Subject: Bend resident against HB 4029
Date: Monday, February 05, 2018 7:46:19 AM

Hello,

I am a Bend resident and would like to voice my opposition to HB 4029. I oppose this legislation because the goal is clearly to prevent local discussions and decisions about the use of the Deschutes River in Bend. It's a shame that local groups are refusing to engage in local discussions about local issues, and instead are attempting to legislate state-wide what should be approached locally.

Thank you for taking input.
