
A-ENGROSSED HOUSE BILL 2839**

1 On page 3 of the printed A-engrossed bill, after line 14, insert:

2 “(9)(a) Notwithstanding ORS 30.260 to 30.300, a person receiving services
3 constituting patient care on an Oregon Health and Science University cam-
4 pus, in any Oregon Health and Science University clinic or provided by any
5 health care provider employed by or working on behalf of Oregon Health and
6 Science University, may bring a claim under this section for equitable relief.

7 “(b) This section does not create a right to damages against a public body,
8 as defined in ORS 30.260.

9 “(c) This section does not prevent a person from bringing a claim against
10 a covered entity and seeking applicable relief from a covered entity for con-
11 duct described in this section under any other provision of law.”.
