the powerful few have an agenda to not let the public access a trail that would reduce countless miles in a automobile , all because it travels by their area,this is a chance to get people to exercise enjoy the out of doors and possible errands to town ,on a bicycle .separate and safe from cars .We moved to Philomath and really utilized and enjoyed the separate five mile bike path to Corvallis  
thanks for the chance to make a comment Steve and Janet Navarra ps we have been in bend for 35 years
