

Requested by Senator ROBLAN

**PROPOSED AMENDMENTS TO
SENATE BILL 274**

1 On page 1 of the printed bill, delete lines 6 through 30.

2 On page 2, delete lines 1 through 8 and insert:

3 **“SECTION 2. (1) As used in this section, ‘post-secondary institution**
4 **of education’ means:**

5 **“(a) A public university listed in ORS 352.002;**

6 **“(b) A community college operated under ORS chapter 341; or**

7 **“(c) An Oregon-based, generally accredited, private institution of**
8 **higher education.**

9 **“(2) Each post-secondary institution of education that provides**
10 **housing for students shall provide to each student enrolling or regis-**
11 **tering at the institution for the first time information on vaccine-**
12 **preventable diseases known to occur in individuals between 16 and 21**
13 **years of age, including:**

14 **“(a) The signs and symptoms associated with, and options for**
15 **treating, vaccine-preventable diseases known to occur in individuals**
16 **between 16 and 21 years of age;**

17 **“(b) The circumstances that create a risk of acquiring a vaccine-**
18 **preventable disease known to occur in individuals between 16 and 21**
19 **years of age, including the circumstance of living in group quarters;**

20 **“(c) Recommendations by the Centers for Disease Control and Pre-**
21 **vention with respect to vaccines recommended to be categorized as**

1 category A or category B by the federal Advisory Committee on Im-
2 munization Practices, and vaccines recognized as category A or cate-
3 gory B by the Centers for Disease Control and Prevention;

4 “(d) Any additional information on the availability, benefits and
5 risks and limitations of vaccines for vaccine-preventable diseases
6 known to occur in individuals between 16 and 21 years of age, as de-
7 termined by the institution; and

8 “(e) Information on where to receive a vaccination.

9 “(3) At a minimum, information provided under subsection (2) of
10 this section must cover vaccine-preventable diseases for which the
11 Centers for Disease Control and Prevention recommend vaccination
12 for individuals between 16 and 21 years of age.

13 “(4) In developing information on vaccine-preventable diseases un-
14 der this section, a post-secondary institution of education shall consult
15 the Oregon Health Authority or the Centers for Disease Control and
16 Prevention.

17 “(5) If a post-secondary institution of education provides electronic
18 enrollment or registration for students enrolling or registering at the
19 institution for the first time, the institution shall provide the infor-
20 mation required by this section electronically at the time of enroll-
21 ment or registration.

22 “(6) This section does not create a private right of action against a
23 post-secondary institution of education.”.
