5 **“SECTION 1. Sections 2 to 4 of this 2017 Act are added to and made  
6 a part of ORS 381.205 to 381.305.**

7 **“SECTION 2. (1) As used in this section and section 3 of this 2017  
8 Act:**

9 **“(a) ‘Bridge’ means an existing bridge, or a completed bridge that  
10 results from a bridge project, and any related facilities.**

11 **“(b) ‘Bridge project’ means a project to construct, reconstruct or  
12 replace a bridge that spans the Columbia River, and any related facil-  
13 ities, that a private entity undertakes in accordance with:**

14 **“(A) An agreement with the Port of Hood River that requires the  
15 private entity to fund, in whole or in part, the construction, recon-  
16 struction or replacement; and**

17 **“(B) Rules that the port adopts in accordance with subsection (4)(b)  
18 of this section.**

19 **“(c) ‘Bridge project activity’ means an activity that a private entity  
20 undertakes in accordance with an agreement with the Port of Hood  
21 River to plan, acquire, finance, develop, design, construct, reconstruct,**

1 **replace, improve, maintain, manage, repair, lease, operate or other-**  
2 **wise develop a bridge that spans the Columbia River to Washington**  
3 **State and any related facilities.**

4 **“(d) ‘Related facilities’ means real or personal property for:**

5 **“(A) Operating, maintaining, renovating or facilitating the use of**  
6 **a bridge;**

7 **“(B) Providing goods and services to people who use a bridge; or**

8 **“(C) Generating revenue that can reduce tolls or that will be de-**  
9 **posited in an account established under an agreement described in this**  
10 **section.**

11 **“(2)(a) For the purposes set forth in paragraph (b) of this subsection**  
12 **and subject to the requirements of subsection (3) of this section, the**  
13 **Port of Hood River may enter into an agreement for a bridge project**  
14 **that is partially or completely within the port’s district.**

15 **“(b) The purposes of entering into an agreement under paragraph**  
16 **(a) of this subsection are to:**

17 **“(A) Develop an expedited project delivery process;**

18 **“(B) Maximize innovation in project design, construction, delivery**  
19 **or financing; and**

20 **“(C) Develop partnerships with private entities or units of govern-**  
21 **ment.**

22 **“(3)(a) An agreement under subsection (2) of this section must, at**  
23 **a minimum, specify:**

24 **“(A) At what point in the bridge project the public and private**  
25 **partners will assume responsibility for specific elements of the bridge**  
26 **project;**

27 **“(B) How the public and private partners will share costs and risks**  
28 **of the bridge project;**

29 **“(C) How the public and private partners will allocate financial re-**  
30 **sponsibility for cost overruns;**

1       **“(D) Incentives to perform and penalties for a failure to perform**  
2 **an element of the bridge project;**

3       **“(E) Accounting and auditing standards for evaluating work on the**  
4 **bridge project; and**

5       **“(F) Whether the bridge project is consistent with the plan that the**  
6 **Oregon Transportation Commission developed under ORS 184.618 and**  
7 **any applicable regional transportation plans or local transportation**  
8 **system programs and, if the bridge project is not consistent with the**  
9 **plans or programs, how and when the bridge project will become con-**  
10 **sistent with the plans and programs.**

11       **“(b) In addition to the specifications set forth in paragraph (a) of**  
12 **this subsection, the agreement must:**

13       **“(A) Establish an account into which proceeds from tolls, adminis-**  
14 **trative fees and civil penalties from the bridge may be deposited;**

15       **“(B) Provide that the public has dedicated and unrestricted use of**  
16 **the bridge for the duration of the bridge’s functional life unless the**  
17 **port, a state government or the federal government declares an**  
18 **emergency that forbids using the bridge; and**

19       **“(C) Provide that construction of the bridge project may not pro-**  
20 **ceed until the Department of Transportation has issued, in accordance**  
21 **with ORS 374.305, any permits that are necessary to connect the bridge**  
22 **project to state highways.**

23       **“(c) The port may include in an agreement under subsection (2) of**  
24 **this section any financing mechanisms, including but not limited to**  
25 **imposing and collecting franchise fees, user fees or tolls, and any**  
26 **other revenue sources the public and private partners may use.**

27       **“(4)(a) ORS 279.835 to 279.855 and ORS chapters 279A, 279B and 279C**  
28 **do not apply to an agreement that the port enters into under sub-**  
29 **section (2) of this section, or to bridge project activity undertaken in**  
30 **accordance with the agreement, except that if the bridge project ac-**

1 tivity is a public works, as defined in ORS 279C.800:

2 “(A) ORS 279C.380, 279C.385 and 279C.390 and 279C.800 to 279C.870  
3 apply to the bridge project activity; and

4 “(B) Any agreement for constructing, reconstructing, performing a  
5 major renovation on or painting the bridge project must provide for  
6 paying workers under the agreement in accordance with ORS 279C.540  
7 and 279C.800 to 279C.870.

8 “(b) Before entering into an agreement under subsection (2) of this  
9 section, the port shall adopt rules that substantially conform with the  
10 rules that the Department of Transportation has adopted, as of the  
11 effective date of this 2017 Act, to implement the provisions of ORS  
12 367.800 to 367.824.

13 “(5) Sensitive business, commercial or financial information that a  
14 private entity provides to the port for the purpose of evaluating a  
15 proposal from the private entity for a bridge project is exempt from  
16 disclosure under ORS 192.410 to 192.505. The terms of a proposed or  
17 final agreement between the port and a private entity are subject to  
18 disclosure under ORS 192.410 to 192.505.

19 “(6)(a) In evaluating proposals for a bridge project, in addition to  
20 considering a proposer’s estimate of the cost for the bridge project, the  
21 port shall consider all of these elements:

22 “(A) The qualities of the design that the proposer submits, if ap-  
23 propriate, including:

24 “(i) The structural integrity of the design and how the design will  
25 likely affect future costs of maintaining the bridge;

26 “(ii) The aesthetic qualities of the design and other aspects of the  
27 design such as the width of lane separators, landscaping and sound  
28 walls;

29 “(iii) The traffic capacity of the design;

30 “(iv) Aspects of the design that affect safety, such as lane width,

1 the quality of lane markers and separators, the shape and positioning  
2 of ramps and curves and changes in elevation; and

3 “(v) The ease with which traffic will pass through any toll collection  
4 facilities.

5 “(B) The extent to which the bridge project will involve small  
6 businesses. The port shall encourage small businesses to participate  
7 in the bridge project to the maximum extent that the port determines  
8 is practicable. As used in this subparagraph:

9 “(i) ‘Small business’ means an independent business with fewer  
10 than 20 employees and with average annual gross receipts during the  
11 last three years of not more than \$1 million for construction firms and  
12 not more than \$300,000 for businesses that are not construction firms.

13 “(ii) ‘Small business’ does not include a subsidiary or parent com-  
14 pany that belongs to a group of firms that the same individuals own  
15 or control and that have average aggregate annual gross receipts  
16 during the last three years in excess of \$1 million for construction  
17 firms or \$300,000 for firms that are not construction firms.

18 “(C) The proposer’s financial stability and ability to provide funding  
19 for the bridge project and obtain, or act as, a surety for the proposer’s  
20 performance and financial obligations with respect to the bridge  
21 project.

22 “(D) The experience of the proposer and the proposer’s subcontrac-  
23 tors in engaging in bridge project activities of a size and scope similar  
24 to the bridge project activity that the port proposes.

25 “(E) The terms of the financial arrangement that the proposer ac-  
26 cepts or proposes with respect to franchise fees, license fees, lease  
27 payments or operating expenses and the proposer’s required rate of  
28 return from engaging in the bridge project activity.

29 “(F) The terms that the proposer offers for engaging in the bridge  
30 project activity, including:

1       “(i) The amount of proposed tolls and administrative fees;  
2       “(ii) Schedules for altering tolls and administrative fees; and  
3       “(iii) Any restrictions or conditions on future increases in tolls or  
4 administrative fees.

5       “(b) After considering the elements described in paragraph (a) of  
6 this subsection in a public hearing, the port shall select a proposal  
7 that provides the best overall public value. In determining the best  
8 overall public value, the port must find that the selected proposal,  
9 compared to other proposals, is likely to:

10       “(A) Reduce the cost of constructing the bridge project;  
11       “(B) Accelerate the schedule for completing the bridge project; and  
12       “(C) Reduce the financial risk to the port and the public.

13       “(7) Notwithstanding any other provision of this section, the port  
14 may use any method to award a contract, agreement, franchise or li-  
15 cense that is necessary to comply with the requirements of a grant  
16 or other funding source.

17       “(8) Before entering into an agreement under subsection (2) of this  
18 section, the port shall engage legal counsel for the purpose of:

19       “(a) Advising the port concerning the legality of specific proposed  
20 partnerships;

21       “(b) Advising the port concerning legal procedures and practices  
22 that are related to implementing a bridge project in a public-private  
23 partnership;

24       “(c) Assisting the port in negotiating agreements and preparing  
25 documents related to a public-private partnership;

26       “(d) Advising the port concerning accounting, investment and tax  
27 requirements that apply to a bridge project the port undertakes in a  
28 public-private partnership; and

29       “(e) Advising the port concerning any relevant federal securities or  
30 other laws and related disclosure requirements.

1       **“(9) For purposes of complying with applicable state and local land**  
2 **use laws, including statewide planning goals, comprehensive plans,**  
3 **land use regulations, ORS chapters 195, 196, 197, 198, 199, 215, 221, 222**  
4 **and 227 and any requirement that the Land Conservation and Devel-**  
5 **opment Commission imposes, a bridge project is a project of the port**  
6 **and is not a project of any other person or entity.**

7       **“(10) A bridge project undertaken under ORS 381.205 to 381.305 is:**

8       **“(a) Exempt from ad valorem property taxation; and**

9       **“(b) A state highway for the purposes of law enforcement and the**  
10 **application of the Oregon Vehicle Code.**

11       **“(11) ORS 381.270, 381.275 and 381.280 do not apply to a bridge project**  
12 **that a private entity undertakes.**

13       **“(12) ORS 381.270 does not apply to a bridge that the Port of Hood**  
14 **River constructs, reconstructs or replaces.**

15       **“SECTION 3. (1) The Port of Hood River, or any private entity or**  
16 **unit of government that the port designates to operate a bridge in an**  
17 **agreement the port enters into under ORS 381.205 to 381.305, may es-**  
18 **tablish, collect or alter a reasonable toll, administrative fee or civil**  
19 **penalty in connection with the bridge.**

20       **“(2) The port or the private entity or unit of government that the**  
21 **port designates shall deposit any proceeds from a toll, administrative**  
22 **fee or civil penalty into an account established under an agreement**  
23 **described in section 2 of this 2017 Act. The port or unit of government**  
24 **shall deposit the share of proceeds that the port or unit of government**  
25 **receives with a depository that meets the requirements set forth in**  
26 **ORS chapter 295. A private entity shall deposit the share of proceeds**  
27 **that the private entity receives with an insured institution, as defined**  
28 **in ORS 706.008.**

29       **“(3)(a) The Department of Transportation, on behalf of the port,**  
30 **shall:**

1       **“(A) Assess and collect the amount of a toll that a person fails to**  
2 **pay, plus a civil penalty and administrative fee; and**

3       **“(B) Refuse to renew the motor vehicle registration of the motor**  
4 **vehicle of a person that failed to pay a toll, a civil penalty or an ad-**  
5 **ministrative fee assessed under this subsection.**

6       **“(b) For the purpose of conducting the activities described in para-**  
7 **graph (a) of this subsection, the department shall:**

8       **“(A) Treat a toll established in connection with the bridge as a toll**  
9 **that was established under ORS 383.004;**

10       **“(B) Apply the exemptions set forth in ORS 383.035 (3); and**

11       **“(C) Adopt rules to establish a process by means of which the port,**  
12 **a private entity or a unit of government may request action from the**  
13 **department under this subsection.**

14       **“SECTION 4. (1) The Port of Hood River may sell or otherwise**  
15 **transfer ownership of a bridge or bridge project that the port owns if,**  
16 **in an agreement for the sale or transfer, the port provides that:**

17       **“(a) The sale or transfer is subject to an easement in favor of public**  
18 **use for the duration of the functional life of the bridge or bridge**  
19 **project;**

20       **“(b) The port has a right of first refusal in any subsequent sale or**  
21 **transfer under which the seller must offer the port a price, terms and**  
22 **conditions that are the same as or better than the price, terms and**  
23 **conditions that the seller offers to any other prospective purchaser;**  
24 **and**

25       **“(c) The state has a right of first refusal that the state may exercise**  
26 **if the port declines to purchase the bridge or bridge project under**  
27 **paragraph (b) of this subsection and under which the seller must offer**  
28 **the state a price, terms and conditions that are the same as or better**  
29 **than the price, terms and conditions that the seller offers to any other**  
30 **prospective purchaser.**

1       **“(2) A right of first refusal described in subsection (1)(b) or (c) of**  
2 **this section does not apply to a sale or transfer of a bridge or bridge**  
3 **project to a subsidiary or affiliate of the seller.**

4       **“SECTION 5.** ORS 381.205 is amended to read:

5       “381.205. Each county, city, town or port of this state adjoining or bor-  
6 dering on any interstate river or stream of water may:

7       **“(1) Construct, reconstruct, purchase, rent, lease or otherwise acquire,**  
8 **improve, operate and maintain bridges over any interstate river or stream**  
9 **of water to any adjoining state.**

10       **“(2) Subject to other provisions of law, acquire property and use**  
11 **revenues to connect bridges to roads, approaches and other transpor-**  
12 **tation facilities within or outside the county’s, city’s, town’s or port’s**  
13 **boundaries.**

14       **“SECTION 6.** ORS 381.265 is amended to read:

15       “381.265. (1) Preparation of the specifications and designs of any bridge  
16 constructed under ORS 381.205 to 381.305 may give consideration to and in-  
17 clude provisions for facilities and accommodations for traffic by rail as well  
18 as for traffic by motor vehicle, team, **bicycle**, pedestrian or other regular  
19 highway traffic.

20       “(2) If provision is made for rail traffic, then the agencies under whose  
21 jurisdiction and control the bridge has been constructed may contract with  
22 any railroad companies for the use of the part of the bridge constructed to  
23 accommodate traffic by rail. The contract may be upon such terms and con-  
24 ditions as the interested parties may agree.

25       **“SECTION 7.** ORS 381.824 is amended to read:

26       “381.824. Every bridge that passes over a river or body of water forming  
27 a boundary between this state and another state, and that has been con-  
28 structed or acquired and is being operated by the other state or by any  
29 county, city, **port** or other municipality of the other state, [*shall,*] together  
30 with its approaches, [*be*] **is** exempt from all property and other taxes in this

1 state, if the other state exempts from all taxation every such interstate  
2 bridge, together with its approaches, constructed or acquired and operated  
3 by this state or by any county, city, **port** or other municipality of this state.

4 **SECTION 8. Notwithstanding ORS 315.037, section 2 of this 2017**  
5 **Act and the amendments to ORS 381.824 by section 7 of this 2017 Act**  
6 **apply to tax years beginning on or after January 1, 2018.”.**
