3 **services, utilization review or other mechanisms designed to limit eli-**
4 **gible expenses to those described in subsection (2)(b) of this section.**

5 **“(4) The Legislative Assembly finds that health care cost contain-**
6 **ment is necessary and intends to encourage health insurance plans**
7 **designed to achieve cost containment by ensuring that reimbursement**
8 **is limited to appropriate utilization under criteria incorporated into**
9 **the insurance, either directly or by reference.**

10 **“[(12)] (5) [Nothing in] This section [prevents] does not prevent** a group
11 health insurer from contracting with providers of health care services to
12 furnish services to policyholders or certificate holders according to ORS
13 743B.460 or 750.005, subject to the following conditions:

14 **“(a) A group health insurer is not required to contract with all providers**
15 **that are eligible for reimbursement under this section.**

16 **“(b) An insurer or health care service contractor shall, subject to [sub-**
17 **sections (2) and (3)] subsection (2) of this section, pay benefits toward the**
18 **covered charges of noncontracting providers of services for the treatment of**
19 **chemical dependency or mental or nervous conditions. The insured shall,**
20 **subject to [subsections (2) and (3)] subsection (2) of this section, have the**
21 **right to use the services of a noncontracting provider of services for the**
22 **treatment of chemical dependency or mental or nervous conditions, whether**
23 **or not the services for chemical dependency or mental or nervous conditions**
24 **are provided by contracting or noncontracting providers.**

25 **“(6)(a) This section does not require coverage for:**

26 **“(A) Educational or correctional services or sheltered living pro-**
27 **vided by a school or halfway house;**

28 **“(B) A long-term residential mental health program that lasts**
29 **longer than 45 days;**

30 **“(C) Psychoanalysis or psychotherapy received as part of an educa-**

1 **tional or training program, regardless of diagnosis or symptoms that**
2 **may be present;**

3 **“(D) A court-ordered sex offender treatment program; or**

4 **“(E) Support groups.**

5 **“(b) Notwithstanding paragraph (a)(A) of this subsection, an in-**
6 **sured may receive covered outpatient services under the terms of the**
7 **insured’s policy while the insured is living temporarily in a sheltered**
8 **living situation.**

9 “[13] (7) The Oregon Health Authority shall establish a process for the
10 certification of an organization described in subsection [(1)(e)(B)] (1)(h)(F)
11 of this section that:

12 “(a) Is not otherwise subject to licensing or certification by the authority;
13 and

14 “(b) Does not contract with the authority, a subcontractor of the author-

16 “[14] (8) The Oregon Health Authority shall adopt by rule standards for
17 the certification provided under subsection [(13)] (7) of this section to ensure
18 that a certified provider organization offers a distinct and specialized pro-
19 gram for the treatment of mental or nervous conditions.

20 “[15] (9) The Oregon Health Authority may adopt by rule an application
21 fee or a certification fee, or both, to be imposed on any provider organization
22 that applies for certification under subsection [(13)] (7) of this section. Any
23 fees collected shall be paid into the Oregon Health Authority Fund estab-
24 lished in ORS 413.101 and shall be used only for carrying out the provisions
25 of subsection [(13)] (7) of this section.

26 “[16] (10) The intent of the Legislative Assembly in adopting this section
27 is to reserve benefits for different types of care to encourage cost effective
28 care and to ensure continuing access to levels of care most appropriate for
29 the insured’s condition and progress. This section does not prohibit an
30 insurer from requiring a provider organization certified by the Oregon

1 Health Authority under subsection [(13)] (7) of this section to meet the
2 insurer's credentialing requirements as a condition of entering into a con-
3 tract.

4 "[17] (11) The Director of the Department of Consumer and Business
5 Services and the Oregon Health Authority, after notice and hearing, may
6 adopt reasonable rules not inconsistent with this section that are considered
