

Requested by Representative KENY-GUYER

**PROPOSED AMENDMENTS TO
HOUSE BILL 2660**

1 Delete lines 4 through 19 of the printed corrected bill and insert:

2 **“SECTION 1. (1) The Oregon Health Authority shall make written**
3 **materials available on the authority’s website to educate breast cancer**
4 **patients about the availability of insurance coverage for breast recon-**
5 **struction surgery and breast prostheses following a mastectomy. The**
6 **authority shall update the materials at least annually.**

7 **“(2) The authority shall place a link to the educational materials**
8 **described in subsection (1) of this section next to a link on the website**
9 **to information about breast cancer screenings and under a tab desig-**
10 **ned ‘Breast Reconstruction Education.’ The materials must include**
11 **links to information about breast reconstruction surgery published by**
12 **governmental entities with a nexus to this state or nonprofit organ-**
13 **izations with expertise in breast reconstruction surgery, including but**
14 **not limited to information about:**

15 **“(a) The availability of the option to have breast reconstruction**
16 **surgery following a mastectomy including that the breast recon-**
17 **struction surgery may be performed at the time of a mastectomy or**
18 **may be delayed until a later date.**

19 **“(b) Prostheses or breast forms as alternatives to breast recon-**
20 **struction surgery.**

21 **“(c) The requirements of the Women’s Health and Cancer Rights**

1 Act of 1998 (P.L. 105-277) including the right to breast reconstruction
2 surgery following a mastectomy even if the surgery is delayed until a
3 later date.

4 “(3) The authority may include educational information about
5 breast reconstruction surgery in newsletters or similar publications
6 that the authority sends to clients or physicians on a weekly or
7 monthly basis.

8 “SECTION 2. (1) The Department of Consumer and Business Ser-
9 vices shall make written materials available on the department’s
10 website to educate breast cancer patients about the availability of in-
11 surance coverage for breast reconstruction surgery and breast
12 prostheses following a mastectomy. The department shall update the
13 materials at least annually.

14 “(2) The department shall place a link to the educational materials
15 described in subsection (1) of this section close to links on the website
16 to information for consumers about health insurance and under a tab
17 designated ‘Breast Reconstruction Education.’ The materials must in-
18 clude links to information about breast reconstruction surgery pub-
19 lished by governmental entities with a nexus to this state or nonprofit
20 organizations with expertise in breast reconstruction surgery, includ-
21 ing but not limited to information about:

22 “(a) The availability of the option to have breast reconstruction
23 surgery following a mastectomy including that the breast recon-
24 struction surgery may be performed at the time of a mastectomy or
25 may be delayed until a later date.

26 “(b) Prostheses or breast forms as alternatives to breast recon-
27 struction surgery.

28 “(c) The requirements of the Women’s Health and Cancer Rights
29 Act of 1998 (P.L. 105-277) including the right to breast reconstruction
30 surgery following a mastectomy even if the surgery is delayed until a

1 **later date.**

2 **“(3) The department may include educational information about**
3 **breast reconstruction surgery in newsletters or similar publications**
4 **that the department sends to consumers or carriers on a weekly or**
5 **monthly basis.”.**
