To Whom It May Concern:

We are writing in opposition to HB 4075.

We get a majority of our produce from farms in the areas in question. We have been buying our produce from these local farms that were designated as protected as a rural reserve in 2014; and, we are looking forward to many more years in the future. We also like to support local farmers and are very supportive of the hard work they do.

PLEASE DO NOT VOTE FOR HB4075

Thanks,

Brad & Judy Hadfield
