**EFFECT OF AMENDMENT:**

No amendment.

**BACKGROUND:**

The Oregon State Fair Council operates and manages the Oregon State Fair and Exposition Center. The Council is currently comprised of between 11 and 15 total members that serve four-year terms of office, without limit. Two members are state legislators, one each appointed by the Speaker of the House of Representatives and the President of the Senate. The remaining 9 to 11 members are appointed by, and serve at the pleasure of the Governor: one must be an elected city official, one an elected county official, and others must represent the interests of the private sector, the nonprofit sector, economic development, the finance industry, and events and facilities management.

Senate Bill 1501 reduces the total number of Council members by two, terminates the service of local elected officials if they cease to hold public office, limits service on the Council to three full or partial terms, and requires staggered expiration of terms.
