House Committee on Agriculture and National Resources
Representative Brian Clem, Chair
[900 Court Street, NE](#)
Salem, Oregon 97301

Chair Clem, Vice-Chairs McLain and Sprenger and members of the Committee:

I regularly use Bend area trails for walking and biking. My purpose is both recreational and practical. I walk and bike trails for recreation. I also use bike paths and trails for errands, forgoing my car and thereby doing my incremental part to reduce greenhouse gases and keep Bend skies clear. I support trail building, especially ones that connect trail systems like the proposed bridge connecting the east and west sides of the Deschutes River. Please oppose HB 4029.

Thank you,
Michael Sigler
